After receipt of the referenced dispatch ODENVY was queried by Headquarters as to whether or not it wished to continue receiving copies of HALPERIN's correspondence which appeared to concern only family matters. The following reply was received:</p> <p>"(ODENVY) would appreciate receiving copies of letters addressed to (HALPERIN) even though the letters appear to relate to purely family matters. In reviewing such correspondence in the past, we have noted information of value, particularly with respect to future plans of the HALPERINS."</p> <p>2. 1. The attached negatives are of three letters which were addressed to Maurice HALPERIN in Mexico City.

2. The first two letters are from Robert ROGERS from Hume, Virginia. One letter concerns queries re effects to be shipped when the ROGERS family comes as immigrants to Mexico. Evidently their papers for Mexico are being arranged by a lawyer named HANHAUSEN in Mexico. Definite identification of HANHAUSEN is not possible from this as there are two brothers here in Mexico who are practicing lawyers and either of them might be the one responsible for arranging the papers for ROGERS. ROGERS made the statement in the letter of 2 September that "As a matter of fact, we have to come anyway, and we'll enter as tourists if we can't get ready as immigrants." The second communication from ROGERS was a request for a Post Office box to which his mail could be sent in Mexico.

3. The third letter is from Jane Constance ROGERS, Robert's mother, and was sent from Mill Valley, California. She had previously asked HALPERIN to look for an apartment for her for the winter. In her letter Jane Constance mentions the fact that Morton SOBELL is no longer in Alcatraz. She also refers to two "youngish" lawyers from Los Angeles who came to San Francisco for a breath of "fresh air". She was aware of the presence of Albert MALTE family in southern California also.

4. ODENVY, locally, has been provided with copies of the attachments.

SUBJECT: Contact with U. S. Defectors in USSR

100-352  
CSCI-3772,459

1. The following report dated 3 July 1962 was received from another office of this Agency. The source, who is untested, arrived in the U.S. in June 1962 as a political refugee. From October 1960 to February 1961 he served as Economic Counselor of the Cuban Embassy in the U.S.R.

a. During the period I served as Economic Counselor of the Cuban Embassy in the U.S.R. (October 1960 to February 1961) I met and became fairly well acquainted with a number of defectors from the West, including Douglas MALLAN, who defected from the United Kingdom, and Maurice HALPERIN from the U.S. I did not meet Guy B. [unclear] because I was told that he is in bad physical condition due to excessive drinking. MALLAN, who is now known as "Fraser," likewise drinks heavily and at a party the hostess cut down on his liquor, saying: "If he drinks too much, he gets in bad shape." *Conf*

b. MALLAN and his family are living in Soviet Government-furnished quarters in a new but not elaborate apartment building near the Ukraine Hotel. His wife made a number of remarks to my wife about how far it is necessary to walk to get food or anything else in the U.S.R. Otherwise, she did not complain. MALLAN made numerous jokes about the shortcomings of living in the U.S.R., including comments about the elevator in his apartment building never working. He also made some half-hearted jokes about the Soviets always spitting when they spoke. At the time I knew MALLAN he was on the staff of an English language publication, Economic Affairs.

c. Maurice HALPERIN was a U.S. national and, I believe, taught economics at a U. S. university. He subsequently worked at the National Bank of Mexico, but was expelled about 1956 and went to the USSR. HALPERIN is now a lecturer in economics at Moscow University. HALPERIN assisted in gathering data used by "Che" Guevara in

his speech at Punta del Este and commented about it when the speech was published. HALPERIN, I believe, is of English-Jewish background. He still has a son in the U.S. and was happily anticipating a visit from the son in 1961. The son canceled the trip for unspecified reasons and HALPERIN became extremely depressed. HALPERIN mentioned on a number of occasions that he would like to come back to the U.S. and at one time asked me if he should accept a position in Cuba which had been offered to him by Faure CHAMON. I believe he has regretted his going to the USSR. He is always "joking" about unpleasant aspects of life in the Soviet Union.

  - a. Letter, dated 30 June 1958, makes reference to a letter written by HALPERIN on 27 June to his lawyer which evidently voiced HALPERIN's belief that his mail was being tampered with. BOWEN says that his firm often seals its letters with scotch tape.
  - b. Letter, dated 11 July 1958, indicates HALPERIN's attorney is still experiencing difficulty in obtaining a U.S. passport for Subject. BOWEN says that a \$500 retainer will be necessary if HALPERIN wants him to proceed further in the passport matter.

1. Reference is made to our CSC-1-3/749,777, dated 1 May 1958, and CSC-1-3/749,193, dated 5 February 1958, and to other correspondence concerning Subject, an American Communist living at Medellin #36, apartment 9, Mexico, D.F.

2. Enclosed herewith for the information of your Bureau are the following photographic copies of letters sent to Subject:

- 14mmA-105-3/  
2 Jul
- a) Letter, dated 19 June 1958, from the law firm of RADINOWITZ and BOUDIN, 25 Broad Street, New York 4, New York, which concerns HALPERIN's application for a U.S. passport. Leonard BOUDIN advises HALPERIN that, if he is asked to answer any questions regarding his political beliefs or associates when applying for his passport, he should reply that such questions are now disposed of by the Supreme Court's decision in the KINT and BRIENL versus DULLES case.
- 14mmA-10772  
6 Aug
- b) Two letters, undated, from David HALPERIN, Subject's son, who is a medical student attending summer school in Chicago. David's summer address is 5337 South Kimbark, Chicago, Illinois. The first letter appears to have been written on 6 July since David mentions that the Mexican elections were being held on the day he was writing the letter. Although most of the letter is concerned with David's studies, he does mention that he will be arriving in Mexico on 1 September and will have to return to Chicago on 8 October. One other portion appears to be of interest: "Zecale and its supporters must be in trouble if they have to drag you people through the mud again."

Vasquez Vela may be identical with Gonzalo VASQUEZ Vela, a lawyer and follower of General Lazaro CARRANZA, former President of Mexico. In November 1957 VASQUEZ was reported as having contributed money to the Partido Popular (Mexican Marxist party) so that the PP could publish its political program for the 1958 presidential election in a Mexico City newspaper.) The second letter concerns David's studies.

- c) Letter, dated 1 July, from The Dall, Hume, Virginia, which was obviously written by Robert ROGERS (aka Martin Robert EXGAS), former State Department and OSS employee, and a good friend of Subject's. The letter reveals that ROGERS, his wife, Terry, and their children, intend to leave Virginia about 15 October 1958 and will travel to Mexico via California. They plan to stay in Mexico for two years. The letter encloses a New York Times article by Paul Kennedy on the effect in Mexico of the Supreme Court ruling on issuance of U.S. passports.

2. Enclosed for the information of your Bureau are photographic copies of the following letters sent to Subject and his wife, Edith, at the above address:

a) Letter, postmarked 2 November 1957, from David HALPERIN, Subject's son, at 1414 East 59th Street, Room 336, Chicago 37, Illinois, concerns David's college activities. The letter was written on the stationery of Panasco Internacional, S.A., Isabel la Católica #13, Room 700, Mexico 1, D.F.

b) Letter, dated 8 November 1957, from Mrs. Philip HALPERIN, Subject's mother, at 824 Blue Hill Avenue, Dorchester 24, Massachusetts, appears to concern purely family matters.

c) Letter, dated 9 November 1957, from David HALPERIN, at the address in (a), above, concerns his college studies.

d) Envelope, postmarked 11(?) December 1957, encloses a final notice of premium due from the Associates Life Insurance Company, 802 Board of Trade Building, Indianapolis, Indiana.

e) Letter, dated 4 December 1957, from A. HELLER (Abraham Aaron HELLER), 56 7th Avenue, New York 11, New York, mentions that the writer and Jane (probably Jane Constance ROGERS; see our CSCI-3/751,016, dated 12 August 1958) would leave New York for Mexico on 4 January 1958.

f) Letter, postmarked 12 December 1957, from David HALPERIN at International House, 1414 East 59th Street, Chicago, Illinois, concerns his plans for Christmas vacation.

g) Christmas card from Jean and Henry HIMS, Clinton, New Jersey.

h) Letter, dated 27 December 1957, from Sylvia and Bill ROSENFELD, 71 Doolittle Road, Stamford, Connecticut, which mentions that the ROSENFELDS planned to go to Mexico on 25 January 1958 for a stay of about 17 days.

i) Letter, dated 27 December 1957, from Freddie and Ben (lrm), 56 Monadnock Road, Chestnut Hill, Massachusetts, who appear to be friends of HALPERIN.

j) Registered letter, dated 9 January 1958, from "Bob", The Roosevelt Hotel, 2101 16th Street, N.W., Washington, D.C. Bob is probably identical with Robert ROGERS (also known as Martin Robert ROGERS), former OSS and Department of State employee. The writer mentions a trip he and his wife, Terry, plan to take to Europe, and also says that he plans on going to Mexico on 27 January. ROGERS asks HALPERIN to get his airline tickets for him, and a check, dated 10 January 1958, payable to MUNDUS in the amount of \$190.00 is enclosed. The check is signed by M. Robert ROGERS for the Washington High Fidelity Music Show.

k) Letter, dated 1 January 1958, from Dr. Samuel (Manny) GAMERAN, 229 West 78th Street, New York 24, New York, mentions that the writer will be staying at the Bolear Hotel, Miami Beach, Florida, until 11 January. The writer asks HALPERIN what progress the latter made with MANSOUR. (This is probably Leon MANSOUR, a business associate of HALPERIN in Mexico.

See our CSCI-1/718,493, dated 5 February 1958) GANORAN is the father of Rabbi Hillel GANORAN, husband of Judith Halperin GANORAN, daughter of Subject.

