REMARKS: MEXICO/Revolution 30 de Septiembre, Anti-Castro

ACTION REQUIRED REFERENCES

Action Required: See Para 1.

Reference: 1. WFOA 2058, 3 August 1961

1. If Reference para. 7b information confirmed, Headquarters is interested in the identity of MONTIEL (fm). Is he possibly identical with Edal MONTIEL Loraense, subject of BIR 47004, 28 July 1961, and is he a member of the Revolution 30 Septiembre?

2. According to Headquarters records, Edal (or Edal) MONTIEL Loraense was a former Rebel Army officer who later rebelled against Castro and became an anti-Castro leader in guerrilla warfare in the Escambray, at one time having 300 men under his command. According to WAVE 6862, 2 June 1961, Evalio DEXQUE Miyar claims he made MONTIEL a leader of a band of 35 guerrillas and, in a tight spot during the ensuing fighting, MONTIEL deserted his command, resulting in ten of his men being captured or killed. (MONTIEL has also been referred to as "Comandante MONTIEL".) Headquarters has no record of MONTIEL being associated with, nor a member of, 30 de Septiembre.
