Droller's Comment:"We believe that Varona will play ball one way or another, but we are not convinced that Ray will accept our list. We have the impression that he might want to substitute his own list; of course, we must see what he comes up with. In any case it is our view that we should not rush matters unduly if there is real State Department interest in having Mr. Ray and company play a role in the provisional government. Should the decision be made to write Ray off, we believe the Assembly could be convoked without too much ado, substituting Miro Cardona for Ray. - 38/ Dispatch from JMWAVE to Chief. by Stanley R. Zamka dated 11 May On 11 May 1961 AMOT-2 made the following report about his interview with ambudl : " I was received very effectonately and, after an 'abrazo' he assured me that I was his friend and that the proof of this was that I was in his home, which was 'my home.'....He said that after the events of the week of 17 April and upon the request of V and AMJAG he had called a meeting of AMBUD, at which AMDIP1 had requested in an insolent manner and a loud voice that I be replaced in the work I have been doing. The reason given by AMDIP1 and upheld completely by AMJAG was that I had not told AMBUD the day, hour, and place of landing of the Army of Liberation, and therefore AMBUD should withdraw its confidence in me. AMBUD-1 explained to me that at this time of confusion, and thinking of what was best for Cuba, he thought that he ought to accede to the request of AMDIP-1 and AMJAG.
