MEMORANDUM FOR THE DIRECTOR, FEDERAL BUREAU OF INVESTIGATION
ATTN: Mr. Arthur Kerns, Intelligence Division

SUBJECT: Request for Information

1. Attached is correspondence which Lt Col Paul T. Fisher, Chief, Security Police, U.S. Air Force Security Service, has requested this Agency to bring to the attention of the Federal Bureau of Investigation. The materials consist of a letter written by one David Christensen, a former U.S. Air Force Security Service member, to a former colleague of Mr. Christensen's who passed it on to the Air Force Security Service. Also enclosed is Lt Col Fisher's cover letter to Mr. James Leer of this Agency. Finally, since the photocopy of Mr. Christensen's handwritten letter is difficult to read, a typewritten copy has been prepared for your convenience.

2. The classification markings on the handwritten letter were applied by the Air Force Security Service. The typewritten version has been classified CONFIDENTIAL PWCCO, the highest level affixed to the handwritten letter.

3. Should you feel it appropriate to disseminate the enclosed materials to any Committee of the Congress, I would ask that you do so only to members or to staffers who have appropriate SI clearances. The information contained in Mr. Christensen's letter that the Air Force Security Service was intercepting international commercial communications at Kirknewton, Scotland during 1963 is correct, as is the assertion that that station monitored communications links between Lisbon and other parts of the world.

Dear Jim

I am forwarding a letter from a former Security Service member to you. It was furnished to us by the recipient, through his commander, at one of our subordinate units.

After realizing the implications, true or otherwise, we immediately notified our unit commander to turn it over to the OSI in Florida, believing they would contact the Federal Bureau of Investigation, since the writer is a civilian now.

Yesterday, this office was contacted by an OSI agent at Lowry AFB, CO; this agent happens to be an ex-Security Service man. He was instructed by his headquarters to interview the writer of the letter to determine the names of other individuals he had contacted. Apparently Mr. Christensen has a long history of alcoholism, family problems and now wants to see a "cleared psychiatrist" as he attributes all of his problems from Oct 1963, per the OSI agent. In addition, he has indicated to the OSI that he now fears for his life.

I am furnishing this to you as I feel the implication in the letter should best be handled at the national level and that you are in the best position to contact the Bureau. I have no knowledge that OSI has not done this, but in view of the fact the subject was interviewed as a civilian by an AF agent, rather than an FBI agent, leads me to doubt this. In addition, you are in a much better position to determine where the nearest psychiatrist, with access, is located. For your information, we placed the classification markings on the letter.

We were told by Mr. Coombs, the OSI agent at OSI District 14, that the doctor to contact at the VA hospital in Cheyenne, WY is a Dr Sedel, commercial telephone number 778-7550, extension 273.

Warm regards

PAUL T. FISHER, Lt Col, USAF
Chief, Security Police

Nick,

Well after 13 1/2 years I

whereabouts, Dan, its been
a long time since Kirk met
you and the time we
drank on the beach and the
club. Had to get your address
from the outfit in Texas.

Nick, whatever happened to
Sgt Prater? If you know his
whereabouts please send me his
address. How are the kids
have you been doing?

Nick, I had a serious back
operation. Plus in 74 had my leg
shattered in over a hundred
places. Things have really gone
to hell for me.

~~CONFIDENTIAL~~

I'm working with the nets
benefits counselor, who is a
ex. 203. Speaking of 203's where

to say is no longer classified,
so don't get all shit-shock.

I've done checked it out.

Chris, you remember the
position I worked at, in
left Prater's section, don't
you? You remember about
a month or 6 weeks before I
left Scotland when I picked
up a leak mentioning the

assassination of President Kennedy.

How hard I tried to get it
out, and because of that
fucking Forney and Kellogg
they wouldn't send it to R. S. B.

Since I have learned that the
man's name, most mentioned was

number 1 in a certain branch
to organized crime at the time
as number 2 last year. I will

I should be getting a service
connected disability for my
nerves. The link was broken [redacted]

[redacted] you [redacted] then I got
my car chewed for not dropping
the link. Have learned that this
branch of crime often will cut
a feeder of forthcoming things.
By sending it as a practice message.
With it really broke me up
after Nov 22, 63. Especially when

I had it all before hand. It
was just like the 202's said, the
it was nuts when the Russians
first came out with the 1710's.
Feeder proved them wrong didn't
it. That was another first for me.