1) Letter, dated 19 January 1958, from Lou and Buncy (lms), Marblehead, Massachusetts, indicates the writer is in some way related to the HALPERINS. The letter concerns mainly family matters.

m) Letter, dated 5 January 1958, from David HALPERIN in Chicago, which describes his Christmas vacation and mentions that he has not seen anything about his parents or others in Mexico in the newspapers. He asks how powerful SANTILLAN is. (SANTILLAN is probably identical with Jose T. SANTILLAN, former Chief of the Inspection Service of the Mexican Immigration Department, who was dismissed from his job in late January 1958. His dismissal was regarded as a victory for the Communists and pro-Communists with influence in the Mexican Government. See our CS-3/347,810, dated 10 March 1958, subject: Personnel Changes in the Mexican Immigration Department.)

n) Letter, dated 21 January 1958, from Dr. Emanuel GANORAN, at the New York address in (k), above, indicates that the writer and his son, Hillel GANORAN, are involved in some kind of business transaction which also involves Leon HANCOCK, (see (k), above), and ROGERS (probably Robert ROGERS-see (j) above.) The writer suggests that perhaps ROGERS, since he is in business, might be "in a position to take over the entire indebtedness, and wait for gradual repayment."

o) Letter, dated 22 January 1958, from Hillel GANORAN, Temple B'nai Or, P.O. Box 282, Morristown, New Jersey, also concerns the business transaction mentioned above. The writer says that he thought "the three notes for \$15,000 backed up by the miner's house were collateral for" Emanuel GANORAN's loan of \$12,000, but that now he has learned they are collateral for Jane ROGERS' loan as well. (Jane ROGERS is mother of Robert ROGERS, and is identical with the person mentioned in (e), above.) The writer feels that action should be taken immediately since

q) Letter, dated 2 February, from David HALPERIN, concerns his college studies.

r) Letter, dated 6 February, from Nat FRISCH, wife of Milton FRISCH, Edith HALPERIN's brother, in Marblehead, Massachusetts, concerns family matters.

s) Letter, dated 10 February, from Oscar LEWIS, at the University of Illinois, Urbana, Illinois, asks about some Spanish translations HALP HIN was to do for LEWIS.

t) Letter, dated 12 February, from Hillel GAMORAN, Morristown, New Jersey, mentions that the Board of Trustees had reversed itself and offered the same contract which the writer had requested in December, and that the writer had accepted the contract.

u) Postcard, dated 20 March, from Judith Halperin GAMORAN, which concerns family matters.

v) Letter, dated 15 March, from Nat FRISCH (Mrs. Milton M. FRISCH), 17 Columbia Road, Marblehead, Massachusetts, which concerns family matters.

w) Letter, dated 27 March, from Emanuel GAMORAN, 229 West 78th Street, New York 24, New York, indicates that the business matter mentioned in (a) and (c), above, has still not been settled.

x) Letters, dated 6 and 12 April, from David HALP HIN, concern his studies for the most part. The earlier letter mentions that he enjoyed his one-week stay in Mexico (in late March); the later letter mentions that David is to run as a candidate of the Student Representative Party for a position in student

y) Letter, dated 21 April, from Ted HALPERIN, 22 Kohler Avenue, Milton, Massachusetts, forwards some family snapshots.

z) Letters, dated 24 and 27 May, from Oscar LEWIS (see (a) above), concern translations LEWIS has asked HALPERIN to do. In the earlier letter LEWIS mentions that he was planning to go to Mexico in early June 1958 to complete interviews with a number of lower class subjects in order to round off his research study.

aa) Letter, postmarked (20?) May, from Rabbi Hillel GAMORAN, concerns a trip which he and his family plan to make to Mexico from which the writer says he must return by 3 August.

bb) Letter, dated 25 May, from Judith Halperin GAMORAN, concerns mostly family matters. The writer mentions a trip she and her family plan to make to Chicago in late June.

cc) Letter, dated 26 May, from Ted HALPERIN, mentions that the writer is happy that Subject's immigration documents came through. The writer also recommends that the Subject read Purely Academic, a satire on U. S. university life written by Springfellow BARR.

dd) Letter, undated, from David HALPERIN, indicates that his school term is over and that while he is in summer school he will be living at 5117 South Xiebar, Apt. 2, Chicago, Illinois.

ee) Letter, postmarked 12 June, from Ethel HALPERIN, wife of Ted HALPERIN, 22 Kohler Avenue, Milton, Massachusetts, concerns family matters and forwards some snapshots.

SUBJECT: Charles Nelson SMOLIKOFF

18 June 1958

Charles Nelson SMOLIKOFF and wife, Bertha Nehan SMOLIKOFF reside at Calle Mariscal 98, San Angel Inn, Mexico, D.F., with their two sons, Abbott and Dennis.

Among their contacts during the period 13-19 June 1958 were the following:

FIELDS (fnu - but probably Nieves, current wife of Frederick Vanderbilt FIELDS).

(Inu), Martha, a relative who has been staying at the SMOLIKOFF home but currently has her own apartment in town while going to school. Contacted Bertha SMOLIKOFF about seeing the dressmaker and checking on her mail. Charles SMOLIKOFF was to bring a letter to his shop for her to pick up.

BUTLER, Mrs. (probably Jean) - on phone 16-04-85.

LICHINGER, Dr. (ph) (probably Dr. Kuba LICHINGER) - Bertha had an appointment with Dr. LICHINGER (ph) for 1415 hours, 19 June 1958.

NORMAN, Mrs. "Millie" (Mrs. Ralph) - tel: 11-19-63. Mrs. Smolikoff referred maid "Julia" to her on 14 June. On 17 June Millie discussed a contract made by "Ralph NORMAN" with KBC which he had arranged by himself with the "Association". Ralph was coming in to town on Sunday, 20 June.

MALTZ, Albert, Margaret and Kathy - Bertha SMOLIKOFF has been teaching Kathy MALTZ. Margaret MALTZ and Bertha attend the same classes together with Erica (Inu). The SMOLIKOFFs and MALTZs also meet socially.

IRENICKY, Dr. David - Bertha SMOLIKOFF made an appointment for her son with Dr. IRENICKY for 20 June 1958 at 1700 hours. During time making the appointment she promises to get in touch during the following week with Braine IRENICKY.

Dr. IRENICKY inquired if he would see the SMOLIKOFFs at the MALTZ residence on Saturday, 21 June 1958. Bertha said that they had been at MALTZ' frequently recently but had no plans to be there on the 21st.

On 17 June 1958 Braine IRENICKY attempted, unsuccessfully, to contact Bertha SMOLIKOFF.

LEINER, Samuel, 94 South Hibiscus, Hibiscus Island, Miami Beach, Florida. Bertha sent a cable to LEINER on 17 June 1958 which read as follows: "Come, Come, Come. Bert and Charles." He was scheduled to arrive in Mexico on 18 June 1958.

X HUNGER, Helen - temporarily at Gran Hotel Texas, Rm 36. Contacted Bertha SMOLIKOFF on 17 and 19 June 1958. Remarked that she had encountered Martha (Inu) at the Geneva Hotel. Was invited by Bertha to visit the SMOLIKOFFs even though they would be unable to have her stay at their house. Discussed house under construction at "the lake".

X HALPERIN, Maurice - was contacted by Charles SMOLIKOFF on 18 June 1958 about getting together to practice music that afternoon. Charles SMOLIKOFF mentioned that he would be bringing "Howard" with him to HALPERINs.

Jerry (Inu) - Has a son named "Howard" who wants to enlist in the U.S. Navy. Called Bertha SMOLIKOFF to inquire for the address of Harry NEIHAM in the U.S. so that he could get a copy of his divorce papers which were necessary to show that he could sign the documents for Howard to join the Navy. Howard would go to Brownsville, Texas to enlist. NEIHAM's address was given as 1406 Biscayne Bldg., 19 W. Flagler St., (Miami, Florida).

Charles and Bertha SMOLIKOFF are both attending school in Mexico.

SUBJECT: GENERAL - American Communists in Mexico

SPECIFIC - Easing of Documentation Situation

1. As a result of the recent U.S. Supreme Court decision in the KENT and BRIEHL cases it may be expected that members of the large American Communist group in Mexico will file applications for U.S. passports. Applicants or prospective applicants already reported on are:

a. Maurice HALPERIN (201-128561) has already consulted with Leonard B. BOUDIN of the New York law firm RABINOWITZ & BOUDIN, who has suggested that he apply immediately for his and his wife's passports at the U.S. Embassy in Mexico City. BOUDIN advises that in the event he is questioned about political associations and beliefs, he should merely indicate, and only orally, that such questions are now disposed of by the Supreme Court decision. BOUDIN appears confident that, once application is filed abroad, he can handle any complications in Washington, but he does not anticipate any need for his intervention. Source LIBRIGHT/LINDUD; copy and film of source document attached. ODACID and OSSEVI informed.

b. LIBRIGHT/LINDUD has also reported that as of 9 June George Hugh Murray Maitland HARDYMAN (201- ) had abandoned the idea of a trip to the U.S. in July because he has no U.S. passport and feared that he might lose his Mexican papers at the border; he was therefore watching for the outcome of the KENT and BRIEHL cases.

c. Hope FOYE (Mary Frances Hope WOOLLEY (201-55386) obtained her passport on 18 June. (LIFEAT/MALTZ reel 161).

d. Ann Sprarer SEBORER, wife of Roak SEBORER (201-66549), has applied for her passport. (LIFEAT/SEBORER Reel 39, 19 June 1958).

e. Maria WICHER, wife of Enos WICHER (201-62173), received her passport in May before the Supreme Court KENT-BRIEHL decision. (HQA-A-10441).

f. Albert MALIZ (201-5239) feels he would now be able to go to England if his producer decides on a London opening for his new play on Victor Hugo (LIBRIGHT/LINDUD).

2. It is noted also that a number of American Communists who fled to Mexico in the early fifties have recently been achieving the status of Mexican permanent residents ("emigrantes"). Prominent cases noted in the past two months are those of Maurice HALPERIN and George PEPPER.

3. It is to be expected that, thus provided with legal means of livelihood and movement, American Communists in Mexico will feel more secure and free to act according to their convictions. HALPERIN has, for example, recently been noticed for the first time making contact with the Mexican Narciso BASSOLS (201- ), a known Soviet agent. (LIFEAT/BASSOLS, 22 May & 16 June 1958.)

RE: ASST: 201-77802, dated 7 April 1958

201-77802

1. Following is information on two of the individuals mentioned in reference. Headquarters files contain no information on Fred A. Galsky (or Fred G. G. G.), nor do they contain any pertinent information, except that available in station files, on Sven and Liliane W. G. G., Carmen O. G. G. G., or Gil E. G. G. G. Upon receipt of K 11-466, dated 29 March 1958, headquarters files were checked for information on Gloria HARRIS Campuzano, Josefine VIGOR do VIGOR, Carmen O. HARRIS y Endi, David G. A. S. Nicolini, and Hector E. MARTINEZ, as well as Fred G. G. G. The results were negative, as reported to you in FIE 05161.

## a. Emilio ROSENSTEIN Stein

- (1) In a list furnished by G. G. G. in September 1954, "Emilio Rosenstein, Mexico order Central de Exportación, Importación y Exportación, Warsaw (agents commission 1952)" was included as having been the recipient of 1000 rubles from the Narodowy Bank Polski, Warsaw, in July 1954.
- (2) Emilio ROSENSTEIN, born 5 January 1912 in Lwow (subject's date and place of birth) was included on a list (C-3) furnished in 1953 by an entire politician in Paris with excellent contacts in and outside the (Polish regime) of people who were believed to be working with the Polish UB in France.
- (3) The following was received from G. G. G. in a memorandum dated 16 January 1947:

Mr. Ul. Mikhailovich K. K. K., who was employed in the office of a Commercial Attache at the Soviet Embassy in Mexico City and who later defected, stated that near the end of October 1946 an order from Moscow was received at the Embassy directing that he and his family return to the Soviet Union.

