Investigation conducted to date through reliable contacts, informants and sources has reflected no evidence of any organized activity on the part of subject organization in the Dallas Division. Therefore, no report is being submitted at this time; however, investigation is continuing in an effort to determine specifically whether captioned organization is active or has adherents in this territory making efforts to establish units.

There follows the results of investigation conducted throughout the Resident Agency territories as to the existence of captioned organization.

The following investigation was conducted by SA WILLIAM R. JENKINS:

AT AMARILLO, TEXAS

On 2/7/64, JACK SEALE, Regional Coordinator, John Birch Society, 319 Oak Street, advised as far as he knew there were no members of the above organization anywhere in the Panhandle area of Texas. He advised that a few members of the John Birch Society had received some of their literature but stated as far as he knew this literature was unsolicited or merely for study purposes. He advised he would notify SA JENKINS should he receive any information indicating the above organization had any members in the Amarillo area.

Patrolman PRESTON SNOGA, Irving, Texas, PD, was contacted at his residence, 2517 DeWitt Street, Irving, and furnished the following information to SA WIEHL on 2/11/64:

SNOGA advised he had known JOHN MASEN since approximately February, 1963, and that during the last few months of this acquaintanceship had furnished information concerning MASEN's activities to ATTU, Dallas, Texas. MASEN's activities, he advised, included changing semi-automatic weapons to fully automatic weapons. He advised MASEN is strictly in the gun business for the money he can make. MASEN is full of a lot of "big talk" which he never substantiated. MASEN told SNOGA he had been contacted by Cuban revolutionists for the purpose of supplying guns and ammunition. MASEN also advised him that "Minutemen" and John Birchers in the Dallas area had contacted him for the purpose of buying ammunition. MASEN never mentioned the names or locations of these individuals. MASEN never advised SNOGA that he was himself a member of a John Birch Society or "Minutemen". It was SNOGA's impression that MASEN was not a member of either of these organizations, if, in fact, he was in contact with them. This impression was based primarily on the fact that MASEN was more interested in money than in political beliefs.

On 2/28/64, SA JAMES P. HOSTY, JR. conducted the following investigation:

DONALD G. KEMP advised that he had no further information concerning the activities of "Minutemen" type organizations in the Dallas area. KEMP advised ever since the assassination of former President JOHN FITZGERALD KENNEDY on 11/22/63, these individuals have been extremely quiet and it is not known whether they have ceased their activity, or they are merely restricting their activities following the assassination of President KENNEDY.

It is noted in referenced Kansas City airtel to Bureau dated 3/3/64, reference is made to the names of WILLIAM HENRY JOHNSON or EARL JOHNSON and MORRIS TANNAHILL, aka. JOHN MORRIS, who may be "Minutemen" in the Dallas, Texas, area.

DL 105-1280

thereafter have photograph exhibited to T. V. STEPHENS, Altus, Oklahoma, to determine if TANNEHILL is the individual who contacted STEPHENS. Furnish Dallas results of this contact.

KANSAS CITY

AT KANSAS CITY. Will consider reinterview with JERRY BROOKS for the purpose of obtaining more identifying information concerning WILLIAM HENRY JOHNSON or EARL JOHNSON, Dallas.

DALLAS

AT LUFKIN, TEXAS. Will expeditiously recontact Sheriff LEON JONES, Angelina County, and Mr. A. C. CHILDS in an effort to determine if local ammunition storage may have "Minutemen" connections.

AT DALLAS, TEXAS. Will contact former DL-18-S for information he may be able to furnish at this time relative to the possible activity of captioned organization in the Dallas Division.
