Headquarters Comments

The following report is one of a series containing personality information provided by the source and includes supplemental information from the records of this Agency.

It is requested that the addressees take no action on any of the individuals mentioned in the personality reports without first checking with this Agency.

1. Almost all of the Cubana Airlines personnel belong to or work with the Departamento de Seguridad del Estado (Department of State Security - DSE). However, what services Cubana personnel perform for the intelligence agencies are not known.

2. According to Source, when the Cuban government first took over Cubana Airlines, the personnel chief of the new administration interviewed girls from the G-2 office for positions as stewardesses.