He said that Embassy officials did not desire that he return by way of the United States for fear he would disappear. Arrangements were therefore made for him and his family to leave on the Comrade, a Soviet ship then docked at Veracruz. To forestall his departure on the Soviet ship, ALKLEY went to Dr. Emilio ROSENSTEIN Sten, his family doctor, and confided to him that he did not wish to leave from Veracruz. He said that he realized ROSENSTEIN had been actively pro-Soviet, but felt that the man was no longer interested in politics and that it would be safe to confide in him. He did not mention his real intention of fleeing to the United States. To help, ROSENSTEIN told the Soviet Embassy that ALKLEY's daughter had had tonsils and was too ill to make the trip to the Soviet Union at that time. ALKLEY said that ROSENSTEIN somehow managed to get the concurrence of Dr. ADAM (a physician who treated Soviet Embassy employees).

b. Personal History

- (1) The following information is taken from the latest COMINT report, dated 16 March 1955, on subject:

Residence

As of the first week in March 1955, Samuel May BROOKS continued to live at Avenida Cosmopolitana #19, Apartment 2, Mexico, D. F., with their two children, Jennifer and David.

Employment

It has previously been reported that BROOKS was associated with George LIVINGSTON in the company operating under the name "Artexanos, S. A., Calle Riva #38, Mexico, D. F., exporting mosaic tables manufactured at this address. LIVINGSTON left Mexico City on 20 August 1955, and at the time of his departure it had been arranged that he would handle the sale of mosaic tables in the United States while BROOKS would take care of the manufacture of the tables in Mexico City. Another source reported in November 1955 that BROOKS was furious with LIVINGSTON because the latter had not communicated with him since leaving Mexico City. BROOKS had arranged with LIVINGSTON for the latter to set up a showroom and office in New York City to handle the sale of the tables, which BROOKS had shipped to the United States and which he valued at \$15,000 U.S. BROOKS had stopped production of the tables and was laying off his 25 Mexican employees. In February 1956 he still had not heard from LIVINGSTON, and had recently said he was bringing suit against LIVINGSTON for \$15,000 damages. BROOKS had made several attempts to telephone LIVINGSTON, but the latter refused all calls from Mexico City.

SECRET

CONFIDENTIAL  
U.S. EYES ONLY

REF ID: A6677

It has also been reported previously that BROOKS and LIVINGSTON were involved with Maximax, S. A., in a project to establish a distributing center in New York City for office equipment manufactured in Eastern Germany which would be imported into Mexico by Maximax and transhipped to the United States for sale. Several conferences took place in the early part of August 1955 attended by EVES, LIVINGSTON, and the two owners of Maximax, S. A., Robert Francis ALLEN and Alejandro GARCIA Val. As a result of these conferences, LIVINGSTON agreed to investigate the possibilities in New York City and to lay the groundwork there for the establishment of the distributing center. GARCIA Val made a trip to Thuringen, East Germany, 1 September 1955 to 15 November 1955 to see the manufacturers of the office equipment which Maximax intended to import for transshipment to the United States. The manufacturer's name was given as "Zheimmetall, Electrische-Maschinenwerke, J. W. Stalin, Thuringen." BROOKS indicated after GARCIA Val's return that GARCIA Val had arranged for the distribution of the products of that company for the Western Hemisphere. Reportedly the only thing LIVINGSTON had done since his return to the United States was to send catalogs and price lists from International Business Machines and the Burroughs-Adding Machine Co. to Maximax. He had not communicated with BROOKS, ALLEN, or GARCIA Val concerning the other matters which he was supposed to have taken care of in New York.

In February 1956 BROOKS, ALLEN, and GARCIA Val were still interested in trying to establish the distributing center in New York. In March 1956 BROOKS was interested in a project to manufacture good furniture for export to the United States. He continued as sole owner of Artesanos, S. A., and hoped to use the machinery and facilities of that company to manufacture this furniture.

BROOKS and his wife continue to retain their American citizenship.

#### Activities

In early December 1955 BROOKS rented a house in Cuernavaca, Morelos (Calle Sabines #25), for a month. During the month he went to Mexico City several times each week to handle business affairs. He and his wife returned to Mexico City on 6 January 1956.

(2) The following is taken from an ONI report dated 2 April 1952:

In a list of names kept by the Vegas Travel Service in New York as of 7 February 1952, Mr. and Mrs. Sam Brown, 37 Bank Street, New York, N. Y., are included. Jack DUBOZ, one of the partners in the Vegas Travel Service, was in contact with Leon ~~WINTER~~, Polish Agent, in Mexico City in 1952 (see DUBOZ-2290, dated 19 May 1952).

2. Of possible interest are the details (reported on 14 May 1953 by a usually reliable source) concerning a transaction believed to have been arranged by Libuso Jeorfordt NY TR M.

Flaeschman and Bird Overseas Corp., 22 West 48th Street, New York, sold to VERBA, A. O., Lousistrasse 12, Zurich, 750 tons of electrolytic copper cathodes in 1951. This copper was exported on the basis of an end-use certificate provided by Establecimientos Ray, Madrid. This document declared non re-export and was signed by an official of the Consejo Ordenador de Minerales Especiales de Interes Militar (COMIM). The official reportedly was paid \$20,000. An intermediary in the deal was Trading and Shipping Inc., 17 Wall Street, New York, which is a representative of SV-USA Metal Works. VERBA, A. O., sold this copper for \$1,014,600 to Josef UROZ, who resold it to VERBIA VERB, A. B. (Libero Crawford's firm), Stockholm, for \$1,090,600. This firm in turn delivered the metal to KUALINK-1, Prague. Of this consignment 600 tons were shipped aboard the SS SON ELSDALE on 16 August 1951, and 300 tons were shipped from Tampico, Mexico, to Antwerp on the SS ANITCA by LAT. PANAMA, of Panama.

Dear Maurice & Edith,

Mar 2,

Received Maurice's erudite letter yesterday! are delighted with all the news. We did hope, however, that Judith & family were ~~going~~ coming to White Plains to live. Wonderful about David's scholarships!

We showed our Mexican color slides last night & today's events and am ready to go back. They're beautiful!

In fact Bill's partner's mother-in-law - a very nice blond lady (about 50) is visiting Mexico City in 2

Thursday night

Dear Mother and Dad-

Busy busy busy so this will be a short one--.

Thanks for your letters. Check received also this morning. Will deposit tomorrow. Things are winding up here, which means they are more hectic than ever. As for getting out on the 21st or 22nd- I don't know yet. The exam is scheduled for 1.30 which means I couldn't make it until Sat., but the prof is undecided as to changing the exam to 9.A.M. or giving two, one in the morning and one in the afternoon, since there are many students who are anxious to get away that day. On the other hand there are students who are concerned about those last three hours of study- so what can you do. If I don't know for sure by Monday I'll make reservations on both CMA and AA, round trip. I want to leave Mexico Sunday afternoon, March 30th I think the date is, anyway that Sunday. It must be cheaper to go round trip. Tomorrow I'll get the details from the tourist agency here on campus.

Nothing new that can't wait. Well, I'll be seeing you soon now- only a little more than two weeks and many exams away.

Time is flying.

*Love,  
David*

Many Happy Returns!

0.5 In. Albert (MALTZ, his v.) with Maurice, who answers. A. identifies himself as Albert and asks if Maurice would like a little more tobacco. MH: I certainly would, do you have some more? A: Yes, I have some to spare. MH: That's wonderful, that's wonderful. Well, maybe..I'll tell you what, I think, ..Are you going to be home this morning? Yeah. Are you going to be home tomorrow morning? A: Yeah. MH: Well, I'll tell you what, either one of these morning's I'll drop by and pick it up. Thanks an awful lot. A: Right-O. MH: Bye. Bye.

1.0 In. MO with Edith Halperin (v) who answers. MO quotes another number. EH. No, 75 not 85. MO has made a mistake.

1.0 In. MO asks Lupe (v) who answers if Maurice is in. No. When will he be in? About 1730. Thanks.

1.0 In. No answer.

#### After 1010

1.0 In. MO with Lupe (v) who answers. MO asks for Sra. Halperin. L: Who is calling. MO: Is Sra. Halperin in? Yes, one moment.

Edith takes phone. MO: How are you Edith. EH finally recognizes her voice - "Oh, Jane?" Yeah. EH: I couldn't figure out who it was. We've been expecting your call. How do you feel? Jane: All right. Yes, the trip was all right. Very nice, very nice. The weather was all right except for the first week. It was dreadful. EH says she doesn't know what we had here. J: I know, I know. But it is just gorgeous. It's quite a place.

EH asks how is Ashe (like Ashe very very ph). Fine, fine.

J: I found a letter here from Bob and if she had found it before she left they would have stayed on. EH: Just a minute; he's here. J: Oh, is he there? Yeah. Just a minute.

Bob (Robert ROGERS V) takes phone. Greet each other. She says she has just received his letter that he wrote on the 16th. Yes, he wrote the day he got her letter. J: Anyway, I see how busy you are by the letter. Bob: "When HELLER (ph) the man who called Bob in 2.5, Real H-6, Apparently this is Jane's husband?) called, I told him I didn't want you to come back here. The Halperin's told me that you were coming back just to see me and I didn't want you to do that and then just go back to the country." J: Oh, no, no, no; we're not doing that. We would have stayed a little longer maybe, but that doesn't matter; maybe we'll go back there a little later when we go back. Bob: Then Heller said you were definitely coming back to the city to stay for quite awhile. J: That's right. And at most it wasn't coming back a day earlier, that's all. So I told him, as I am sure he told you that my business matters had turned out to be developing quickly and I was going to go back today; but he said no that you were coming in to stay awhile. Yes, I see.

So Bob is still here for that reason. J: Well, that's nice. You sound so much like Neil. Bob: Well, he's here with me. Neil, Neil, whose here with you? Bob: I don't know. Whoever you said. J: Oh, your voice, you sound so...Bob: Well, that's because I have all that money now. J: laughs big. Bob said that since Heller said she (they) were coming and he heard she liked Ballet, he arranged tickets for all of them and they will go tomorrow to dinner; and then later to the theater to see the Ballet and then they could all go to the airport with him. He's leaving tomorrow night (Friday). J: That's nice.

J: Edith was expecting us to supper tonight. Bob doesn't know about that. He has to go out to his last business engagement at 1900 and won't get back until about 2100. J: Well, that changes things and if Edith wants to talk to me, (S. Bob: And I thought that I would come over to see you on my way down town. J: What time would that be? He will come to her house, Morris Street, 405, about 1700. That will be fine. Bob will check with Edith about tonight. Just a minute.

Edith takes phone. Since Bob will not be here tonight, perhaps it is best they get together tomorrow. That will be fine. Edith doesn't know where they will go to eat tomorrow; Bob will pick the place. J: Do you know the Danubio Restaurant? They say it is just marvelous. Such fish there never was. Fine they will see each other tomorrow. Bye.

