III. ##### Richard Cain Information and miscellaneous Chicago info

A. Report dated 12 Oct 1960, from Robert P.B. Lohmann of Chicago Office- Richard Cain reported he had a meeting with the Chicago head of the Counter Revolutionary Movement in Cuba. He was put in touch with this individual by William Buenz. He has also spoken with Jack Mabely, a columnist for the Chicago Daily News. He claims they have arranged for him to go to Cuba to take pictures for the Daily News and Life. He will be flown to Cuba from an airstrip in Alabama or Florida. Report includes background data on Cain. Cain was born Oct 4, 1931, 1947, at the age of 15, he joined the Army. Discharged 1950. From 1950 to date he has been employed by William J. Burns Detective Agency in Dallas, Texas and Chicago, Ill. He was also in the private detective business in Miami and worked for a time with UPS. In 1956 he joined the Chicago Police Dept. He also operated Accurate Laboratories, a private investigative business. Cain speaks Spanish and Italian, and flies plane

B. Report dated 8 Dec 1960 by Lohmann. Cain reported they were unable to get him to Cuba. He did, however, get off shore a couple times. Cain stated that during his stay in Miami, he spent some time in the Intelligence office of the DRE (FRD???) and learned the location of Soviet equipment in Cuba which he passed on to the FBI.

C. Report dated 9 June 1961 by Lohmann. Richard Cain "who is doing various jobs for the Cuban FRD informed me that Angel Salano, one of Tony Varona's men, was approached by two girls in Chicago." It was an accidental meeting, according to Cain. Salano asked Cain to check on the girls who were Christel Maeller Schaefer, employed by the German Consulate in Chicago, and Giselle Kruman, a German Tourist Agency employee.

D. Report dated 17 May 1961- Cain has been hired as a bodyguard for Jose Rasco during Rasco's visit to Chicago. According to Cain, Manny Fefferman has been given authority to collect funds for the MDC in Chicago by Rasco.

E. Report of a "confidential informant" of the Field Office, Chicago- (probably not Cain) . On Aug 7, 1963 Informant stated he had learned that while Varona was in Chicago recently (July 1963), four underworld figures made a contribution of \$200,000 to him. Two of the figures are unknown. The other two are Moe Ginacana and Murray (The Canal) Humphreys. He also said Miro Cardozo (Cardona???) wanted to buy guns. Cardozo is employed by American National Insurance Co., Chicago Ph.# 522-7437 (7337)

F. 23 Aug 1963 - Cain reported he had been approached by representative of the DRE and they attempted to recruit him to be trained in Central Am. The person who contacted him spoke on the phone in his presence to some one in Miami named Salvant or Salvat, and asked if his group is sponsored by the CIA. Salvat said the group was sponsored by "the pentagon, which is in competition with CIA, and, therefore, all activities of the Directorate must be kept secret."

G. Report dated 29 Aug 1963 by confidential source who stated that two Cubans had told him that Dr. Olivara is the Cuban CIA representative in Chicago. The Chicago office has no information on Olivara. Did find an article in the Chicago Daily News dated Oct 1962 which states that Dr. Arimaro (sp??) Olivara was elected coordinator of the united front of Chicago Council for Democratic Cuba, 30th of Nov Movement, Dem. Revolutionary Rescue, DRE, and Cuban Association of Chicago.

H. # Miro Cardozo contacted Cain on 30 Aug 1963 and wanted some help in locating arms. He told Cain that Duque (phonetic) in Miami was desperate, because there were some men already in Cuba and some ready to go. Cain told Cardozo he had lost his contacts. In connection with conversation Horace Golet (Horace Speed III) #199499 had with Cain, Cain said that Cardozo told him that the CIA will have nothing to do with the arms sale.

I. Report on Cuban exile activities in Spain. Chicago office obtained a letter written from Spain by Angel Solano on 1 Sept 1963. Angel went to Spain in 1961 and now is an actor. Stated that Prio was in Spain last week at the same time Batista was in Madrid. Rumor in Spain that an interview or meeting took place between the two.

J. Information supplied by unnamed source: On Sept 11, 1963, 6 PM source met Serapio Montejo, a ##### naturalized American, and a Cuban exile named Torres. Montejo was the former director of the Frente in Chicago, and associated with Varona. Source was introduced to Jose Miro Cardozo by Montejo in Miami prior to the Bay of Pigs. Source was told that Torres is the purchasing agent for DRE. They asked source to assist Torres in the purchase of certain weapons. The transportation of the weapons was to be supplied by Torres. Source describes Torres as 25, 5'8", 150 lbs., dark straight hair, clean features. Torres remarked that the CIA is using Cuba as a pawn in international dealings, and his organization is concerned with Cuba exclusively as a national matter. Source was given a list of arms and supplies they wanted which is attached to this report.

#### IV. Rosselli/Varona/ Mafia plots

A. Report by James O'Connell dated 26 Dec. 1968. Rosselli called JIm and stated he "ran into the principal contact" of our project. "I asked if he meant Tony, and he replied in the affirmative (Tony Varona). He had not seen him in several years until this chance meeting at the Fontainebleu Hotel. They had lunch together and during the luncheon, Tony indicated that there were several "strong men" from the Caribbean area in Miami that were determined to overthrow some of the current regimes in their respective countries." Nicaragua, in particular, was mentioned. "Varona stated that he along with other leaders felt very bitter toward the Agency, and any effort initiated by them would be done without requesting any assistance from us. The basic complaint was that there were too many leaks in the security of the Agency." Varona reported that he keeps aware of what's happening in Cuba through the brother of a high Cuban official who is supposed to be #5 in the Castro regime. The brother is living in Madrid.

B. Memo re Johnny Rosselli to DCI dated 9 Dec. 1970. Related IG story. Starts in Aug 1960 when Richard M. Bissell approached Sheffield Edwards to determine if Office of Security had assets that may assist in a sensitive mission requiring gangster-type action. Target was Castro. DCI was briefed and gave approval. Colonel J.C. King was also briefed. Certain TSD and Communications people participated but were not witting of mission. O'Connell was Rosselli's contact until May of 1962. During week of Sept 25 Mahew was introduced to Sam and Joe at the Fontainebleu. Joe gave the pills to Orta, but Orta got cold feet. "Joe then indicated that Dr. Anthony Varona, one of the principal officers in the Cuban exile junta, had become disaffected with the apparent ineffectual progress of the Junta and was willing to handle the mission through his own resources." "He asked as a prerequisite to the deal, that he be given \$10,000 ##### for organizational expenses and \$1,000 worth of communication equipment. Dr. Varona's potential was never fully exploited, as the project was cancelled shortly after the Bay of Pigs episode. Varona was advised that the offer was withdrawn, and the pills were retrieved."
