CS-3/5/5,853

- (1.) MRT. Whill October 1961 the MRT had a good civilian and military organization. LED Hately after the arrest of Heinol Conzalez, the national co-ordinator, the local co-ordinator and aldost all the members in the province sought asylum. The new co-ordinator is trying to reorganize the movement. There are still enough eren of action, coming from the 26 of July Hymment, but they have to re-establish contacts.
- (5) Rescate: keccete has no members in this area.
- (6) DRS. The DRE was completely broken by the unsuccessed uprising of Alberto Huller and by the arrest in October of "El Fiers", provincial co-ordinator. The DRE still has great prestige in the area, and there are many who would follow its direction.
 - b. Northern Orlente Province

14-00000

- (1) MRR. The MER is practically non-existent in northern Oriente Province, with the exception of a few personal contacts of Nino Dias.
- (2) MDC. The MDC is poorly organized and inactive.
- (3) 30 de Noviembre. It has a mediocre organization, for members, and is inactive.
- (4) MRP. Even before the debacks of October the MRP had a very poor organization in this area. Fito Comes ("Ricardo"), the co-ordinator, was arrested in the roundup at that time, but escaped and took anylum in the Ecuadorean Embassy. His successor and the military and civilian personnel are relatively capable.
- (5) Rescate. It does not exist in this area.
- (6) DE. It does not exist in this area.
- c. Canaguey Province.
 - (1) MRR. At the beginning of April 1961 Caballero (fmu), the co-aminator, Mhoso michname is "El Viejo", was arrested and condemmed to 30 years on the Isle of Pines. Arango (fmu), who was named co-ordinator in August, has been forced to seek asylum in Habana. The movement has been destroyed.
 - (2) MCC. The MDC has an encellent co-ordinator, Blanco (frm), who is responsible, discreet, with good connections. The MDC has a very good civilian organization and at present is concerned about its military organization, for which they already have some personnel. They work effectively and are trying to carry out some military entions.
 - (3) 30 de Noviembre. The civilian organization is relatively good. It has a small but effective military force.
 - (4) MRP. Caragney is practically the only province in which the MRP was not affected by the arrests of October. It has a good civilian organization and military forces of importance, which are under the command of former officers of the Rebel Army. Arquimides Caballero ("Esteban"), its former co-ordinator, took asylum in the Brazilian Embassy; "Ricardo", his replacement, is very young (21 years old) but is considered very good.
 - (5) Rescate. It has a poor organization. There are enough men, but they are inactive.
 - (6) <u>DER</u> Few numbers of the DEE remain, and "Tronco" and Rafael Angel Quevedo, its directors, are known by U-2. The movement has been destroyed.
