MEMORANDUM FOR THE RECORD

SUBJECT: CIA Defector Watch List
For The Secret Service

⁰³ 1. On 13 June 1973 at 1100 hours ⁰³ a meeting attended by Mr. Jack Shaffer and Mr. Ernest Weidul, CDC; Mr. Jack Friedlander, SB; Mr. Negoy and Mr. Radulovich, DCS; Dr. Jerry Post, Psychiatric Staff and Mr. Tsikerdanos of the CI Staff was held at the CDC offices to discuss and decide which of those defectors for whom we have a legal responsibility should be watched during the BREZHNEV visit.

2. The Psychiatric Staff, SB and CDC had prepared lists of those defectors and others whom they felt were unpredictable, unstable and/or violent. The following are the names of those submitted (including comments made and the agreed on position the Agency would take):

A. Antanas ⁰¹ BUTKUS (AEMIGALE) was the only defector listed by the KGB on their watch list. BUTKUS works for the RFE in ¹⁰ [redacted]. He is noted as being non-violent and not likely to cause trouble. His wife who is studying to be a medical assistant is bitter towards the Soviets but also unlikely to cause trouble. He is a publicized defector. It was decided to pass his name routinely to the Secret Service.

B. ⁰¹ ZAVOROSKIY (AEGOLD) who is in ¹⁰ [redacted]. He is the former sea Captain who is a heavy drinker. He does not want to go to jail and therefore is likely to avoid trouble. It was decided to pass his name to the Secret Service.

C. X SAKHAROV (AECLUSTER) ⁰¹ a reformed drunk who is now reformed. He apparently was to begin school in [redacted] on the 18th of June. He is passive. DCS will monitor him.

D. X PETROV (AELENIS) ⁰¹ [redacted] He also is a reformed drunk who is a straight A student. On the 16th of June (vacation) he will drive to Cape Cod to fish and relax. No problems.

E. X CHALLY ⁰¹ [redacted] travels with an anti-Soviet crowd. He is unpredictable and has a bad temper. He shot a cab driver in Seattle last year. His name will be highlighted to the Secret Service.

1. Dr. Charles Bohrer recommends (subject to Howard Osborne's concurrence) that the two following defectors be added to the Brezhnev visit watch list:

a. Anatoliy GOLITEYN (AELIDLE). Delusions of grandeur; expected much more from the U.S. Government than he in fact received in terms of personal recognition. Frustrated, reclusive. May take some action to "get even."

b. Yuri NOSSENKO (AEDONOR). Not seriously neurotic, but because of the way in which he was handled he has reason to be vengeful, and may take the Brezhnev visit as an opportunity to embarrass us.

1. Howard Osborn's recommendations for the Brezhnev "watch list":

a. Delete NOSSENKO. He's happily rehabilitated, well disposed toward CIA and the USG, well adjusted. Not a threat.

b. GOLENIIEWSKI. Absolutely nutty. Put him at the top of the list. He hates the Soviet Government because it's depriving him of the Romanov crown jewels.

✓ c. Anatoliy GOLITZYN. Agree with Bohrer. Put him on the list.
