~~MANIFESTACIONES XX~~ We turned them down last week because they had a bad boat.

AMCUTLER-1 has been received by AM-1 personnel here
but because of shortage of staff. From him, he has NO CR WIRELESS.

AMCUTLER-1, AM-1, and CPC.

Groups have come to use offering no boats. There are various boats but
they return early on basis they are unimportant elements and are confiscated.
Less than 5% of those independent operations are successful. They will
put their boats out in any weather and then want us to pay for repairs. Security
problem of loading boats. It is in the realm of possibility they would be supported
in house, but not until capable crews and good boats.

AMCUTLER-1 Next tentative operation proposed by AMCUTLER-1 - This is six fishermen who
have boats here (Miami), Cuban escapees, which can go in and out. We are
investigating this. We have been one operation with this group. It looks good
and we are going to develop.

Another independent, AMCUTLER-1, he has contact with OSVALDO RAMIREZ in
Macarthur who desires support. We have given him guidelines for operations.
Claims he has 8-10 men with training and have infiltrated several staff people.
We are trying to bring him back to group from which he came.

GARCIA BRITO - This group has trained radio operator here and recently now
is Leo Villas. Question of time and lack of communications with internal escapee.

ability, similar to UR, wonderful men, experienced along Camaguey coast.. Good idea on establishment of mangrove caching facility, similar to proposal of UR. They are good group so we're looking into use his know how.

27th of May Group - Have made request for support. Off-shoot of 30th of November Group. As a splinter of this group, being advised to rejoin their parent group. Exploring possibility of supporting them if they cannot rejoin parent. Their plans come to us through AMCLATTER-1.

MRPC - Requests are same as from other groups, and this is splinter of MRR. We have told them to rejoin parent and provide them general guidelines.

Independent group of camp traitors - 40 men and supplies and transportation to Oriente. No communications and willing to sacrifice themselves in GW. Given guidelines to forget about GW and get resistance plan. Their spokesman is Fred Goudie.

Independent Group of JUAN MESA - formerly of NDC. Generally collects about four independent boats which he operates as coordinator. Running rescue operations and wants support. For instance, wants support operation to exfiltrate eight children from west coast. Seeking support for an Oriente infiltration team headed by PNPIN LOPEZ and 13 men. Turned him down. E&M doesn't have capability to deliver.

Independent sub group headed by ALDO VERA SIRAFIN wants training and support of formal sub group. Claims he will hit targets in Havana area. We have not even talked to him on basis of poor CI background. Spokesman is Coate Aguero.

^{same}
Independent sub group of OSCAR DIAZ wants/has previous group. Claim they can hit targets throughout Cuba. Also associated with Coate Aguero. WAVE experience with this man is such that we don't look kindly on this request. As member of FDR military he made things difficult.

Independent group - JULIAN DIAZ FERNANDEZ - Claims to have 300 constitutional army men inside. Radio out here. Willing to go back. WAVE exploring this. Will try to tie him to another group, but if unsuccessful and find his claims valid plan to support him.

ORLANDO SOUTO - proposes to harass a CTC rally in Cuauquite Stadium in Miramar tonight by firing 75 mm high-explosive shells into stadium from off shore. Told him no dice.

In addition, the CRC plan at Headquarters hand carried by Bob Davis and given to [] should be included in report. We would like to have it back soon.