4.5 In. MO with Lupo (v) who answers. Is this the office of Dr. Espino. Ec. Sorry.

4.5 In. MO with Maurice Halperin (v) who answers. MH quotes his phone number. MO says he has made a mistake.

After 1700

5.0 In. Edith with Maurice. Are you home? You didn't go down town? No, I didn't go down town. What are you doing? MH: I was just going to practice the fiddle. Oh, you're going to practice the fiddle then I surely won't come home. Well, there's no rush. There's nothing to do. Bob will be home around 2030. EH: No, well, no nothing, huh. Well, I'll be home long before then. I'm at Calia's. Nothing new. MH: No. Bye.

5.5 Out to 21-36-45. MH (v) with MO who answers. He wonders if the Licenciado is there. No, he isn't, Sr. He is at his home. He will call him there then. Yes, he has his residence number.

5.7 Out to 23-04-47, twice. Busy and complete. MH (v) asks child outside who answers for Licenciado Solarzano. Who is calling? Sr. Halperin.

Lic. S. takes phone. He is sick. Has a fever. MH says he talked to the office, but that though they told him he was at home, they did not say why. MH is very sorry. MH has been talking to "your friend. There is a possibility of handling his shares. The Senor, the son of the mother, suggested a possibility that the shares could be placed in escrow, in the hands of another person. Does this exist in Mexico?...in guarantee. A small contract is made up, like a Fidecomiso. In case of not fulfilling (obligations), the shares can be lost." There is no such system in Mexico. They can make a guarantee with the shares. The creditor keeps the shares. This comes out the same. This has to be registered in Public Commerce Records (when shares are left as a guarantee). MH is only interested in knowing whether this can be done. If this deal goes through, MH will have S. handle the matter.

Another WO takes the phone. Yes, she has it. EH: Please put it in a drawer, Maur says. WO: I shall guard it very carefully for you. EH: Don't forget, Maur says. WO: I won't. Bye. What did Mollie do yesterday? Well, Harry RATNER came back and he came over. He is fine. They went to Calin's later in the evening. HR told Mollie that he met A.A. (ph) on the plane; or somewhere. EH says they are going to see A.A. today. But A.A. came in yesterday afternoon from Acapulco. EH says they didn't come from Acapulco. 0.5 In. Edith Halperin (v) asks Lupe if the Sr. is in. No. Thanks.

0.5 Out to 20-83-76. Robert Rogers (v) asks WO who answers for Sr. Mansur. WO speaks to him in Spanish. He does not understand and Maurice Halperin takes phone and tells her that Sr. ROGERS wants Sr. Mansur. One moment, please.

Sr. Mansur takes phone. Rogers is on the phone. RR: As you suggested, I have been thinking about our little problem. Yeah! RR: And I find that CAMERON (ph), and I knew this yesterday, to some extent; but I wanted to spare you this information until I had further chance to think, really needs his money. He is so eager for it that he is willing to discount his notes in order to get some cash; and that's one of the great pressures we get here. And after talking to you and getting to know you again, I came to the conclusion that the only possible way to give you the time you obviously need and I would like to see you get is for me to take over CAMERON's paper; see, because I am in a position to be patient, and apparently he is not. So I would consider doing this; not that I consider it to be a very valuable investment, do you understand, because it is a small amount and doesn't actually fit into what I want to do but to some extent it would protect my mother's interest and also be helpful to you. I am giving you a better time table; so I am willing to do this and accommodate you by expending these notes - a year from when they were due or until 1 November anyway. But I'm not willing to do it unless you will put this stock into trust.

I have made some inquiries into this without mentioning any names and I find that this can be handled by a bank, one of your own choosing; and it is not a transaction of record. There need be no publication of the .. of where the stock is; it is only a question of putting it in a neutral safe deposit vault. And if you will make your own inquiries I am sure you will verify what I am talking about.

M: Well, look Mr. Rogers, I am going to think about this matter, before I decide on this matter; and I will let Mr. Halperin know.

RR: Well, let me give you the full explanation of what I think can be done. If you do improve this collateral in this way then I will be out Cameron; and then I will extend all of the notes to become due 1 November. I will also provide that at any time you pay off \$8,000 of the principal then you can withdraw the stock. In other words I obviously don't insist that the stock remain in trust if you have reduced the principal; and I would certainly agree to a contract in which there would be no penalty for advance payment of the principal. M: I will consider that. RR: That would be my offer and it seems to me that would give you what time you need. And I have to leave Mexico this evening and I would be grateful if you would confer with Halperin rapidly, due to the fact that I will be in New York on Monday talking with CAMERON (ph). M: All right I will think it over and talk to Mr. Halperin. RR: All right? I am sorry to leave on a cheerless note but I thought perhaps this would give you what you need. M: All right. RR: All right? M: All right.

2. A highly sensitive source of known reliability who was in contact with Maurice HALPERIN during August and September 1957 furnished the following information concerning the contacts of Maurice HALPERIN:

a. Ralph SCOTT - Butler chauffeur of Alfred K. STERN maintained at least one weekly contact with HALPERIN concerning the STERN house in Cuernavaca and regarding letters Ralph SCOTT had received from Alfred K. STERN.

b. Kurt and Celis GOSWAMI - The HALPERINS continued to maintain a fairly close social relationship with the GOSWAMIS having both invited the other to dinner on occasions.

c. Bertha and Charles ALL (SOLIMOFF) - A fairly close social contact.

e. Albert and Frances ALTZ - The HALPERINS maintained a fairly close social association with the ALTZs. HALPERIN also maintained a business relationship with Albert ALTZ.

f. Woodrow Wilson BORAN - Former OSS and State Department employee, long-time associate of HALPERIN, visited HALPERIN in August and September 1957. BORAN lived at the HALPERIN household during periods that David HALPERIN was not in Mexico. BORAN, while at the HALPERINS, maintained contact with Simon Eduardo BELL, Herbert COX (CODE), Elton GOSWAMI, and his wife, Virginia, and (fmr) SEVILLER who is not believed to be identical to the SEVILLERs.

appearing in the telephone directory of Mexico City. BORAN's trip to Mexico was presumably a business one inasmuch as his expenses were paid by the university by which he is employed. Source related that BORAN had contact with someone described as being at the University of Illinois. (Possibly identical to Oscar LEWIS of the University of Illinois who was in Mexico at the time and who was in contact with Susan DRUCKER).

g. Leon ANSNER - HALPERIN continued his association with ANSNER ostensibly in the business interests of both himself and Alfred K. STERN. 201-123544

h. Maria and Enos WICKER - The HALPERINS continued their social association with the WICKERS, with Enos and Maurice playing chess occasionally. 201-42173

i. Samuel John and Hollie NOVICK - The HALPERINS continued to maintain a close social relationship with the NOVICKS. Edith HALPERIN is especially close to Hollie NOVICK and to Marie WICKER, above. Maurice HALPERIN continued his business association with Samuel NOVICK on behalf of the STERN interest. 201-225693

j. Max and Helen SHLAFROCK - The HALPERINS continued their social association with the SHLAFROCKS and also continued to purchase eggs and chickens from the SHLAFROCKS. 201-128561

l. Carl J. POTTER - Maurice HALPERIN maintained fairly frequent contact with this attorney who is attempting to obtain HALPERIN's papers for permanent residence in Mexico. 201-217406

m. Adelle SAHNS - Miss SAHNS was described to Source as the girl friend of David HALPERIN from Chicago. She spent several weeks in Mexico City visiting David and other friends there such as the NOVICKS. 201-201

n. Robert BERGMAN - Maintained fairly friendly contact with David HALPERIN while both were in Mexico. Robert BERGMAN was described as a fellow student of David HALPERIN at the University of Chicago. 201-14086

o. Berta Arenal Escobar - HALPERIN maintained an ostensible business association with Arenal and with Salvadora OCAPO regarding the ice cream business in which they were all mutually engaged. 201-235413

p. E. R. JONES - Possibly identical to Martin Robert JONES, former OSS and Department of State employee. David HALPERIN, upon being 201-128561

admitted to the University of Chicago Medical School, wrote four letters to individuals who had recommended him to medical school. These were a Sam (LNU), a (fnu) HENRY, a Teddy (LNU), and a (fnu) BENDENHILL (possibility of being two names, Drew BENDHILL). The fifth letter was to H.R. ROBERTS, Hotel Harrington, Washington 4, D.C.

✓ g. Muriel REEF - The HALPERINS, particularly Edith, maintained an association with Muriel REEF.

✓ h. Dr. Henry David PERESAY - The HALPERINS continued to use the services of PERESAY as their dentist. PERESAY advised Edith HALPERIN, after Edith had been fired by the American School, to write articles such as "My Johnny Can't Read", etc., as they have a current market value. PERESAY suggested that he introduce the HALPERINS to Jeanette PEPPIER for this purpose. The HALPERINS felt that that was not necessary inasmuch as they knew Jeanette very well.

✓ i. Bart and Edna VAN DER SCHELLING - The HALPERINS maintained social relationship with the VAN DER SCHELLINGS.

✓ j. Jose Domingo LAVIN - HALPERIN maintained contact with LAVIN regarding possible influence in aiding HALPERIN in securing residency papers and in business pursuits.

✓ k. Mrs. (fnu) PERGAMENT - Possibly identical to Mrs. Marcus PERGAMENT, whom Martin Robert MARKS listed on his OSS FNS as a cousin. A Mrs. PERGAMENT contacted the HALPERINS while in Mexico City for a short visit.

✓ l. Nororo HANZI - Maintained a social contact with David HALPERIN. HANZI advised Maurice HALPERIN that Virgilio (SANTO) was in Europe and had become well established.

✓ m. Edith HALPERIN - wife of Maurice Halperin - Edith HALPERIN was extremely upset and nervous following her being discharged from the American School. She found it difficult to sleep and in three days had lost six pounds. She again became upset and highly nervous when Maurice HALPERIN lost his position with "National Financiers". Mrs. HALPERIN also evidenced unrest during the period in which articles appeared in Life, Herald Tribune, Newweek, and the local Mexican press. Maurice HALPERIN, through his contacts with Carmen OTTROY, Gama and Albert KALTZ, maintained the outward appearance of assurance of receiving his papers and remaining in Mexico.

David on the line now. MH says, "David, we're in good shape, I want you to understand that. And how is everybody in Boston? Fine. MH asks when David is leaving. (David and others can scarcely be heard by Monitor.) He is leaving Saturday or Sunday. Well take care. Well, Write. Yes, David is up-to-date as of now. Well, Bye David; by Judy.

0.5 In. WO with Maur. They chatted together and then MH betrayed that he did not recognize her when he told her he had heard that they had all been sick and he had thought of walking down to the place of business to find out how they were. Then WO says, "Do you know to whom you are talking. Then he says, "Oh, Muriel, Muriel, Muriel, I thought you were Burt, she says). Well your voices are exactly alike. M. says no, she has a southern accent. MH says no it is pure Brooklyn, it's no southern accent. M. says don't be silly, I'm the one that comes from Brooklyn. She (Burt) comes from Miami. MH says, "Oh, no, she lived there for a couple of years." M: "You're mistaken. She was born there." MH: Oh, really? Yes. Charley is the one from Brooklyn (Must be Burt's husband they mean).. They discuss further discuss that they (their voices) sounded alike.

