A few days earlier Coty^XSOLORIAND, sister-in-law of General Lazaro CARENAS, told (1-9) with a groan of disgust that it looks like FIAZ Ordes has been chosen as the PHI presidential candidate.

The Ambassador is still using the wall safe built into the chimney c? his office (we have photos of this in our files). (L-9) thinks that the Embassy payroll is kept there as the other day when he walked into the Ambassador's office he saw the Ambassador shut the safe door - Dra. MACHADD was there, having just returned from the bank where she withdrew the payroll. Dra XMACHADO handles the payroll for the whole Enbassy. MARGOT PADRON

VEGA/is leaving quite soon. No replacement for him has arrived.

reim Dial e. Jurning locking more and more like a "security type." He is a MINITOR 2key run ("lleva la batuta alli") and appears to be a convinced

Communist. In the old days, before CASTRO, MIRABAL worked for the Shervin Williams paint factory (L-9 thinks S-H in the States must have a record on him) which was located a short distance from the plant owned by L-9's father.

A1844L 1. Dra, MAGIADO recently told (L-9) that AFUA was discourteous to her When she first arrived here but that he has softened up a bit recently and now seems to "accept" her. She thinks this may be because she lost two sons in the Revolution (no details given). She complained that LLACOSTERA still doesn't accept her but JORREN seems to be coming around. (This may be the usual resentment caused by a female in a responsible executive position).

g. Enbassy staff meetings are held every Saturday morning from 0900 on - usually lasting about two hours. They used to be held in the "theater" out back under the new construction but are now being held in the glassed-in terrace at the rear of the main building.

Jost, Miduck h. Three Marxist stuir groups are being set up in the Enbassy to include everyone on the staff. <u>FEMALYSE Hea</u>, known as ROA to the staffers, is reproduing this effort. These groups should be organized within a week. (L-9) dreads the thought of submitting to this indoctrination but realizes he must go along with it).
