Chief, Technical Services Staff/DD/P
Attn: Security Officer

3 March 1952

Assistant Chief, Security Control Staff

Attendance at Professional Meeting

REFERENCE: Memorandum dated 27 February 1952, to Assistant Deputy, Inspection and Security from Acting Chief, TSS/DD/P

1. On 28 February 1952, Mr. Bernard Doran, Security Officer, TSS, was informed that this office had no security objections to the attendance of

(Paul Lee)	GS-11	Chief, Applied Physics Branch
David Christ	GS-12	Deputy Chief, Applied Physics Branch
Edward Mischler	GS-13	Chief, Audio Support Division
Fred Gilbert	GS-11	Deputy Chief, Audio Support Division

at the Institute of Radio Engineers Meeting to be held at New York City 3 to 6 March 1952.

2. It was understood that these personnel were to attend the meeting as observers only, and not as participants.

3. In regard to paragraph 3 of the Reference, it was agreed that these personnel could reveal their CIA employment, if necessary, when contacting potential employees who may be of use as consultants or Staff Employees. It was understood that no covert personnel procurement would be attempted.

M/R - 29 February 1952

1. Mr. Van Schrader, Personnel Procurement, advised that his office has approved this procurement venture and arrangements have been made to follow through in normal manner after these initial contacts have been made. This followup action would include Security Clearance requests where appropriate.