M. just spoke to Burt today. She said that she is going to get out of bed. But that Charley, though he doesn't have fever now, is going to stay in bed. MH says that the kids also had it. M: Yeah, the kids were the ones that started it. They think it is just the flu. They think it is the weather. MH asks M. if she has ever experienced such weather here before. No, they never have. MH says that people who have been here twenty-five (25) years tell him the same thing. Day before yesterday, M. says, was the worst she had ever seen. It was frightful. M. says she can remember back that they had a couple of cold winters but nothing like this - when they didn't see sun for 10 days. She continues to say, that "I guess we can't complain too much, Leslie writes from California that they all have the Flu there. It has been lovely since she got there but that everyone has the Flu there. Also that it is terribly cold in N.Y.C. And in Chicago, MH says, but she bothers about cold weather there, or cares for they have heat there. When you go out doors you bundle up and when you come in it's warm.

M. says she remembers 10 years ago, when she made one trip to the States she had to go to see a doctor and it was so cold that she was in the subway station and actually cried with the terrible cold on face, hands and legs. He says yes, of course it's cold there outside as he pointed out; but he never remembers sitting at a typewriter with knuckles and most of the hands blue with cold, etc. M. says then of course here she (they) are fortunate here...MH interrupts to say, yes, but you are one of the fortunate ones and (probably we also) us; but remember that thousands have no heat. MH says yes when it's not too cold, they can keep the chill off and she adds to be sure when it's really cold we feel it. They think it won't last too much longer.

M. says her family are all well and they are getting ready to take trips. MH: Oh, yeah that's right. I'd better call Zieg and find out about that place where he gets his tires retreaded. M. says he is in the office all day today. MH says it is no rush, he'll call Zieg later.

M. will go on to the Beauty Parlor. OK. He will tell Edith she called. Bye.

MO: I'm at the factory (sounds like SAM's voice) (Probably Sam NOVICE). MO says on the way home he can drop by the Chapultepec if MI likes. MI says that would be nice. What time is it now? About 1230. MI wonders if it would be all right 1330. MO thinks it is a bit too late. He would rather say 1315, but he doesn't promise to be punctual because he doesn't have a car. MI asks (not understanding he said he didn't have a car) if it would be going out of his way too much to drop it by his house. MO says he would not mind but he doesn't have a car. MI: Oh, sure. MI will be there at same place at 1315. If not on inside he will be strolling around outside. OK. MO says "Do you remember when I meet you yesterday an incident which I wanted to talk to you about was... Well you remember we talked about reducing the interest? (indistinct). Getting these people to reduce it a bit. MH: "Yes, I remember, it was I who brought it up." MO says "Well since he's coming here and you will be here Monday and you are planning to write to your friend I thought maybe you could suggest it to him and try to get him to reduce it. You know how hard it is for me, I don't have to tell you, to be either way. You could suggest some improvement in the interest and it would be a great help to me. MH says he can of course. But now he doesn't think the psychology of it... that is, you know what I mean, if the matter could have been settled a great deal more satisfactorily in their terms, with more collateral and that sort of things, from a commercial point of view; then I would think it would be easy to say, "Look now you've got the thing more secure now and it is not such a risk, etc; then I think it would have been more effective. MO says he could still say that now since they are going to start something, etc. MH: "Yes, I could of course say something from that point of view and that MH would like them to help a bit by doing this, etc. MH says he can do this but he has to consider the psychological approach to this and doesn't know how far he can get today. MH thinks that a way to approach them might be after the first check is cashed, etc; but MO says why not ask them today, right now. MH says he could say "That Mansur has made this great effort and it is a sort of difficult situation and that we are all trying to help each other as much as we can;" and he'll be glad to do this. Mansur will appreciate it and MH says yes he will be glad to do this, to help as much as he can. Mansur says it is quite a load. MH agrees.

He a movie that he (Mansur) went to see. (One suggested by MH probably). Mansur thought it very wonderful. Mansur says it was wonderful how it showed how people are being pushed around. OK, MH will do the best he can and will talk to him. Right-O. Bye.

EH says they have a couple of bricks, but it sure is cold. How is Lammie? Oh, he's cold too; and there's a lot of flu around and she is afraid they may get it.

B. says that Allen sent the slip of paper that they gave him with the name of person he was to send it (brochure, EH says) to his mother. No he didn't send the brochure but the name and address of the person to whom he was to send the brochure to. EH will ask Albert for the name again. Just a moment.

0.5 In. MO with MH (v) who answers. MO called yesterday but nobody answered. Yes, they went out. MO says the rest of the city yesterday and went to the new Dental Clinic, which is supposed to be open in March. MH says then it will be open in a year or so from now. The furniture wasn't unpacked in many of the rooms. He says that one interesting thing was that part of the furniture was bought from America (U.S.) and the other from Germany. MO says there are 40 chairs for each Clinic. They saw two of them (HMA...)

MO asks if his guests arrived last night from Washington? Yes, they went out to meet them.

MO asks for Edith. She is still in bed. MO wanted to talk to her; but will talk to Maur.

MO takes phone. They are leaving tomorrow for Puebla and wanted to leave her heavy coat and hat at their house. Of course. MH can't meet them tonight and have dinner with them. He is all tied up. MH and they went to the Patio but MO and MO went last night to the Rivala (ph) and was that swanky, but good, delightful. Wonderful violinist and delicious food and very quiet and delightful. MH is glad they are enjoying themselves.

MO says her friends left his camera and wired his mother-in-law to send it; but she called and said she couldn't. Some technicality. It is a very expensive camera, etc. No, MH doesn't have any type of camera. Yes, we have a camera but some other... MH says they will have to take the pictures then for him. Yes, that is what they will have to do. MH used to have a camera, it belonged to the Boston UNIVERSITY, and he left it with them. He rented one for one day, cost him \$2.50 and then it didn't work. That's too expensive.

She will bring her coat and hat late in the evening.

Bob takes the phone. Greet each other. MO: So you made it all right? Yeah. MO: Well, mother couldn't come this morning; you know, wasn't sure, and you know. Yeah. But we are coming in Thursday about two o'clock. Bob says he would rather they would not do that as he is planning to leave Friday. MO: Well, that's just it, we... Bob: But listen carefully to me. If I finish my business before Friday I will leave Thursday; and he doesn't like him and his (Bob's mother) making a special trip to MEXICO just to see him. But MO says they aren't making a special trip they are planning to come back to Mexico and stay there. Oh, you intend to stay on in the city. Under those circumstances he will wait for them; but he got an impression that they were coming in and returning immediately to the Country. No, no. OK. (MO or MI never mention MO's name. Only thing given as a clue is to the mention of JANE's name by Maurice Halperin.)

Bob asks if they are going to the ST. MARTIN Hotel. Yes, will you ask Maur or Edith to call up and reserve our room for us. Yes. How is Bob's family? Is Bob alone? Carrie did not come with him. He came alone. Bob asks how his mother is. She is all right. Fine. He will wait for them then. Bye.

1.5 Out to 20-84-28. MH identifies himself to Ralph who answers. Greet each other. MH is calling to wish, first of all, then a happy New Year. MO returns the wishes. MH says they need it and laughs. MH says, "You've been all right, have you? Yes. MH says he still has that bunch of keys somewhere here lying around; but supposes that it isn't urgent. No, but he should have them.

MH wants to know if Ralph has the address and telephone number of Lic. Garcia Telles. One moment please.

MO asks "How are things going with you?" Well, they're going all right, you know. Ralph says, yes, he's a very good man. MH "Yes, he's a very good man. I just looked around and noticed I didn't have his address. R. has his home address. They can give MH the other. R. has the telephone number but doesn't have the address. Home phone: 14-55-90. Office is 18-.... MH interrupts and says he has his office phone number and he'll get the address by calling. Thanks, Ralph, I hope you'll come by some day and tell me how you're doing, what's new and what's doing; and then you can pick up the keys. All right. MH tells Ralph to give him a ring in advance so that he'll be home. Happy New Year to the Malpica's again. All right.

2.5 In. Celia identifies herself to MH whom she calls Mauricio. How is Dude? He is all right. He had a good case of ptomaine poisoning. They ate at Las Mananitas (Guernavaca). They are not sure where he got it. She doesn't know when he'll be leaving now. (Much static on the line - impossible to hear what is said.)

Prof. returns to phone and says that they are there. Then MH will go by and pick them up. Thank you.

5.0 In. MO asks MH (v) who answers who is speaking. MH quotes phone number. MO says he has made a mistake.

5.2 Out to 20-66-83. Edith Child outside, who answers. EH says this is Mrs. Halperin, is your mother in. No. Is this Robert? Yes. Is your father there? No. "Are you expecting me today. No. He is expecting her on Thursday. She will come then.

6.0 In. MO identifies himself to Edith and greets her by saying he hopes they have a fine New Year. EH wants him to wait a second, she has to turn the water off.

EH returns to phone and asks when Allen Lewis got home. He tells her he got home about 10 minutes ago and Brook (ph) (Static is very bad on line; some conversation lost.) said that MH called. Yes, he wants to talk to AL about the University or something. He is asleep right now. She will have him call a little later if AL is going to be home. He will be home for several hours. How are the children and how is Brook. They are fine. Good, then MH will call AL.

6.2 Out to 48-40-19. MH (v) calls MO who answers, Allen. Asks how he is. He is fine. Exchange greetings. MH says he certainly needs a good year. AL says well it couldn't be worse than this last one could it? MH says "Who knows, he guesses it couldn't. AL says well he hopes that it proves to be at the worst no worse. MH says there is an expression in Portuguese "A Si Gasunk" (very ph). AL says well, that the way he feels about it too. The trouble is he is a little tired of fighting. He doesn't want to fight any more he wants things to come a little easier. MH says he feels the same way but the trouble is he tries to get over the feeling. AL says when you get old your reflexes don't work as well and one says "Well, why do I have to continue to keep up the hot pursuit."

MH asks if Allen is going to be coming into town in the very near future. AL doesn't have any particular plans except that he has to go into town Thursday but he has to see a couple of fellows that evening; but he could drop off perhaps an hour earlier if that would be all right. MH says he would like him to come by and have a little chat with him. Is it important Maurice? Well, it is something that he does want to talk to him about. AL says well in that case he'll make it a point to see MH. He was going down with a couple of people for rehearsal Thursday but he can have them go down by themselves. MH says if you could do that without too much trouble he would appreciate it. It is a long way for MH to go there (to AL's house). AL says it is a long way either way and he is trying to avoid more of it, but now that they are having rehearsals he'll probably have to go in every day. AL says then make it Thursday at about 1830. Then MH will serve AL a cup of tea. AL will appreciate that.

