OFFICE: OIM

SUBJECT: JFK - Records Search

REFERENCE:

This is to advise you that the following files from NIPE (predecessor to IC and CMS) have been reviewed for information relating to the AARB inquiry into the assassination of President Kennedy:

TO/FROM DCI (USIB Master) 1963-66,  
Action Memorandums 1963-66,  
NIPE Staff Meetings w/DCI October 1963-July 1964,  
Secretariat Summary/USIB Agenda 1963-65,  
CCPC minutes 1962-64, and  
USIB Watch Reports.

2 Enclosed are seven watch reports- including the first report after the assassination and another a month later as well as five other that contain items relating to Cuba. The two containing references to the assassination relate not to the assassination per se, but rather to foreign reaction to the incident. Please note: These are full text (not approved for release) copies which may be shown to the AARB staff. The only redactions are non-substantive and relate to dissemination controls- liaison. No other material relating to the inquiry was located in these files.

**DRAFT****Memorandum****February 9, 1998**

**From:** Michelle Combs  
Special Assistant for Research and Review

**Subject:** CIA-IR-23 Watch Reports of the United States Intelligence Board

In response to informal request CIA-IR-23, CIA has searched the records of the National Intelligence Program Evaluation Staff (NIPE) for information relating to the assassination of President John F. Kennedy. The search encompassed the following records:

To/FROM DCI (USIB Master) 1963-1966  
Action Memorandums 1963-1966  
NIPE Staff Meetings with DCI October 1963-July 1964  
Secretariat Summary/ USIB Agenda 1963-65  
Critical Collection Priority Committee (CCPC) Minutes 1962-1964  
United States Intelligence Board (USIB) Watch Reports

The search produced eight USIB Watch reports from the period 27 November 1963 - 27 May 1964. I have reviewed these eight documents, consisting of 14 pages, and have marked portions of six reports as assassination records: 27 November 1963, 24 December 1963, 22 January 1964, 22 April 1964, 29 April 1964, and 20 May 1964.

Like the President's Intelligence Checklist and the President's Daily Brief, these documents cover multiple topics. I recommend that the portions of the document not deemed related to the Kennedy assassination be declared NBR and redacted.

Once the six marked reports have been included for processing as assassination records, this response is complete.
