Reference is made to your request of February 6, 1961,
via liaison channels, in which you requested subject be interviewed
as to whether he had been in contact in Cuba on January 18,
1961, with [redacted] and [redacted]

This matter was casually brought up during our inter-
view with the subject on February 16, 1961, in such a manner
as not to arouse any suspicion on his part. Subject stated he
was not acquainted with any of these individuals, although it
was possible that he may have met them in Cuba. Subject stated
he spent the two weeks prior to his flight from Cuba on January 26,
1961, in Havana preparing for his departure. He indicated that
his only contacts during that period were with the group of
close aides who accompanied him to the United States. (S) (u)

had with the two above-mentioned individuals. These two individuals
were connected with a CIA operation and were turned in in Cuba.
CIA speculated subject may have turned them in.
