

3 Sept - 65

1. On 3 September 1965 at about 1030 AM, A/1 called me (as "Mr. Mills") from New York to say that he had had a call from "Marce" saying that IOLESIAS was leaving for Europe "next Sunday" (5 Sept) and would like to see A/1 in Europe. He said there was no indication what IOLESIAS wished to see him about.

Topic: "Naranjo" / 4/10/65

2. A/1 added that NARANJO was also going to Europe at the same time. He thought NARANJO ~~was~~ would go to Italy but had no other details nor did he know whether NAR's trip was connected with that of IOLESIAS.

3. A/1 also mentioned that "Marce" said that the "man at the hospital" (AMASH/1) was well—no elaboration.

4. In reply to a query about any further conversations with AMASH/2 in Madrid, A/1 said he had talked to "a woman who lives with him" and that AMASH/1 was interested in "the same old thing"—i.e. getting money from A/1.

5. A/1 said he now plans to leave for Puerto Rico on business about 4 September and that he will call me on his return during the week of 5 September. He still plans to depart for Europe about 15 September.
