- 1. Origory Ye. OCLUB came to Finland as a Fice Consul in 1955. In late December 1956 he was promoted to Second Secretary and Chief of the Consular Section, Soviet Embassy. From information given by several sources, we have compiled the following description of OOLUB and some background data.
- 2. He was born about 1925 in the environs of either Obessa or Kharkov. He proudly asserted that he was a Ukrainism. During World War II he was a colonel in the Soviet Army, saw action in Leningred and Moscow and was wounded six times. He elained to be a child psychologist. Although he looked like a product of peasant stock, his conversation implied that he was well-educated and knowledgeable on diplomatic affairs, Marxism and current events which involve the USSR. Contrarily, his knowledge of life outside the USSR was measur. He was married to Mina Fedorovna. Rather corrowfully he explained that he and his wife would like to have children but so far have not been so blessed. His main interest in sports was skiing. He was very jovial, congenial and seemed to enjoy playing host. It has been very obvious that he always picks up the check when he dimes with Westerners even if he is not the host.
- J. To one source COLUB stated he had served in Vienna, Varsaw, Budapest, Sucharest and Sophia; while to another he stated that Helsinki was his first foreign assignment. It is possible that CUBB meant Helsinki was his "first foreign assignment" outside the Soviet Bloo (if he had served in Vienna during the occupation), or he could have been deliberately attempting to confuse. He has conversed only in Ressian and Finnish; however, he stated that he had attended the Language Institute. We suspect that he also knows some English but may feel reluctant to converse in English.
- A. GOLUB's predecessor was a known RIS afficer, probably NUB. We suspect that OCLUB is now the top NUB afficer in Helsinki. Although we have no concrete evidence for this suspicion, we feel that OCLUB's interest in Westerners generally and in perticularly in his apposite numbers in Western installations in Helsinki is more than would be called for by his position.
- 5. DS 2074, when shown a newspaper photo of OCLUB, stated that GCLUB's race was familiar. When DS 2074 was told GCLUB's name, Source replied that there was a lieutenant colonel with this name in the NCB. Source could not remember the directorate but thought possibly it might have been a technical section. Source knew that Lt. Col. CCLUB was a "fairly high boss." DS 2074 could not recall whether be had ever seem Lt. Col. CCLUB to know his so he did not know if the GCLUB in the newsphoto was identical with the Lt. Col. CCLUB of the MCB.
- 6. We would appreciate any further information on OCLUS which might substantiate our emericions of his intelligence activities.

7. We are trying to identify positively the N. MAKREY. We have written to the [4-1] stations for more information on the MAKREYs who have been assured to these areas. FOR YOUR INTORNATION ONLY: The description of the N. MAKREY, how assigned to Finland, more nearly fits that of Mikalay Gerasimovich MAKREY who was forwarly assigned as a TASS correspondent to London from 1950 to 195) and as Cultural Attache to the Soviet Embassy, Bonn from February 1956 to shout May 1957. In both London end Bonn he was suspected of ungaging in intelligence sotivities. We would appreciate receiving information on the N. MAKREY, now in Helminki, which might help us to identify him.

When DS 207h was told GALDS's name, Source replied that there was a lieutensat colonel with this name in the NCB. Source could not remember the directorate but thought possibly it might have been a technical section. Source knew that It. Col. GCLUB was a "fairly high boss." DS 2074 could not recall whether he had ever seen It. Cal. Colin to know him so he did not know if the GOLUB in the newsphote was identical with the Lt. Col. OCLUB of the MDB.
- 6. We would appreciate any further information on OCLUS which might substantiate our mapicions of his intelligence activities.
- 1167. We are trying to identify positively the H. MAKEY. We have written to the Belsinki and London stations for more information on the NACCEYs who have been assigned to these areas. FOR YOUR INFORMATION ONLY: The description of the N. MAKEY. how assigned to Finland, more nearly fits that of Mikalay Geresimovich MAXXEV who was forwarly assigned as a TASS correspondent to London from 1950 to 1953 and as Cultural Attache to the Soviet Embassy, Bonn from February 1956 to about May 1957. In both London and Bonn he was suspected of engaging in intelligence sotivities. We would appresiate receiving information on the N. HAXXXV, now in Belsimic, which might help us to identify him.
