X (Male)												LA 3/3/c 3B2627 (W/OSS)																					
FIELD COMMENTS												OER/D/LA RUSS SWANSON 4G31																					
This was an unsolicited report - Called in to me at home Saturday 23 November 1974 when Merola returned to the US.												DCI/WH/SAW 6G28																					
												Mail, Primary interest in this report will be the DO, since the quantity w far too small to be of interest to the world sugar market.