How about David. They chatted with David after they came back from Mansanilla. With both David and Judith. They were in Mansanilla, you know. He'll tell AL about that. It is a charming place. Yes David is on his way now to being a Dr. Judith is all right. Her husband is working and making the most of it.

C. is so glad they had this heater installed. He says she should be, as it has been such a bad winter.

C. is calling to ask if Edith has already left for town. Yes. C. wanted to tell her that she (8) has to go to the airport to pick KIRT up and won't be home so MI shouldn't stop by. MI says, "So what, it is right on the way and not to worry about that. Kirt is coming in at 1200 today. Fine. Extend MI's best to him and he hopes they will see him soon. He has promised L. some proposition. Then they could meet on Friday. MH asks then if he should call L. on Friday. Yes, if he will. He will do this.

MH asks what is the news from his mother-in-law in Buenos Aires. She is well now.

MH says they went to Manzanilla for a few days. It is on the west coast, about 300 miles north of Acapulco. It is a long ride, but it is a very very charming place. It took two days to drive it but they were glad to get away from Acapulco this year. L. tells MH that they went to Yucatan this year. Isn't that a fascinating place, though, asks MH. MH asks if they went swimming at the Playa in Progreso. No. They just saw the archeological ruins. They went to a place called Tisa Mujeres (ph). It is a beach. It is very nice there.

MH says this Manzanilla is... "You remember the harbor of Rio don't you?" Yeah. Well, this is comparable in grandeur and size and oh it is amazing and incidentally there are some very interesting new developments there. "He thinks that in 5 years it is going to be an important center. He says they have just finished a new road brand new, from Morelia on to Manzanilla. The one (story) last night was utterly scandalous, says MH; but today's is a more sober one. A. says, "It's a lot of money; it's a lot of money. MH says yes, but a fine thing. Yes, A. ran out last night to get the paper. MH says well again we have to attribute this to the supernatural. A. The supernatural and good hard work. They laugh. Did you notice Enrique... Yes, yes, I was sort of interest when I saw his name there. A. called him this morning but he wasn't in; but he is going to see him in the morning to see if one or two of his associates are friends.. (words fade too much - volume is too low to catch all the words.) MH: Yeah that's right. A. says he was pleased but he thought it rather a heavy financial obligation. MH says he thinks that will be met in terms of bonds, etc. It's a heavy fee, but any other way to handle it; it just isn't possible. But, says MH this is part of the white man's burden, you know. They laugh. A. says, "Well, you're feeling better today, uh. MH: "Oh, my friend. I felt better on Friday morning when I read the papers referring to this thing you just mentioned." A: "Yeah, the changed attitude." MH: Well, the change, 100 percent you know. As soon as the papers were opened, I knew that everything was going to turn out all right. A: Well the changed attitude was "something worth of apologetic." MH: Something more than that.

WO tells MH that De La Pena has been all day in the Traffic Dept. and will be until 2100 tonight. Perhaps he has already gotten them for MH and just hasn't had time to deliver them. He has to have them. He wants to leave town.

WO asks for all the information over again. Yes, he'll give it to her just as he did this morning, yesterday and last week. Gives his name; his old license plate number 13555 (Sure it is an P.D. number). Doesn't he have any other? No. How much did he pay. 150 p. for membership. 50 p. for exchange of plates.

Who is MH talking to this time. Srta. CONCHA.

They will let him know. (Sounds rather disgusted, MH.)

His phone number is 28-91-75.

WO starts in again to go over all the data required. (MH is thoroughly disgusted.). He begs her to attend to this. She will speak to Pena when he comes in. Thank you, Srta. CONCHA.

EH knows it is very very crowded as Lopez Mateos is there, so it is very very crowded. At 11:00 (this morning); and I left word there to call me here. I see. M: Well, maybe the next time you try him; if you don't reach him you might try to reach GRACE. K: Well, except I don't know how she's registered. M: "Oh, my God, (with a sort of snigger). And K. says, "I don't want to make any problems, up there." M: "Oh, Jesus, that's right." K: I was thinking that maybe MELBA should call up there and see if she can talk to MAX. M: Well and what good would that do? K: Well, except that SAM is right there...not that we're going to get a lot of information over the phone, anyhow. M: Well, I think she should. K: Well, I think so. She's perfectly entitled to call. M: Well couldn't you call up there and ask (if he can't reach SAM) ask for his wife - his Sra. Just put it that way, you know. The press has referred to her as his wife, you know. If he doesn't have a wife, OK... K: OK, I think I'm going to call in that way. M: You see, maybe we're all crazy, but I talked to some people... K: Well, once the thing has passed yesterday, I didn't think anything was going to happen until Monday; I mean on their part. If it is a question of papers or something like that, that's finished on Monday. But I'm going to give a ring and then I'll call you up. M: I'd like to know what's going on. Yeah. OK, KIRT, I'd like to know if possible. K. (Sort of laughs) and says, OK, I'll let you know as soon as I hear something. Right-O, Kirt. Bye.

MH says "It is a very strange thing, the worse things get for him, the better his standards of living are." MO laughs. MH laughs also and says now his smoking level is at the highest level it has ever been. Isn't that strange?

MH: You've heard the good news, I'm sure. Well, not directly. He says he knew it was eminent. MH: Well, everything is under control. And sometime today there'll be an occasion for a real 'sit-to' if everybody wants to make one. MO says, uh huh. Well, all's well that ends well, huh. MO: Yeah. And how about the prospects? 0.5 Out to 14-78-64. MH identifies himself to WO who answers and asks for the Sr. One moment.

Drucker (v), David takes phone. Greet each other, but not before Drucker asks who is calling. WO (new maid) told him it was Harold. MH identifies himself again and asks "how are you, Dave?"

MH asks what is new. Nothing very much, just waiting, same as you, I guess. MH says, "Well, maybe. I don't know whether I'm waiting any more; just forgetting to wait." They laugh.

MH asks if he called a couple of days ago. No. Then the girl got the name wrong. Yeah. Well it doesn't matter; nice to talk to Dave anyway. Dave asks if MH is home much of the time. Yes, he's home most of the time. Then David would like to see him one of these days. OK, how about giving a ring in advance just to make sure he's in. Sure. How's Edith; and how is it in Chicago. Oh, everything is fine. He (David) is over the hump and in now and he now has confidence in himself (to go on to be a Dr.).

DD wonders if Susie saw him. She was in Chicago a week ago. MH doesn't know as David hasn't been writing so much, which he says is a good sign that he is busy and not leaning on us so much. DD says that Susie is up in New York and they have had only one brief note from her in two weeks or so. That probably is a good sign too. Susie saw Ava and no doubt saw David.

Edith was here for the Holiday and seemed quite happy.

MH asks DD if he instructs his maid what to say when he is not home. Yes, why. Well last night he called and she gave him precise instructions as to how to find him. (David laughs). He got a blue print as how to find DD. DD: No, did you call last night? Yeah and got good instructions as to how to find you. (David sorta of laughs again and says, OK.). MH: I know she does it out of zeal, and sometimes... DD says it is rather surprising for she rarely knows where we are.. MH Well, she knew it last night; she knew it perfectly, and...and volunteered in a very wholesome way. DD says she might have thought you wanted to come down and get me or something. MH: Well, you take care of that, huh? DD I certainly will (and laughs a little). MH sends their best to Esther. OK. We'll get in touch then. Bye.

2.5 Out to 46-99-55. MH (v) asks NO who answers, for the Dept. of Sra. Heller (ph). One moment.

WO takes phone. Greet each other. She is better today. But was very sick yesterday. Yes, they plan to come today. At what time. About 1430; she can come a little earlier if they wish. No that is very good. How have they been. Fine MH says. She says they have been on her mind for sometime. MH: Oh, no, I played the fiddle most of yesterday. When Rome burns I play the fiddle. WO says that is perfect. (He laughs big.) Heller says he can play for her when she comes over. She heard him once before and it was wonderful. She will never forget that night. It was a trio; when he and David and Bob played. Chris at that time was about 6 or 7 months old. He watched with such great concentration that TEARS came into his eyes. So moved by the great music, she will never forget the picture of that. MH says it was a moment of ecstasy; great music and a great performance says MH (laughing). WO says it certainly was. MH says he has improved a lot since that time. That is good she says. MH says not that he is half way decent, but he has made a lot of progress and has a lot of fun. He found a pianist, who is about like him, just at his level. It is a woman; and it is a situation where both make up for their lack of skill with their enthusiasm. So don't worry about him, MH says. She isn't just thinking. OK.

6.5 In. MO asks Edith (v) who answers if Jane (ph) ROGERS is there. Yes, hi, Betty, this is Edith Halperin. Greet each other. She is fine. Just a minute.

MI takes phone and says she has brought good sunny weather to Mexico. Betty says, "Welcome to warm, hot, sunny Mexico." (they laugh). Discuss each other's health. JR has had the Asian Flu and then pneumonia but is almost well now. It has been pretty hard. She was sick for about three months. She still has fluid in the lungs so they are going off to the hot baths. She needs warmth and hot water for about two weeks. Betty thought they were coming tomorrow. JR: Who said that? Abe in his letter. No. Betty asks if they are in the same hotel. Yes and asks B. to stop over maybe tomorrow afternoon, or so. Sure. JR asks how the boys are and Poncho. They are all just fine.

JR is leaving Thursday. B. says if she has time, the Talleres de Graficas is 20 yrs old today and they had a great big exhibition in Bellas Artes. They gave us one whole floor. They opened yesterday in the Museum in Chapultepec Park and it is real popular. Thousands of people go in there every day. MO says they should see it. JR says how long will it be there? Two months. JR then says they will have plenty of time then as they are coming back to stay in M.C. a couple of months. Betty says, "Oh, good." They will only stay about two weeks at the baths.

Yes, JR brought the water colors. Yes. And he wanted \$200. for something. Betty says to give them back to him and spit in his face. She (JR) says sure.

Betty will go to the hotel to see JR about 1700 to see her. Betty says to say Hello to Abe for me. She will. JR asks if Pablo is in town. Yes, they are going to his house tonight. JR: Oh, you are, oh, uh huh. JR will see him when she comes back. Tell him Hello for her.

She (JR) thinks that Abe wrote to him and told him (Pablo) that they got a hundred dollars (\$100.) for his. Yes, he did. That was wonderful. JR framed it beautifully too. B. says that Abe told her and also Morden (ph)'s mother told them about this also. Yes, she met her. JR says, Good. JR will see her tomorrow and they will talk a lot. OK, Bye.

2.5 Out to 21-00-55. MH (v) asks WO, who answers, for Lic. CARRIO (ph). Prof. Halperin is calling. One moment.

Lic. C. takes phone. Greet each other. Did C. see that person yesterday. No, he couldn't see him yesterday. He was so busy that he couldn't even go to Mijao (ph)'s funeral. He had a very urgent matter to attend to and couldn't get off. MH: Oh, too bad.

