Material for Helsinki Youth Conference

ACTION REQUIRED REFERENCES

ACTION: See below

1. Forwarded herewith are four copies of the Press Comment dated 25 April 1961 and titled "Student Disillusionment in the Communist Bloc". There is a great deal of material in this Press Comment that can be used by the AMSPELL delegation to the Helsinki Youth Conference in July-August.

2. These documents were prepared by KUBARK in Headquarters but the contents are all overt. Please remove the cover of each copy before using it outside of the Station. The documents can then be given to selected AMSPELL personnel for their information and use. The AMSPELL representatives are free to keep the documents and use them as background material in preparing for the conference. The only restrictions are (a) that the documents should be handled with discretion, (b) there should be no admission that they were received from a KUBARK officer, and (c) they should not be taken with the delegation to Helsinki.
