MEMORANDUM FOR: Chief, WH/CA

SUBJECT: Response to Memo on "Council for Latin America"

The activities of WH/1 touch upon four organizations listed below. There are no other activities as they may concern organizations listed on the CA memo (attached).

1. [redacted] currently budgeted at \$60,000 annually, supports in part this organization, which also receives funds (some \$50,000 yearly) from [redacted] fund with headquarters in Aachen, Germany. The objective of this effort is to help establish model or prototype agrarian organizations designed to alleviate and hopefully to advance the social and economic status of the Mexican campesino.

2. [redacted] The executive director of this organization was formerly associated with the LINEFF project, but he is no longer an active member of this project which is funded at the current rate of \$4,300 annually and supports LINEFF-1, the Station's only agent with access to rightist political organizations.

3. [redacted] The director of this organization (LINEFF-3) is no longer an active WOFAC agent. The LINEFF project was terminated in 1965 and had been funded at an annual rate of some \$65,000. The project supported a mass media propaganda effort directed at the middle and lower classes of Mexico and sponsored by a front group of conservative Mexican businessmen.

4. [redacted] The vice president of this organization is a current Station asset, LINEFF-1. No money is provided from WOFAC sources to this organization, although LINEFF-1 receives monthly \$300.00. The duties of this agent do not directly relate to his
