FORM 3-62 610 USE PREVIOUS EDITIONS  SECRET  CONFIDENTIAL  INTERNAL USE ONLY  UNCLASSIFIED

21 August 1963

MEMORANDUM FOR: Chief, Finance Division

THROUGH : Accounts Receivable Unit, Accounts Branch  
Finance Division, Room 6-E-13, Headquarters

SUBJECT : Reimbursement for JMATE Operational Expend-  
iture

REFERENCE : Advance Account - No. 013842

1. After termination of my assignment with JMATE at JMWAVE, I was billed for repayment of advance account in the amount of \$303.44, which sum I paid by personal check No. 3337, dated 16 July 1962, FD Receipt No. 4944, dated 19 July 1962.

2. Payment was made with reservations, since at the time of my departure from the JMWAVE area the Finance Officer estimated that when my accountings were reconciled they would reflect a credit in my favor of several hundred dollars. Therefore, I was surprised to find myself in a debit position when the accounting was finally completed. Although I would have been authorized to voucher the balance, I assumed that all credits had been taken into account, and so did not exercise the option.

3. <sup>03</sup>In early May, 1963, I received a telephone call from Mrs. [Lucia R. Hardester] who had been my Administrative Assistant at JMWAVE. She was departing the following day PCS for [Rabat] and wished to inform me that in packing she had come across a receipt signed by Spencer O. TERTEILING (P) in the amount of \$500 which, she said, she had neglected to turn in to the JMWAVE Finance Officer to be credited against my account. The following day I received through the mail the receipt in question which is forwarded herewith as Attachment A.

4. In the interim, DODS B&F conducted a search of the accountings relevant to my advance account and were unable to establish that an entry had been processed reflecting credit of the \$500 TERTEILING receipt. This accords with the prior failure of the receipt to have been forwarded to JMWAVE Finance as it should have.

5. Based on the above, Mrs. <sup>03</sup>[Hardester's] statement and my own recollection of events and accounting procedures then
