PROFESSIONAL

There's nothing outstanding about Tarasoff - just an average joe trying to make a living and without the ambition, energy, perspicacity to make use of a saleable article: knowledge of Russian. Physically he's sort of soft, tends to be overweight - he's about 5'8" tall, and about 190 in weight. His personality is on the negative side, his manner dull.

Tarasoff was greatly interested in the possibility of working for the US Government. He wants that security. And he has about reached the end of the line salary wise as a maintenance man or building superintendent. Tarasoff is willing to work in D.C. but insists on a GS 7 because he has to support a wife and two children. He does not mind the sedentary aspects of Project Detail - I doubt if he'd be interested in anything that wasn't sedentary. He also liked the other aspects of Detail and I would think from talking with him that he would be quite able to handle a job on Detail. He can translate - reads with a great deal of ease. His PHS I notice indicated he's interested only in o/s - this is not what he told me; he is interested in US also but he will go o/s if necessary.

I recommend Tarasoff for a GS 7 on Project Detail.
