An annual report of earnings must be filed with the Social Security Administration within 3 months and 15 days after the end of any year in which you, while under age 72 at least one full month of that year, or any child for whom you are filing, earned more than \$1,200. Also, your benefit is not payable for any month you do not have in your care a child of the deceased entitled to a child's benefit unless you are receiving benefits because you are a widow age 62 or over.

FAILURE TO REPORT THESE EVENTS MAY **RESULT IN THE LOSS OF ADDITIONAL** MONTHLY BENEFITS.

28. Do you agree to file the annual report of earnings when required?.....

29. Do you agree to notify the Social Security Administration promptly if you do not have an en-

A widow's entitlement to benefits ends with the month before the month in which: (a) she remarries, with certain exceptions (however, all marriages must be reported); or (b) she is under age 62 and no child of the deceased is entitled to child's insurance benefits.

A child's entitlement to benefits ends with the month before the month in which the child: (a) attains age 18 (unless the child has a physical or mental impairment which began before age 18, is expected to be long-lasting, and prevents any substantial gainful activity); (b) dies; (c) marries, with certain exceptions where the child is disabled (however, all marriages must be reported); or (d) is legally adopted (unless the adoption is by the child's stepparent, grandparent, aunt, or uncle after the death of the parent on whose record the child's claim is based).

If the child is age 18 or over and is receiving benefits as a disabled child, his entitlement to benefits also ends with the second month after the month in which his disability ceases.
