Chief, Western Hemisphere Division

~~APPENDIX 1 - Photograph Identifications~~

Attention Required: None; for your information.

1. [REDACTED] was unable to identify photographs of Juan Francisco RIVERA Valdez, Consuelo Angelica VILLEJO de Ponsalas, and Jarardo Antonio Padilla LOS BOSQUES.

2. Source recognized a photograph of Silvano LOZADA Escobar and believes that this individual arrived in [REDACTED] with a group of some fifteen Dominicans. The Source saw this group while in training school, and the best recollection was that LOZADA was still in [REDACTED] when AGENT 1 left (April 1960) because documentation for onward travel had not been prepared.

3. [REDACTED] also recognized a photograph of Jose CASAS La Rosa, but does not recall seeing pertinent data concerning him. Source does believe that he knows this individual as a Cuban rather than a Dominican, although the latter is not excluded. Source commented that if he is a Dominican, he would have been in [REDACTED] after August 1960, because it was at that time that Source began working for the [REDACTED] Intelligence Service.
