1. We request that the attached photographs of an unidentified man be shown to SLAPSTICK-1 for identification as soon as possible. A photograph of this man was published in the Warren Commission report on the assassination of President Kennedy. Copies of the photograph have been widely distributed in news media by journalists critical of the Warren Commission investigation. The unidentified man visited the Cuban and Soviet Embassies in Mexico City during October 1963. As of October 1963, he was described as approximately 35 years of age, athletic build, about 6 feet tall, blond receding hairline with balding top, and dressed in khakis and sport shirt.
