<p>1. In accordance with reference A request, on 8 September 1961 WAVE initiated contact with AMCORE-2 through Identity, informing him that henceforth we would be his point of contact for his activities.</p> <p>2. The following questions have been raised by AMCORE-2 and Headquarters' clarification is requested:</p> <p>a. AMCORE-2 has requested an additional \$1000 to add to the \$2000 already passed to him per Reference B for publication of his book in the WAVE area. Is this total \$3000 payment in the nature of a one-time contribution or was it indicated to AMCORE-2 that detailed accountings would be necessary?</p> <p>b. AMCORE-2 requests information on the status of his book being published in Uruguay. Does Headquarters have any report on this matter?</p> <p>c. Can Headquarters supply additional information concerning its discussions with AMCORE-2 on the subject of his assets within PERUMEN and types of action to be carried out. PM is investigating the claims made by AMCORE-2 re Aldo VERA Serafin and Oscar DIAZ. These were brought to WAVE by Domenick PANTLEONE.</p>

d. AMCORE-1 stated that he had received a request from AMBUD-1 to accept a position in the latter's group. Apparently AMCORE-1 would prefer to maintain his independence but would like to know our wishes in this regard. He has been informed that this decision is purely up to him and that his job does not depend on his joining the AMBUD organization.

3. WAVE would like to receive copies of memorandum of oral agreement or notes of commitments made to AMCORE-2 in regard to salary, financial support for his office and any other financial discussions with him.
