MEMORANDUM FOR: Chief, EAB/PSD/OS

ATTENTION : Mr. Harry Dugan

SUBJECT : Employment of Spouse - Mrs. Dorothy L. Hunt

1. For the past seven months my wife has been employed locally by Communications Consultants International (CCI), a public relations subsidiary of McCann-Erickson, the New York advertising firm.

2. McCann-Erickson, through CCI, has held the [redacted] 24 public relations account for the past year, but the [redacted] 24 is about to cancel the account and do the work itself. Acquaintances at the [redacted] have suggested that my wife help them on a part-time basis by doing translations, statistical research and occasional letters for the [redacted] 24. Most of the work could be accomplished at home and at my wife's convenience, making the employment desirable and almost unique as jobs for women go.

3. With Agency concurrence, my wife worked for the [redacted] 24 [redacted] 1955-56, and though her currently-projected employ- 24 ment would not hold the intelligence implications of her employment, I am assuming that there would be no objection to her performing the part-time work described.

4. The concurrence of your office is requested.