C. says, "He called, his secretary, that he was going to see; that the man had a very long list of people who had already been given an appointment. So he is just waiting. MH: "Well, perhaps you'll see him this week, huh?" C: "Perhaps, if he doesn't leave Mexico City." MH: Well, I'll try to keep in touch with you, if I may." C. Why certainly. MH: Night. Bye.

4.0 In. WO asks Lupe (v) who answers for the Sr. Yes.

MH takes phone. EH (v) asks what he is doing; how he is. He is fine. He is working. Nothing new. No, nothing new. He got a letter from Judy. EH: Oh, did you? What did she say? Long letter. Yeah. Well, good. I'm at Colia's do you want me to bring anything home, anything special? No, nothing at all. Just take it easy. OH, Bye.

4.5 In. WO asks Lupe (v) who answers for the Sr. or the Sra Halperin. One moment.

MH (v) takes phone. They greet each other. She is fine; better. He doesn't know how much better she can be. She is the only person that looks in perfect health. Well that's good to hear; and she is, you know.

WO wants to know if he knows where that bag place is. That what? That bag place, you know, purses. Oh, I don't know that is completely out of my line. Sorry, and Edith is not here. Call her about 1400. She will do that - from outside as she won't be home. MH asks how ABE is. He is just fine. Wait a minute he wants to talk to you.

Abe takes phone. A. asks MH how he is after the compromise. Well he didn't sleep all night, until about 0400. He finally figured out how he could have won the chess game immediately after you made that move. Then he went to sleep. A. wants to know what MH does with his 'TIMES'. Well, he clips them and then throws them away. They come about a week late, by ordinary mail and every once in awhile it is two weeks; and sometimes he gets 3 or 4 together and he never gets the Sunday times. So he misses a lot, like that clipping A. gave him. A. says he sees they have raised the price to \$3.25 for the daily times. MH: Really? It used to be \$2.50. Everything MH has A. has already read; but if he wants him (MH) to save them, he will do this. Yes, he would appreciate this. MH asks "when did you arrive here?" On the 11th. Then you read the 11th? Yes. Well, beginning with the 12th he will save them for A. A. would also like to borrow a book or two. He wants a novel in Spanish. He says he understands enough to get the sense of it. Also JANE would like to get something. MH tells them to come over and browse. His library is at their disposal. Of course, you'll have to always put a deposit down. (MH laughs). MH says, "By the way there is a nicely printed copy of 'Mimi Kampf' for sale now, if you are planning to buy some also (books to read). A. laughs and says he is not quite ready for that.

If A. wants to come over tomorrow morning, he'll be working but will take off a little time, about 1200 or so; and show him where the books are and he can browse around. OK? OK, Bye.

5.2 Out to 35-79-35? MH (v) asks MO who answers if he could give him some information about the Flight 691 from Washington, D. C. which usually gets here about 2005; is that a non-stop flight. No. It is non-stop flight from Washington to Ft. Worth, Texas and then you make the connection with 691 to Mexico City. Then there is no direct flight from Washington? No, there use to be. There is Eastern Air Lines which goes from Washington to New Orleans and from there to Mexico City. (Apparently he means no change of planes.).

MH asks if he busy a ticket here; then he wouldn't have to pay the U.S. Tax; is that right. Yes, that is right. You will pay the Mexican Tax but that's not very much. MH asks if they will accept a check of his on a Mexican bank here, for a ticket to be dated January 27th? Yes, Sir, but you'll have to arrange that with the girl here at the counter. Yes, I see, but you do do that sometimes. Yes, Sir. All right, thank you very much.

5.5 Out to 20-83-76. MH identifies himself to WO who answers when he asks for Sr. MANSUR (ph).

Leon takes phone. This is Maurice. Hello, Maurice. He saw that fellow today. He brought some papers; but LM wasn't satisfied with the Letras or checks, and he told him to take them back and fix them with SANCHEZ and have them back to him by 1:00 today. He doesn't know that he'll be there but that is what he told him. Were they checks, asks MH. Yeah, they were checks. The man talked to him over the phone. He is ill. Has had hiccoughs for several days now. MH: Oh, that's a very bad thing, you know. Yes. Well, MH says, that sounds like good news. Yes, and he LM thinks he'll have more information in an hour or so. Yes, he will ring MH. Fine. Yes, he'll be home.

6.2 In. In. WO with MH (v) who answers. Recognize each other's voice.

MH says, I suppose you want to speak to my old lady. Yeah. Then MH: "Oh, by the way, Bob is coming." Oh, he is? When did you hear? I heard today. By letter. When is he coming? According to present plans, it will be a week from Monday night. Believes that is the 27th of January. WO "Yes, I think that's it. That's what he said in my letter. So he is coming despite... You had written him, hadn't you?" MH: "Oh, yes, I had written him. He's not coming despite anything.. WO well that's what he said in my letter the 27th. You got a letter? Yeah, I got a letter. Well, that's fine. MH: Well, OK. Here's the old woman.

EH takes phone. Re their health. They both ate something last night (same place apparently) that didn't agree with them. MH thinks it was the garlic. WO says, "So you are a native and it did it to you and not because I come from the United States." EH: That's right. How is ABE? Oh, he's fine. He keeps going despite... EH: How do you spell Rivera? WO spells it for her. Well; EH says, that's the name of the place where she gets the bags. It is near Sears Roebuck. It is in back of Sears Roebucks. The name of the man is Mr. SPIDER. EH: "How do you say bags in Spanish? I'm looking it up. I know the man's name is SPIDER or SPIDER (ph). Address: San Luis Potosi 196. Phone. 14-65-76. Best call and ask when Mr. Snyder is there. She made the mistake of getting something when he was not there and she paid far too much. EH says tell him you are a friend of the RASKOBS, Jans. J. Well, of course.

J: Where is Las Americas. On Insurgentes. Up about 4 blocks from Sears on the other side of the street.

J. and Abe are coming over at 1100 tomorrow to look at some books. Yes, they have an appointment with Maur. They will see her then. Bye.

8.5 Out to 14-85-05. EH (v) asks MO who answers if this is the house of Sr. SPENCER. Yes. EH asks if she may speak to Sr. HALPERIN. One moment.

NH takes phone. EH tells him that Mansur seemed anxious to talk to MH; message was for him to call when he came home but she thought he might want to call during the evening. Yes, he certainly will. Yes he has the number.

EH asks how Helen is feeling. Fine. Is she up? Oh, yes, she's on her hands and knees scrubbing the floor right now. He is exaggerating just a little bit and she did say she feels fine and they will talk later. OK. Bye.

6.0 In. NO identifies himself as Oscar ~~LEWIS~~ (ph spelling) with Maurice Halperin, who answers. OL says he is in the hotel. He came in to give a paper at the International Psychological Congress. OL says he always does anything for a chance to come to Mexico. MH says what a wonderful surprise. What a delightful surprise. OL says he saw David (Halperin) yesterday. "It took a little while but I finally found him. He looks wonderful. Looks like he's been working under pressure but looks wonderful. MH asks if he looks as harrassed as the last time OL saw him. Oh, no, and he's grown and looks so much more mature. MH says "Well he's in medical school, you know. When are we going to see you Oscar?"

OL says: "Look, this is why I'm calling. I wonder if you could possibly see me now? I want to talk to you." MH: "Right now, of course. Wonderful. OL asks if it is all right to come over. Yes, wonderful. He will be over right away. Swell.

7.5 Out to 14-78-10. No answer and complete. MH (v) asks maid (v) who answers, for the Sra. One moment please.

NO takes phone. "Good morning, Helen, this is Maur Halperin." Yeah. "Did you ever get any word from MAX (SILVERPROCK)? Not a word. MH says, "Well, you know this morning's paper, the EXCELSIOR, carries a story about MAX AND SAM. What does it say? Well, the usual, except that it says that they've been expelled from the country. Helen: "It does? And this has been delayed long enough so that had there been any order or anything else - you see they went ahead with the story. MH says he doesn't know what to make of it or anything else, that's why he's calling Helen. He doesn't know, except that this story was ready for the press about midnight last night. Helen: Just the two named? Just the two names, that's all. H: Doesn't it go into any other details? Well, it makes all kinds of allegations, you know, but it says that they were expelled for technical violations of immigration law, but the paper goes on to explain of what the real reason is. It does? Oh, yeah, the paper explains what the real reason is, but sticks to what it got from Gobernacion as the real reason. You've got to read the paper, that's all. So you had no word at all. Not a word. Do you know whether SAM has called anybody or not. No, he hasn't (that she knows of?). Helen: "They've been unable to reach him." I see. Then that's all. Helen: "They say that his clothing and stuff is still at the hotel but ...MH: "Oh, they do claim, huh..Yeah. Well, MH says, this piece in the paper, you know, may have been put in the presses before things have finally jellied or something. I don't know, but anyway it is out in the open. It could be a little inefficient or not anyway it is out in the open on the front page - not too prominent, but down in the bottom lower left hand corner. Helen says the front page is bad enough. Yeah. OK Helen I'll like to know naturally what you hear from MAX. Yeah, I know Maur, if he says anything. Bye.

After 1830

Out to 14-72-10. MH (v) greets WO who answers and asks Helen how she is. This is Maur. She is all right. MH says she has read the latest of Ultimas Noticias. Do you have the story? The original story? The story that came out to night. Helen says no, not tonight. MH will tell her what it says. "Have you heard from MAX recently? No. MH says then he will tell her what she wants to know. Helen: "You mean they know something I don't know." Yeah I guess so. It was in the papers tonight. Helen says will you read snatches at a time and I will repeat it? MH says I don't have this in front of me I'm just giving you a summary. Oh, that's all right.

MH says this is a dispatch from Washington and it says that MAX is being held, detained by Immigration, at Laredo. Max is? Yeah that's right. Pending proof of his citizenship. In other words Max claims he is an American citizen and they are detaining him until that can be proved. Which explains why we haven't heard. Get the idea? "Yeah. The son-of-a-bitches" says Helen. Well, naturally though we should thank them, no? MH: "Well, I don't know, at least we know that he is there."

