MEMORANDUM FOR THE RECORD

SUBJECT: Alleged CIA Involvement with Oswald

1. Yesterday evening Mr. Clarence Martin, an acquaintance of mine in A. I. D. (where he handles Congressional Liaison) dropped off the attached letter and clipping from the New Orleans States-Item at my house while I was out.

2. Martin is from New Orleans and has on past occasions voiced a healthy contempt for Garrison and his shenanigans. This feeling was undoubtedly shared by his legal friend who, judging by this letter, now appears to have second thoughts.

Dear Clarence:

I am enclosing headline copyright story
which appeared in the afternoon States. I have
absolutely no inside information as I have not
even talked with George W. Healy, Jr., or anybody
else with the paper about the Kennedy Assassination
probe in a number of weeks. However, I know how
superconservative the paper is and I think it is
extremely significant that the powers that be are
willing to go this far. From original skepticism,
many people around town are beginning to think Jim
might have something. In any event, I don't believe
the C.I.A. can play ostrich much longer.

Sincerely,

Charles E. Dunbar, III
