HSCA

30. (Confidential - GLC) LIAISON Received a call from Seymour Shwiler, on the staff of the House Armed Services Subcommittee on Intelligence & Military Application of Nuclear Energy. He said he would like to have a briefing on "that Russian thing that appeared in the paper" this afternoon or tomorrow morning. I told Shwiler I would check with our people and be back in touch with him. (Shwiler is a former member of the staff of the Joint Committee on Atomic Energy. He has all the necessary compartmented clearances and has been briefed on matters of this sort in the past. He is now continuing the same kind of responsibility in his current staff capacity with the House Armed Services Committee.)

31. (Confidential - GLC) LIAISON Called Bob Blakey, Chief Counsel, House Select Committee on Assassinations, to talk with him further about the inquiry I had received from a Committee staff employee who was concerned about her clearances. (See Memorandum for the Record.)

32. (Confidential - GLC) LIAISON Tony Lapham, General Counsel, and I met with Tom Latimer and Mike O'Neil, both on the staff of the House Permanent Select Committee on Intelligence, and Bill Miller, Staff Director, Senate Select Committee on Intelligence, to discuss a personnel matter of interest to the Director.

15-4 33. (Confidential - CM) LIAISON - Concerning the cable from (Paris) which advised that Representative Robert Dornan (R., Calif.) is to be in London on 2 December and had asked that a Paris Station 15-4, 32 staffer, who is posted to the Embassy under the cover of the Embassy Economic Defense Officer and in that capacity had served as an escort for Mr. Dornan during the Paris Air Show in May 1977, brief him on matters (covered by the staffer's cover position) Shep Shepanek, SA/DO/O, reported that the DDO interposed no objection to having the staffer meet with Mr. Dornan, but thought it advisable to inform Mr. Dornan before he goes of the staffer's true affiliation. Lyle Miller concurred. With this as background I called Mr. Dornan's office and asked for an appointment to see him briefly before he left for Europe.
