

M/R

The above assignment is based upon a verbal request from Richard KING, WH 4, on 19 January 1962. A similar assignment was scheduled in early December 1961, but the case was cancelled because the Subject did not have a valid true-name permit from any state and DFO advised it could not obtain the alias permit from the (District of Columbia 31 Registry of Motor Vehicles.) With regard to the address as shown above, KING requested that it be backstopped. Accordingly, I advised 03 (David Aukstikalnis) on 19 January 1962 to arrange with WFO to backstop the address in the Subject's alias.
