with his local supporters through three women who visit him periodically. He has been apprised of the activities of his followers in Miami and has requested that \$20,000 be furnished to a 40-man group of his followers in Camaguey Province. The Camaguey group is the one he has charged with making a raid on La Cabaña prison and freeing him.

6. Under the orders of Reinaldo BLANCO Navarro, one [redacted] (S) has contacted one [redacted] (S) who has a group of followers in [redacted] and has arms, ammunition, and dynamite buried on his farm in that province. [redacted] also has a group of followers in [redacted] Province which is led by [redacted] and former sergeant [redacted] (S). The group is called [redacted] (S) Legión Democrática Cubana (LDC, Cuban Democratic Legion). (S) The buried arms and dynamite are to be used in sabotage and assassination attempts. (S)
7. [redacted] (S) has also sent one [redacted] (S) to contact Manuel BLANCO Navarro in Miami. [redacted] is attempting to set up an arms drop to the [redacted] (S) at a point 10 kilometers north of Los Palacios (22 36N, 83 16W). (S) [redacted] (S) LDC men will be waiting at this point and will signal the plane making the drop with four flashlights. (S)
8. Besides the two groups in Pinar del Rio province and the group in Camaguey, Reinaldo BLANCO Navarro also has two groups in Matanzas and Santa Clara provinces. (S)
9. On about 25 August 1959 Manuel BLANCO Navarro, in Miami, wrote a letter to one of his followers in Cuba. Enclosed with the letter were two messages which BLANCO asked be forwarded to [redacted] (S). [redacted] BLANCO also asked that [redacted] (S) be informed that the letters were "from his sister (Sic). One of the messages reads as follows:

Dear Brother:

I am writing these lines to accompany a letter from my friend Dr. Rodriguez Couceiro, in whose house I am staying since I found out that they have arrested Leonel and that I cannot return there. As you will see in the letter, I am sending you a series of instructions to see if we can maintain the group that is presently without any leaders. Just as you have probably read in the newspapers, they have caught all the leaders in the roundup. This doesn't mean anything more than that we shall be delayed until we are reorganized again. Only about 100 were arrested, and the group numbered about 3,000.

As he (my friend) informs you, I do not believe that you ought to visit Reinaldo BLANCO Navarro in La Cabaña prison. You should send someone in whom you have confidence. In the new contacts that you made do not use your own name. Use an alias so that, if anyone should talk, they will not be able to identify you. You should protect the place where you live. When you have meetings, hold them at prearranged places, never in your home. I know that you know how to do these things, but I want to warn you to be careful and use other persons to make your contacts. Don't do it personally. The principal objective is to be able to maintain yourself as the leader of the movement at least until you select chiefs if your work prevents you from leading in Habana.

We have made contact here with a large group which was not caught and which is also organized from Autentico people. This group did not lose its leaders, since, as I say, it was not caught because it had joined us only a few days previously. This group is almost ready for action; so it is urgent that you reorganize our people rapidly in order

that Don Fidel may not last until the New Year. In the next letter we shall send more details and possibly give the main outlines of the business. As soon as you have anything to report, use a courier in whom you have confidence. Do not use the name of [redacted] since that name is now "burned". Use the name [redacted] and use the address which you already have for the time being. I think that we shall soon change residence, but I will send you the new address as soon as we do.

When you reply, use the name "little grandmother" (abuelita) since as you know, my name is also "burned". Many regards to all and an embrace from your sister [redacted] (S)

10. The second message reads as follows:

Miami 21 August 1959

[redacted] (S)
Dear Friend:

As I suppose you already know, because of the treason of William Morgan¹² and Eloy GUTIERREZ Menoyo¹², the leaders of the Organization have been arrested, and it is most necessary that our people be reorganized so that the movement is not lost. The only person who is able to do so is you. I know that the responsibility is very great, but I also know your abilities, and we are sure that you will be able to do the job.

As a first objective, it is necessary to establish contact with Captain Reinaldo BLANCO Navarro. He is the chief of our organization and will continue to be. He is in prison in La Cabaña, according to our information, but is allowed to receive visitors. He knows you, since you met each other in his office. You can introduce yourself as the brother of [redacted] (S) He will give you names of persons and instructions to follow. However, it is very important that, while he remains a prisoner, you set up a courier so that you don't have to make subsequent visits. This would be dangerous in the extreme.

With respect to the rebels, be very careful in making your contacts, since one lesson is enough. There is one safe person whom you can trust, [redacted] (S) He is secretary of [redacted] (S) You can see him on our behalf and on that of the [redacted] (S) So that he will not mistrust you, you can tell him that the last time we saw him was at a dinner on the terrace of the [redacted] (S) Tell him that it rained a lot. Find out from him if [redacted] (S) can or cannot be trusted, since our information is contradictory. Be very careful with the rebels, and don't make the contacts with them directly. It is better that you designate another person for the purpose. [redacted] (S) is trustworthy but very easygoing.

Another group you can contact is that of [redacted] (S) in the Rosita de Hornedo. Tell him that you were sent by Francisco GONZALEZ, who is in Montclair, New Jersey; that here we are united; and that he should join his group to our movement. I shall send you more information on this group.

You should also see [redacted] (S) His office is at [redacted] Habana. Tell him that you come on my behalf and to recall the last visit of myself and the [redacted] (S) to his office, in which we were speaking of CASTRO. I recently wrote him a letter from New York. He leads a group of followers of [redacted] (S) etc.¹⁵ (sic) of the Agrupacion.

You should also see [redacted] (S) in the [redacted] (S) [redacted] (S) He knows [redacted] and is a cousin of [redacted] (S) [redacted] (S) So that he doesn't mistrust you, tell him that you are the messenger (enviado) and tell him to recall the interview we had in the lobby of the Savoy Hilton of New York. Up to recently he had a group.

(S) [redacted] (S) For financial matters you can see Señor [redacted] (S) a friend of [redacted] (S) and Señor [redacted] (S) To contact the latter, see secretary Señor [redacted] (S) and tell him that you come on my behalf and that of the word Sugar (sic.) It is very important that you get together a good finance committee to handle the money problem there. Also talk to [redacted] (S) about persons you can see about money. Another person that you can see is [redacted] (S) with [redacted] (S)

You should also see [redacted] (S) the chancellor of the [redacted] (S) for me. He can help you a lot, above all with [redacted] (S) [redacted] (S) The cousin of [redacted] (S) is [redacted] (S) Her name is [redacted] (S) and her telephone number is [redacted] (S) She lives at [redacted] (S) upstairs in the [redacted] (S) Apartment (S) (No. 7.) She receives our letters and can help you. Introduce yourself as the brother of [redacted] (S) No one else should see her but you, and no one should know that you see her. You must be extremely careful to protect her.

Well, I believe that this is enough for now. Be extremely careful, and reorganize our rank and file, since the thing is soon.