Helen: "Now isn't this funny. The attorneys said this is not so." MH: "Well, this is a dispatch and has all the earmarks of...Helen interrupts and says: "Did you talk to Albert." MH: "Albert, no, I just called you as I figured you'd be interested to know where MAX was." Helen: "Well I should say so, and I certainly appreciate it." MH: "This dispatch is from Washington and it has all the earmarks.. It goes on to say that it is a question of whether he is an American citizen and it goes on to explain the kind of a character he is...Helen: "Oh, is that so? And, Oh, my God, he probably has all this in the vault." MH: "And he is an American citizen and they'll have to let him in, you know." Sort of reluctantly, you know." Helen: "Oh, Maur, I thank you very much." MH: "So this is really the first you've heard then?" H: "I should say so and I'm awfully grateful." So that is all the papers say. It doesn't say much about Sam. About him it is not very clear, except that he didn't get to the American side. He is still on the Mexican side. And his citizenship is also in question. Helen: "Yes, they refused him entrance." MH interrupts and says, "Well that doesn't matter right now, the main thing is to know

where Max is, right? Yeah. ME: "Well everything is all right. That explains where he is and after all he has room and board while he is waiting. And in a little while everything will be all right and he will be on his way." Did it say how long he'd been there? "No, I suppose it was only yesterday." E: "When he called?" Yeah. ME: "So everything is all right and if you hear anything I'd like to know, you know." Of course. E: "Are you staying in or going out? I'm staying home." Yeah, well of course if I hear anything I'll call. I thank you very much, Maur. There is nothing to thank me for. You Max is well taken care of. He's warm and gets good food. Helen: "Isn't that lovely? Maur, I thank you very much. Night-O. Bye."

17.2 Out to 14-72-13. Busy.

17.2 In. MO says to EH (v) who answers that he is Albert and wants to talk to Maur.

Maur takes phone. Albert says he just spoke to Helen, and he would like to get a Texas attorney for Max. "Would you go over that story that you read to me." The story I read to her, you mean? Yeah. Wait until I get the paper, right here.

EH returns to phone. The Dispatch is "Washington. International News Service dated 20 Dec. 57, and it says here, the Dept of Justice announced today that one of the two individuals who were deported from Mexico is under custody of the Authorities of Immigration at Laredo, Texas. The authorities of Immigration have detained Max Shlafrook while they determined definitely whether he is a North American citizen. Liderman (they call him Liderman here, you know.) Shlafrook claims that he acquired citizenship as a result of Naturalization of his father. Yesterday, also was deported, Samuel J. NOVICK by Mexican Authorities, but NOVICK by mid-day had not reached the entrance gate to U.S. territory in Laredo. The U.S. Dept of Justice explained that it has received no reasons for the expulsion, however, both Liderman and Novick have appeared before various committees concerning Communism in the United States. It goes on in an explanation of the Committees they appeared before and their use of the 5th Amendment. The Dept of Justice states that they both must present positive proof of being North American citizens before being able to enter the United States. An official spokesman explained that if they are able to establish their American citizenship Immigration will have to authorize their admission irrespective of what their activities have been." That's the dispatch. Now what were you thinking.. I was just trying to get hold of Helen for it seems to me there is a question of MAX's credentials being somewhere in a vault here in Mexico. AM (v) says "I don't know about that." Well she mentioned something of that sort and I wanted to clarify it with her.

"What were you going to do, Albert?" Were you going to have a lawyer of Texas go down and see Max? AM: "Well, this morning I got in touch with a Texas lawyer who had been recommended by one of Sam's attorneys who was in New York. He (the attorney in New York) was called by GRACE (Sra. GRACIA, who talked so much with Susie DRUCKER and whom Sam had asked to marry him after he left Mrs. Novick, according to Grace on Drucker Reel.) And he recommended this Texas lawyer and he went (after AM jailed him) to Laredo and he established Sam was not in custody anywhere and was not wanted by any authority. (Is LAREDO, not Nuevo Laredo, says ME.) AM: Yeah. AK: "I did not ask him (the lawyer) to check on Sam, for last night, as of about 2000 when Sam last talked to GRACE, that Max and he had spoken together and Max was in a hotel and nobody wanted him, and he was all right, and it didn't occur to me that there was any trouble about him. So this man then went back to Houston."

17.2 Contd

"Now I can call him again, but I'm wondering about something else. This matter of citizenship. I am thinking of calling the American Committee for the protection of foreign born. Of finding out whether they have an attorney in Texas. MH: "I'd say before we did anything of that sort, we'd have to call Helen and clarify where Max's documents are. Because when I spoke to Helen she said something about the documents being in a vault and I didn't catch on and then it sort of dawned on me that perhaps there should be something done about getting these documents out." AM: "Well, she has no access to his vault." MH: "No, access to his vault?" No. Well, we heard that tomorrow morning a Mexican attorney is flying tomorrow morning to Nuevo Laredo, to see Sam. Maybe you've heard of that too? Yeah. MH: And it occurred to me that maybe he could cross over and try to see MAX and get power of attorney to open up his vault. Go back and get the documents and bring them back." AM: "Well, if they'll let him across." MH: "That's right. It's something worth investigating isn't it?" AM: "If Max can give a Power of Attorney, he can give it to an American Consular Officer, and I believe it will be honored here. However I'll tell you what I'll do. I can't now get anyone of the Committee for the Protection of Foreign Born, at this moment, although I might be able to get an attorney in New York on the phone and arrange it in the morning. I will call now to Helen and find out about his papers and then I'll call GRACE to find out if the lawyer is definitely going and at what hour because we'll be in touch with the lawyer while he is up there and ~~if it's not too late~~ and we can handle this by phone, and I'll try to see if I can get anyone on the phone in New York. Do you have any idea of the time difference between here and New York? Yes, just one hour. What is it earlier or later. MH says it is one (1) hour and later.

(THIS CONVERSATION TAKES PLACE NOT ON THE 19th, but on the 20th of December, but due to no marking on the dial tape it was impossible to establish this until at this time on the reel.)

AM says it is now 15 to 1800 here and it is now 15 to 1200 there (in N.Y.). MH says the papers here have given prominence to this ~~news~~ news there. AM: Have they? MH: Yes, it's quite a known affair there now. OK MH continues, Albee. Right-O. Bye.

(The above conversation should have appeared on the following division of this reel as recorded on paper.)

21.0 Out to 11-10-4 (illegible). MH (v) with Marie. MH went by to see her but she was not in. How are you? M: "Well, so far I'm all right. I suppose you saw the papers?" Oh, yes, yes. M: "Listen, we are not going to Manzanilla." MH: "Oh, you've cancelled the trip?" Yeah, we are going to. We've just decided. MH: "Oh, really?" And you? M: You're cancelling? Yeah, there are some reason for it and we're not going. MH: What a... what are you going to do? Wire him or write him or what? M: "I don't know how we are going to do it. We are discussing it right now. Where are you, at home?" MH: Yeah, home. Do you want to come over here and have a little coffee with us? It is comfortable and warm. Play a little chess... M: Just a second.

Marie returns to phone. (While waiting MH says to EM (v): "Huh? Cancelled.. I mean they're not going...") Maurice do you know where the HOYA (very ph), the little restaurant is? Yeah. Marie: Let's meet there. Well, that's all right. That's in walking distance. Marie: That's on Reforma, and Anita (ph). MH says yeah, that's fine. Sure. OK we'll meet in about half hour. MH says we're not going to eat you know. Yeah she knows they have also eaten, they'll just have a cup of coffee. MH says there is a better place to have a cup of coffee. The Chapultepec Restaurant. Do you know where the Chapultepec Theater is? Yeah, yeah. Well there's a very pleasant big one there, but if you'd rather go to the HOYA that's fine. Yes, Marie thinks she had there is a little more privacy there. OK says MH. They will meet in about 30 minutes.

You'll have your breakfast and you get here when you can. I've got to leave. I am leaving at 0915 but I'll be back at 0930, but Edith is waiting to have breakfast with you. Oscar says he is terribly sorry, but he just got up. M: Oh, what do you mean. It is all right, come on over, you'll have to eat anything and come on over and by the time you've finished breakfast I'll be back anyway. Fine. He'll be there.

Thursday night

Dear Mother and Dad-

Although ~~xxxxxxx~~ I wrote you on Tuesday (letter didn't get off until Wednesday, I'll send you another note now because I have a few questions and besides I won't have much time for letter writing as the exams come closer and they are very close now.

First of all that thin about grades came through that is we will not receive the grades we receive on exams, although we will take exams and receive them back with things marked wrong and so on. But no per cents, no A's, B's, C's etc. We will be told if we do unsatisfactorily (how do you say in English). So far I think it is a fine idea and in a while the grade, position in the class etc, grades should be over.

I have written to both Boston and Lynn and also to Cambridge, and although it is perhaps still early I have received no reply. What should I do if I receive no answer from all of them? Co ~~xxxxxxx~~ anyway. I'm sure an answer will probably come, but just in case? Second, what if I don't hear from Judith and Millicent, who by now should have written. I am very much looking forward to the vacation and would hate to have to go to it inconveniencing anybody in Boston. Of course I ~~xxx~~ also don't want to go to New York if there is some reason not to, but I can't imagine any. I want to leave with from tomorrow, that is Friday the 20 or at the latest on the morning of the twenty first. I am not sure about arrangements. If I remember correctly there is no rush about buying train tickets and if there is a crowd the question is to get there early and get a seat.

In afternoon we toured Irving-18 and it was very interesting. A lot of details about what we will be specifically doing in relation to our "project" and it is quite exciting.

As for music, it didn't seem much to a failure of the second violinist, but we hope to get together at the beginning of next winter. Last week I went for the first time to Orchestra Hall on free Int House tickets. The concertist Jones (starker) performed the Lindholm Concerto, also a list over ure and pictures at an exhibition. Altogether a thrilling and wonderful experience.

I was surprised to see the other guy looking at the cover of 3 and 8. You listed prominently among the reviewers but they have gone up to 75 cents and I think I'll read it in the library. I skinned it though, and the presentation is very nice.

Your trip sounds wonderful! ~~xxxxxxx~~ to give

Had a real cold wave. For the last three days the temperature has been two and three degrees F as I leave for school in the morning. Yesterday the temperature actually went up to 14! I had to make another investment- car cuffs, but I don't regret it. A fifteen minute walk at zero temperature and with 35 mile an hour winds can be pretty cold.

Love and regards to all-

*David*  
P.S. Just thought I show you my fancy Out House stationary which I reserve for special occasions.

Dea. Ham -

S. & S. came the other day, with you. I reviewed  
it. Soon the mag. down to Jane. We both  
read and enjoyed your piece. Jane meant to  
write to you at once, she has so many things  
to tell you, to discuss with you. But I will be  
left for a verbal session - you see we are planning  
to come to Mexico the first week in January. Jane  
has had a complete rest, the attack - only followed  
by pneumonia, left her weak. Only this week  
really has she begun to leave the apt. for brief  
excursions - here and there. (on 11)

We have Mr. France reserved, & wrote to Hotel  
Mortiz - as well as Comanjilla for reservations. If  
all goes well we should be telephoning to you  
from Mortiz as soon as we arrive. How wonderful  
if you will be in town, that week - maybe it is  
customary in Mexico to send the New Year  
here in the country? Will you act as a line  
on receipt of this

Clear first snow of the season today. I look out of my 11<sup>th</sup> floor window, & see white roofs as far as the eye can reach. When I was younger, three-quarters of a century ago, I was still in the snow, not literally of course, but during my snow time was gay time. Now I hang the blinds & 'bleed' & 'cry' for the Russian people.

Yours truly, A. H.
