His information has been frequently confirmed by independent sources.

1. On 8 December 1972 the Directorate of the Service of Intelligence and Prevention (DISIP) was reorganized by its Director, Dr. Reimberto Uzcategui Bruzual. (Source Comment: Uzcategui believes DISIP will be in line for criticism during the election year of 1973 and he wants to remove from positions of responsibility any of his controversial section heads.) The gist of the document issued by Uzcategui reorganizing DISIP follows:

2. The Director of DISIP sets the general policy based on instructions from the Ministry of the Interior and has ultimate control of the Services. The Deputy Director assists him in carrying out these responsibilities and substitutes for the Director during his absence. As its supervisory and fiscal units, DISIP has an Inspector General of Services who has the responsibility of disciplining personnel and investigating employees, and an internal comptroller who verifies the administration of the Services.

3. The following are the DISIP executive positions:
a. Secretary General of Services, which has been assigned to Dr. Oswaldo Dominguez.
