MEMORANDUM FOR THE RECORD

9 August 1978

P On this date I spoke with HSCA staffer Surrel Brady re her trip to ⁽¹⁵⁻⁴⁾Paris to interview Thomas B. Casasin. I informed Ms. Brady that Casasin will be free to see her at the American Embassy at 10 a.m. on 17 August 1978; Room number and any other arrangements for the meeting would be given to her in ^{(15-4) I gave her}Paris, ~~she was given~~ the name of ^(office telephone number) 03 (296 1202, ext 2769) ⁰⁸ as the Station contact point.

TP Ms. Brady asked if the meeting could be moved up one day to 16 August. Since her departure date/time from Washington is scheduled for tomorrow, I opined that it would be difficult to change the plans and notify her prior to her departure. I suggested that she contact ⁰³ and seek to make adjustments once she is actually in ^(Paris) Ms. Brady ~~agreed~~ agreed to follow my suggestion.
