MEMORANDUM FOR THE RECORD.

1. Mr. <sup>03</sup>[Kanes] of WE/6 informed me this morning that the Agency had not yet had their discussion with [redacted] concerning LICOOKY.

2. I was unable to reach Mr. Kanes or Mr. <sup>06</sup>[Ginnsburg], but I talked by phone with Mrs. <sup>06</sup>Green of WE/6 and informed her, that although we had previously approved passing to the [redacted] the statement that LICOOKY was an indirect contact of our on Guatemalan exile activities, we would like to have that changed. I told Mr. <sup>06</sup>Green to pass the following.

"LICOOKY has been used as a sub-source by our Station, however, she has been considered unreliable and is not a good security risk. Therefore we do not recommend her for operational use." If possible, if the [redacted] do not raise the subject, it would better to drop the whole thing.
