Rolando CUBELA Secades born 19 Jan 1933

1.1.1.2.

	Subject is former protege of Raul-CASTRO and former President of	
	commis-oriented Castro student organization, "Federation of University	
	Students", in Havana. Subject was also one-time major in revolutionary	-
	army. When Subj took over FEU, a purge, comministyle, of students and	
	faculty was commenced. FEU ultimately took over administration of	;;
	Havana Univ. Subj is reported to have gradually become dissaffected	
	with Castro Govt and has contemplated defection for some time. Latest	
	indications of Subj's attitude came from contacts of AMCONCERT/1	
	and an unidentified FBL source in Miami. Subj has now been relieved	<u>.</u>
	of his Presidency of FEU, allegedly because of booze and women, but	
a di girin angirin Mangirin Astron	probably because he didn't play ball with the PSP re Univ politics.	
	Subj is considered by friends to be anti-Communist and also rather	• *
	critical of the USA.	
	First contact with Subj by a KUBARKER was during a meeting in Mexico	-
	City on 9 March 1961. This meeting was arranged by Subj good friend,	
	Carlos TEPEDINO, Cuban dissident now in jewelry business in NTC.	<u> </u>
	The staffer was Jack Stewart, also a good longOtime acquaintence	1. T. H.
	of TEPEDINO's. The meeting was merely "to exchange views on Cuba",	
	and Subj made certain that Stweart understood this. S, bj admitted	利
	however that trouble in Cube terms was the PSP and the manner in which	• 7
	they were influencing Cuban govt today. Stewart made no commitments	
	but did offer, if Subj should so desire, listen to whatever Subj had	·
	to say in the future and to offer what aid was within his power.	÷

	Subjuss again the subject of interest and potential defection op	,
	when he stiended French National Student Union Cultural Festival	<u>-</u>
	in Ang 1961 at Postier, France. Paris was given OK to approach Subj	
	but as far as file reflects (and Prench Desk) no effort was ever	Carrier States
	conducted. This particularly baffling since Subj had sent a message to TEDEDINO via a girl friend who came Miami that he desired to talk	10.1 20
	with "friend of Stewart's"in Paris if possible.

	On 15 June of this year it was learned from a reliable source t	hat
	Subj was going to attend the Helsinki Youth Festival in July-Au	g 1962.
	He was to go via fffige Prague. Liaison sources reporte	d on
	5 July that Subj had applied for a visa to attend the festival	îroa
	20 July thru 9 August. In view of evidence, it decided that Sa	ıbj
State of the second second	was ripe for appraoch. AMCONCERT/1 stated that TEPEDINO person y	rith
	most influence over 500 Subj. CA/PROP Staff felt best bet for a	our mone
	would be have Subj defect during last week of Festival and give	videst
	possible press play to defection, including statement of S, bj's	
	dissatisfaction with present Cuban govt. Due Finnish sensitivit;	1
	and Soviet pressure, it felt that Subj defection failed played lo	w key
