Chronology :

≅ [April 1955]

surveillance

[1955] couple/years

[radio cars]

photo surveillance - supervised

[1957 → 1969]

1963 → 3 observation posts
under his supervision

picked up material

2 at entrance

1 at backyard.

[phone taps] notified Embassy

→ personnel: 10 or 12

2/gp

stations manned 8-6:00

yes Saturdays

[same people who manned station

[lived]

→ film delivered by him

when film developed (at his home.
then his brother-in-law.

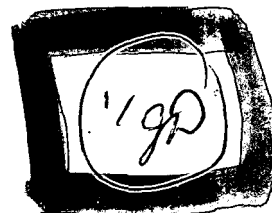

[Dr. Carlos Gutierrez]

→ case officers [Fox Rickett &
Tom Keenan.]

[Exact processing
Balscope]

routine: logged

never asked to produce a photo

Go back to
Log sheet

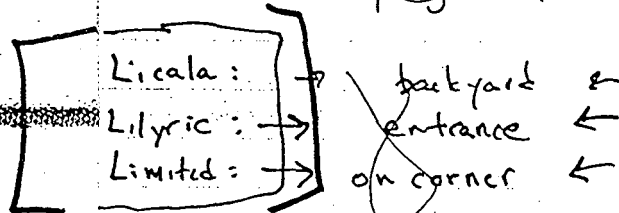

no one briefed him.

Oswald → never saw me.
who did he submit
them to

bulk rolls / film

picked up 3 times a week
process it ^{negatives}
'3 x 5'

occasionally get special intro

3 bases functioning properly
On Sept 26

never kept
almost always get them over 90%.

004560070

under impression that they
would have gotten a picture / him

first 3x5 : then contact

photos: average: 50 - 60 pictures
a day. 2 (3) rolls

had standing ~~instructive~~
oral ~~instructions~~

felt that covert surveillance
protection 

assumed they did have

cameras almost never
broke down.

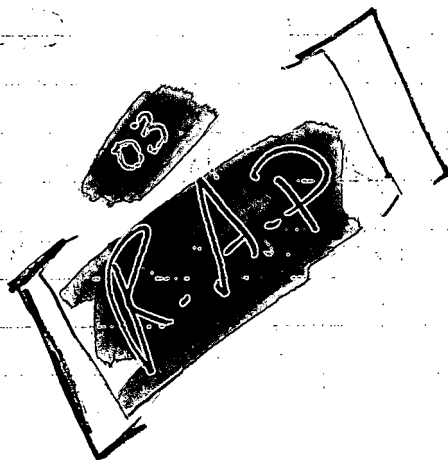

Log sheet
time + brief description

did their own blowups

one person ~~was Harry~~
his brother-in-law

recollection: that they were
all working around that time
recollection

stressed that he thinks
