MEMORANDUM FOR: Mr. Houston

SUBJECT: John K. Greaney - Trip Meeting

- 1. The following people met in my office on 18 February:

([redacted])
 (Kenneth Heinonen) Central Cover Staff
 ([redacted])
 Raymond G. Rocca, CI Staff
 Ward K. Greene, Office of Security
 John K. Greaney

It was a good meeting. No disagreement on any points. John is the team captain at [redacted] request. No polygraph unless (Roberts) volunteers for it, and even then this will be sent back to Headquarters for approval before it happens.

2. The question was raised whether John should give a general picture of the problem involving (Roberts) to Dave Murphy. Ward Greene, [redacted] and Ray Rocca objected strongly. [redacted] stated that he had filled in John Hart. This was satisfactory to all concerned. Subsequently, John met with someone recently returned from Paris who indicated there were active plans being worked on in Paris for utilization of (Roberts) and he thought it would be very helpful if Murphy were filled in. John was then requested to discuss this with Hart, which he did. Hart specifically requested that John give Murphy the general picture since it could affect plans, both as to utilization and building cover arrangements.

3. ⁰³ [redacted] called later and still indicated he thought it inadvisable for John to talk to Murphy. I informed him of the above, and he said this changed his position, that John Hart's interests were paramount.

4. In view of the other strong objections, I leave with you the question of whether you wish to notify Howard Osborn and Ray Rocca that John plans to fulfill Hart's request unless cable notification to the contrary reaches him.

Mr. Houston:

A little addition to Mr. Warner's note to you regarding Mr. Greaney's trip. It was agreed that unless there was something startling, no reports are to be sent on their interrogation of Roberts.
