MEMO FOR 201-340,678 (GARANIN)

References: HELS 2067
DIR 54807

1. HELS 2067 (no copy for GARANIN's file) reported that one "Fedor Alekseyevich SHCHERBAKOV" visited Helsinki on TDY.

2. There were no hdq traces on this name, but because the first name and patronymic were the same as GARANIN's, and because the physical description of SHCHERBAKOV resembled GARANIN slightly, traces on GARANIN were sent to Helsinki.

2. SHCHERBAKOV has since been identified as Fedor Alekseyevich SHCHERBAK, subject of 201-161,463.
