ANDERSSON has been known for the last 10 years to have numerous contacts with international leftist circles of all shades -including FLN-Algerians, Congolese, Angolans, other African politicians, Spanish emigres, French "réfractaires anti-colonialistes", etc.. - . Despite all these contacts he cannot definitely be labelled as a communist

[redacted] close contacts with Chinese Embassy in Switzerland, particularly with Cultural Attaché Wang Hsin, 1914. In April 1963 it was learnt that ANDERSSON published a luxury-edition of a brochure entitled "LIBERTÉ ET REVISIIONISME MODERNE" on Chicom orders -which raised a lot of unfavorable reactions in PIA-circles! 3000 copies are said to have been shipped to China. When Vicepresident Lu Chan, 1912, of the Committee for Cultural Relations with Foreign Countries, stayed in Switzerland in April 1963, he reportedly met ANDERSSON and placed more orders for publishing by ANDERSSON of Chinese communist brochures supporting the Chicos line in the present Sino-Soviet ideological controversy. He is the distributor for Switzerland of the monthly review "REVOLUTION AFRICAINE" which is published in Paris.

GIBSON and his wife are employed by ANDERSSON, i.e. the Paris publishing firm, and they are responsible for translation, proof-reading, etc. of the English-language edition "AFRICAN REVOLUTION" which is printed in Lausanne.
