Comrade Ferro__

Several days ago we received a request from comrade Eulogio with reference to your need of a loan to pay some debts, which resulted from recent purchases made by you.

We are aware that your work requires certain commodities, such as a presentable house, capable of making persons, who you receive, feel comfortable in the atmosphere they are in.

Now, you should have analyzed your economic possibilities before incurring those debts. If you had done so you would have realized that these were not within your reach (budget), for which reason you would have turned to us, with the purpose of finding a solution to that problem.

We are instructing comrade Eulogio to make you a reasonable loan with which you can get out of your present debts.

In the future you should consult us and in particular present a plan to comrade Eulogio, on any problem of that nature, with the confidence that it will be solved.

You should make us a report justifying the loan that you will get to pay the debts you have.
