5. (Confidential - DFM) LIAISON Called Tom Moore, Senate Select Committee on Intelligence staff, to ask about Committee action on the House Select Committee on Assassinations request for Senate Select Committee on Intelligence materials on Santos Trafficante. Moore said the Committee had met on this matter and had decided not to provide the Agency materials to the House Committee. Moore said that the more difficult problem concerned Committee materials not supplied by the Agency but which related to Agency operations. Moore said he would be reviewing this material and within the next ten days or so would provide us copies of this material with a request that we make recommendations on what should not be provided the House Committee.

6. (Internal Use Only - PLC) LIAISON Delivered to Ron McCluskey, Staff Director, House Post Office and Civil Service Subcommittee on Retirement and Employee Benefits, Agency pamphlets on the Agency's cooperative and summer intern programs which he had requested for certain of his associates who had expressed interest in Agency employment. I told him he could call Robert Bell, Personnel Officer, if he had any further questions.

7. (Internal Use Only - PLC) LIAISON Called Bob Hull, Department of State, and inquired as to whether reemployed Foreign Service annuitants can have their annuity recomputed under the Foreign Service law. He said that a Foreign Service annuitant who works in Government service after retiring from State can have such a recomputation to include all of his U.S. employment provided he is then on recall as a Foreign Service officer. The question came up during Mr. Lyle Miller's meeting with Bill Jones, Administrative Assistant to Representative Jack Brooks (D., Texas), who is looking into the eligibility of further retirement benefits for reemployed annuitants in Government.

8. (Internal Use Only - PLC) LIAISON Met briefly with Tom Payne, a CIARDS retiree who is now employed on the House Government Operations Committee staff, and gave him a copy of the paper explaining the eligibility of further retirement benefits for CIARDS retirees reemployed in Government which Ron McCluskey, Staff Director, House Post Office and Civil Service Subcommittee on Retirement and Employee Benefits, had requested. I informed him that the Civil Service Commission had not yet made its decision as to its review of its policy regarding the eligibility of reemployed CIARDS annuitants for further retirement benefits.
