Note For: Linda Cipriani, OGC

Subject: ARRB Determinations

1. Per our phone conversation earlier today, please find attached a copy of the 28 November letter to the DCI from David Marwell, Executive Director, Assassination Records Review Board and, a copy of the document in question (104-10015-10398). I have marked in brackets the information (3 items) that we proposed for postponement. As you will note from the letter, the ARRB upheld only 2 postponements (Whitten's name) and scheduled the document for review on "name day" in December. The ARRB released the phrase "A Good KUBARK Asset". Please ignore the column "ARRB releases". These numbers refer to the number of deletions in these documents in the August 1993 release to NARA. Many of those deletion can now be released under current guidelines.

2. The timeline for this determination (33 documents) is as follows:

November 13/14	ARRB meeting
November 28	Notification to Agency of ARRB decisions.
December 5	7 day deadline for notifying White House of plan to appeal (this deadline was set by White House and is not within the law).
December 28	30 day deadline for White House decision to release documents as recommended by ARRB or to uphold an appeal;
	OR
December 28	if no appeal, documents due at NARA on this date as required by law.

3. At DO's request (Ellie) I am including notes that were prepared for the ADDO on the release of information in recent ARRB determinations including document 104-100015-10398 (paragraph 3.d.).
