The NYO will initiate an investigation of EDWIN LINTON, who is reported herein as a voluntary worker at FPCC headquarters. Objective of the investigation will be to determine details of LINTON's activities in connection with the FPCC and to determine whether or not he would be in a position to furnish information of value to the Bureau concerning the FPCC.

ADMINISTRATIVE CONT'D

(S)  
[ANSELMO RODRIGUEZ] and VICTOR VICENTE, mentioned herein in connection with information regarding the Cuban Mission to the UN raising \$60 for an FPCC mailing of an announcement that an FPCC picket demonstration would be held on 10/8/62, are subjects of NY files 134-6626 and 134-5914, respectively. (X)

The Cuban-American Civil Rights Committee, mentioned herein, is the subject of NY file 105-56134 and the Bureau has been made cognizant of results of investigation to date in this case.

DOROTHY W. DOUGLAS, mentioned herein, is subject of NY file 100-122751 and Bufile 100-355436. Investigation reflects that DOUGLAS wrote a check payable to LYLE STUART in the amount of \$2,000 and the day after STUART deposited this check in his bank account, STUART wrote a check for \$2,000 payable to the FPCC. In connection with DOUGLAS, it is to be noted that her file reflects DOUGLAS disclosed to a source in March, 1962, that she had made several trips to Czechoslovakia in the past and hoped to make another trip in the summer of 1962. It is possible DOUGLAS may have been instrumental in channeling the two deposits of \$5,000 and \$5,500, all in \$100 bills, into the FPCC bank account in April, 1961, inasmuch as there was some indication that these \$100 bills might have come from a source in Czechoslovakia. However, a review of subject's NY file discloses no specific information which would support this as a fact. (u)

SAS WILLIAM L. QUIS and JOHN E. HEGARTY observed the FPCC picket demonstration on 10/27/62.

ADMINISTRATIVE CONT'D

It is to be noted that investigation reflects that the "Cuban Press Survey" is being prepared by the Translation Bureau of the NY Chapter of the FPCC and that henceforth, a review of this publication will be reported in that file.

Investigation of DANIEL JUSTIN BERNSTEIN (NY file 105-51763, Bufile 105-103763) has not developed any additional pertinent information which would indicate that funds from the Cuban Government are being channeled through BERNSTEIN into the FPCC nor has there been any further indication that BERNSTEIN has advanced additional money to the FPCC.

It is to be noted that RICHARD GIBSON's offer of his services to the FBI and/or CIA for financial reimbursement is set forth in the interview of GIBSON, inasmuch as the Bureau and CIA made a determination not to use GIBSON's services. The purpose in setting this forth is to show the character of GIBSON who is the principal functionary of the FPCC. (S)(X)(u)

NY 97  
On October 4, 1962 NY T-26 learned that CELIA GIRONA, who is an employee of the CMUN, contacted TED LEE, National Office Director of the FPCC in New York City, and told LEE that GILBERTO MEDIAVILLA, 3rd Secretary at the CMUN, urgently wanted to see LEE immediately at the offices of the CMUN. According to this source, LEE agreed to contact MEDIAVILLA. (X)(u) *Cuba*  
*ny*

On October 4, 1962 NY T-24 learned that TED LEE was in personal contact with MEDIAVILLA at the CMUN that afternoon, at which time MEDIAVILLA requested LEE to organize a picket demonstration at the UN in conjunction with the visit of Cuban President DORTICOS to the UN. NY T-24 informed that LEE told MEDIAVILLA it was difficult to arrange a picket demonstration on such short notice and that he had already initiated arrangements for an FPCC demonstration on a national basis, which he then hoped to hold on October 30, 1962. According to NY T-24 LEE stated that in connection with the national demonstration which he was then working on, he had communicated with people in Chicago, California, and Canada, and had also notified all FPCC chapters and FPCC student councils. LEE said, NY T-24 advised, that he felt five demonstrations occurring on the same date across the country would produce effective publicity. According to NY T-24, LEE further informed MEDIAVILLA that he could now rally many people to demonstrate against the United States going to war, but he added that these people were not all pro-CASTRO, merely anti-war. (X)(u)

NY T-27 advised on October 5, 1962 that he had been in contact with MEDIAVILLA at the CMUN on October 4, 1962. On that occasion MEDIAVILLA told NY T-27 that VICENTE MAGRANER, RAFAEL SANCHEZ, and FEDERICO POTERO, all members of the July 26th Movement, had been in MEDIAVILLA's office earlier that day with TED LEE of the FPCC. MEDIAVILLA informed NY T-27 he had called LEE into his office to specifically request LEE to organize a picket demonstration at the UN on October 8, 1962 in support of Cuban President DORTICOS. MEDIAVILLA further told this source that at first LEE was opposed to the idea and claimed he would not have sufficient time to alert FPCC supporters and would not have enough money for paper and stamps to handle the mailing of notices to FPCC supporters. MEDIAVILLA said that at that point *ny*

disclosed to NY T-6 that when he was asked by the CMUN spokesman what he estimated it would cost, LEE told him that the FPCC happened to be at that moment in the process of preparing a mailing to all New York members of the FPCC and that the mailing expenses would be about \$60.00 in stamps plus \$15.00 miscellaneous expenses for a total of about \$75.00. LEE said that the CMUN spokesman promised to have the money that night at the Casa Cuba Club and that the money was to be given to ANSELMO RODRIGUEZ, a member of the FPCC and also a member of the Casa Cuba, for relay to LEE so that the necessary stamps could be purchased. LEE said that he had been in touch with some people to get the picket demonstration organized. He requested this source to aid in this matter but told the source not to mention that funds were to be received from the CMUN. (u)
