23. (Unclassified - THW) LIAISON Ken Geisen, DIA, called and with regard to Representative Les Aspin's (D., Wis.) current trip to Europe asked if we had any indication that the Congressman would be seeking meetings with Defense attaches. He also asked what cover Representative Aspin was using for his trip. I told Geisen that he was going under the auspices of the House Armed Services Committee and that he wanted a meeting with a couple of country team representatives and that he might possibly seek a meeting with Defense attaches but that he had not made any such requests to date.

24. (Unclassified - THW) LIAISON Called Brian Atwood, State Department, and mentioned my conversation with Hans Binnendijk, Senate Foreign Relations Subcommittee on Foreign Assistance staff, regarding the Committee's air balance study and asked if he would send us a copy. He said he would be happy to and I arranged to have a courier pick it up tomorrow morning.

25. (Unclassified - PLC) LIAISON In response to her earlier request and based on information provided by Bob Hepworth, C/CSS/NFAC, I called Martha Tally, House Committee on Standards of Official Conduct staff, and gave her the names of Edwin Reischauer of Harvard; Philip Habib, former U.S. Ambassador to Korea; and Donald McDonald, East Strasburg College, Pennsylvania, as suggested qualified witnesses that the Committee may want to contact. The Committee is planning hearings covering a historical perspective of what events in South Korea caused that Government to engage in a large scale program to solicit U.S. support of South Korea and had asked us to suggest qualified witnesses.

26. (Unclassified - RSG) LIAISON Took a call from Melanda, in the office of Senator Lloyd Bentsen (D., Texas), who inquired about tours of CIA for constituents. I indicated that tours were not available but that we would be happy to provide a briefing for a group of constituents on the Hill.

27. (Unclassified - RSG) LIAISON Dan Hardway, House Select Committee on Assassinations staff, visited C&R Conference Room to interview two current Agency employees. Notes were taken, will be sanitized and then forwarded to the Committee.
