Handwritten text in Chinese, organized into columns. The text is dense and appears to be a formal document or report. The columns are arranged from right to left, with the rightmost column being the widest and the leftmost being the narrowest. The handwriting is in a traditional style, likely from the late 19th or early 20th century. The text is written on a piece of paper that has been torn at the edges, with a small circular hole visible on the right side. The overall appearance is that of an old, weathered document.
