Dear Lee:

I appreciate very much your consideration in sending me a copy of the American Commission report on the communist subversion campaign. The subject is a most important one, worthy of the most careful study, and I am sure that the efforts of the International American Committee will add up to vital contribution toward a solution of some of the problems surrounding it.

As you are aware, a number of agencies, both private and governmental, are actively working toward an improvement in the circumstances in which many escapees find themselves. As essential action is expeditiously taken, the difficulties the Commission reports will be removed.

Sometimes when you are down here or I am in New York perhaps we can discuss further any matters you feel are pertinent but which may not have been covered in the report itself.

Sincerely,

SENT-

Dear Leo:

I appreciate very much your consideration in sending me a copy of the Donovan Commission report on the Communist redefection campaign. The subject is a most important one, worthy of the most careful study, and I am sure that the efforts of the International Rescue Committee will add up to vital contribution toward a solution of some of the problems surrounding it.

As you are aware, a number of agencies, both private and governmental, are actively working toward an improvement in the circumstances in which many escapees find themselves. As remedial action is aggressively taken, the difficulties the Communists exploit will be removed.

I have read the report personally, and, at your convenience, will welcome further discussion of any matters you feel are pertinent but were not covered in the report itself.

Sincerely,

Allen W. Dulles

SUBJECT: Correspondence of Mr. Lee Cherns  
with the President and with the DCI.

1. The attached proposed reply to Mr. Cherns is forwarded for the Director's signature.

2. This proposed reply was coordinated with Mr. Frank Hand (DDP/PPC) who was present during the Director's meeting with Lee Cherns to which Mr. Cherns refers in his 6 June letter.

3. We believe that Mr. Cherns's letter is merely a follow-up on his conversation with the Director. The Research Institute paper, although of interest, has bearing on neither the topics discussed during that meeting nor those covered in the letter.

Dear Leo:

I was glad to have the opportunity to hear about the continuing activities of the International Rescue Committee.

We are interested in and appreciate your keeping us informed on the various activities and problems of the IRC. However, any Government financial support for such private groups as the IRC is of course within the purview of the Department of State's U. S. Escapee Program and in the special activities of ICA and IRLA with which you are familiar.

Sincerely,

Dear Leo:

I was glad to have the opportunity to hear about the continuing very worthwhile activities of the International Rescue Committee.

I note that in your letter to the White House you have followed through on pressing for further Congressional attention to the President's proposals for changes in the basic immigration laws. In our restricted area of influence we are also seeking to encourage the adaptation of immigration legislation to reflect the President's proposals.

As we discussed in our meeting, the matter of fund raising is properly one which should be pursued with private foundations and sources. While recognizing the many additional projects which your group might initiate, perhaps, as you suggest, the present endeavors of the new members of your Board could best be devoted to solicitation of private financial support for the projects already underway. For the Government's part, financial support of private groups such as the I.R.C. is contained in the Department of State's U.S. Escapee Program and the special activities of ICA and WIA with which you are familiar.

In relation to the plight of the Yugoslav refugees, U.S. Government participation is, as you know, placed in the Department of State, principally in the U.S. Escapee Program, and I believe that these would be the best people to give you the guidance you need. You can rest assured that the U.S. Government is taking interest as appropriate in the Yugoslav refugees and their welfare.

Sincerely,

R.I. Document 100-122-6 reflects a copy of a telegram to Secretary of State Dean ACHESON from the Executive Secretary, Americans for Intellectual Freedom dated 20 March 1949 requesting that an emergency visa be granted and trip to the U.S. expedited for Pavel LYSENKO, outstanding Russian scientist who has fled from the Soviet Government. The AIF desires that LYSENKO address their freedom rally as their guest on 26 March 1949. Among the signers of the telegram is one Leo CHENE.

A memorandum in the same R.I. Document dated 1 April 1949 discloses that GPC began coordinating with the State Department in an attempt to effect LYSENKO's admittance to this country.

R.I. Document 43-120-5 is a memorandum to record dated 25 January 1952 reflecting that GPC and CC Contacts effected the use of Subject's services, through his position with the Research Institute of America, to backstop the cover story of a proposed agent in training.
