1. Mr. Dietrich, SSD, has advised that there is no record in SSD in regard to the wife of the Subject, Dorothy Louise Goutiere Hunt (#35576).

2. Mr. <sup>03</sup>[Rady], FE, has been contacted in the matter and has tried to obtain the communications, referred to in the 11 April 1956 dispatch, from or to [Japan], but has been unable to locate several, and one of the numbers is apparently a wrong number. Mr. [Rady] is following up <sup>03</sup> on this and will advise as soon as he obtains definite information in regard to the use of the wife of the Subject in her employment at the Argentine Embassy, [Tokyo, Japan].

3. Mr. <sup>03</sup>[Rady] referred the undersigned to Mr. Hayden Estey, extension 2237, 1028 "K" Building, for further information. Mr. Estey was Chief, FI/NA from May 1955 to December 1955. Estey was aware that the wife of the Subject was employed at the Argentine Embassy as of May 1955, and was of the opinion that she had been so employed for a period of time prior to this. Estey, in his position, was aware that the wife of the Subject was employed by the Argentine Embassy and recalls that the Subject advised Estey about this employment. It was his recollection that he saw a certain communication, or communications, which indicated that Headquarters had advised against the full exploitation of the employment of the wife of Subject at the Argentine Embassy, [Tokyo, Japan], but that Headquarters had indicated that a limited exploitation was permissible. Estey advised that Mr. Carleton Swift would be more knowledgeable of the above because of his previous position and longer service in [Japan].
