SYNOPSIS

Investigation requested by Comdr, Eglin AFB, FL on 7 Jul 69, to determine circumstances surrounding importation of 3 boxes of captured enemy weapons by SUBJECT. Two boxes containing a total of 21 weapons, 5 noise suppressors, and related equipment seized. Both boxes marked for SUBJECT. Munitions officials advised boxes were stored at request of SUBJECT. Deputy Comdr, AFATL, advised his agency was queried by ARPA, a DOD agency, about a box of weapons being sent through ARPA channels. Investigation disclosed SUBJECT sent 12 weapons to Eglin AFB from SEA while TDY in RVN in Nov 68. Eleven of these weapons were subsequently shipped from Eglin AFB to Sionics, Atlanta, at SUBJECT's request and at government expense. The twelfth weapon recovered at Eglin AFB. Deputy Comdr, AFATL, advised SUBJECT had no known authority to send weapons from SEA nor to ship weapons to Sionics; Sionics does not have AF contract. Records reflect SUBJECT, since Nov 68, has placed 7 long distance telephone calls to Sionics, at government expense. In verbal statement, SUBJECT advised he shipped one box containing 12 captured enemy weapons from SEA in approximately Nov 68 as part of his assigned duties to assist Vice-President of Sionics; that 11 of the weapons were subsequently forwarded to Sionics in Mar 69, because he considered Sionics an AF contractor. He advised that official telephone calls were placed for same reason. SUBJECT stated he acted as an agent for the USAF in all instances. He declined to execute a written statement at this time. SUBJECT's former supervisor in SEA advised that he did not authorize or direct the shipment of any captured enemy weapons to Sionics. Matter coordinated with U. S. Treasury agents who opined that SUBJECT was in violation of Public Law 90-618.

DETAILS

1. This investigation was requested by the Commander, Eglin AFB, Florida on 7 July 1969, based on a request from the Commander, Air Force Armament Laboratory (AFATL), Eglin AFB, to determine the circumstances surrounding the importation of three boxes of captured enemy weapons by PAUL ARNOLD MARRIOTT (SUBJECT), Lt Col, 513-10-4236FR, AFATL, during the approximate period of November 1968 - July 1969.

2. On 7 July 1969, at Eglin AFB, Florida, a letter dated 3 July 1969, from the Commander, AFATL, was reviewed and the body of the letter is set forth as follows:

"1. It is requested that an investigation be conducted to determine if the laws/regulations regarding the importation of firearms have been complied with in the following instance.

"a. Approximately the first week in June Mr Beard of ARPA called Colonel Berkow of ADTC and inquired about a box of enemy weapons that had been shipped through the transportation capabilities of ARPA to Eglin AFB, Attention of Lt Colonel P. A. Marriott. Colonel Berkow called the Armament Laboratory (AFATL) since Lt Colonel Marriott is assigned to AFATL.

"b. A search was made to locate the shipment. Two boxes were found each containing North Vietnamese weapons. Both boxes were addressed as follows: FB2823 USAF (DOL-AFSC) Attn L/C P. A. Marriott.

"c. Subsequently, it was discovered that a shipment of North Vietnamese weapons and ammunition had been received at Eglin in early March and had been reshipped to Sionics Corporation, 1655 Peachtree Street, N.E., Atlanta, Georgia. The attached documents pertain to this shipment.

"2. Colonel J. H. Hobaugh, telephone 882-2763, will be available to discuss in more detail the above information."

The above letter is being retained in the files of OSI District 7 and will be available to proper authority upon request.

3. On 9 July 1969, J. T. KING, Lt Col, 472-12-2614FR, Staff Judge Advocate, 3201st Air Base Group, Eglin AFB, Florida, was apprised of the information contained in the above letter, by SA WILLIAM D. DIXON. KING advised that in his opinion, there existed probable cause to warrant the issuance by the Base Commander of an authorization for search and seizure of any captured enemy weapons contained in the storage facilities of the 3207th Armament and Munitions Test Support Squadron (AMTS), Eglin AFB.

KING also opined that there was probably a violation of Public Law 90-618 (Gun Control Act of 1968), possibly a violation of customs regulations, and possibly a fraud in that government transportation facilities had been misused.

4. On 9 July 1969, DONALD V. THOMPSON, Colonel, 472-12-2614FR, Deputy Commander, 3201st Air Base Group, Eglin AFB, Florida, was briefed concerning this matter, by SA DIXON. Colonel THOMPSON subsequently executed an Authority to Search and Seize, thereby authorizing the seizure of any captured enemy weapons contained in the storage facilities of the 3207th AMTS.

5. On 9 July 1969, a search of the storage facilities of the 3207th AMTS, Building 1270, Eglin AFB, Florida, was conducted by SA DIXON, in presence of JOSIAH C. MUSICK, CMSgt, FR361-07-1904, and CLARENCE M. GREEN, SMSgt, [JFK Act 5 (g) (2) (D)] NCOIC and Assistant NCOIC, respectively. The search revealed the presence of two packing crates marked for SUBJECT containing a total of 21 various automatic weapons, five noise suppressors, two range finders, 32 ammunition magazines and a brass plaque mounted on a piece of wood. The crates and contents were seized and taken as evidence against proper receipt and are being held by the evidence custodian of OSI Detachment 710, Eglin AFB, Florida, and are available to proper authority upon request.

6. On 11 July 1969, this investigation was coordinated with WILLIAM C. GOODMAN, SSAN: [JFK Act 5 (g) (2) (D)] and ROBERT E. SANDERS, SSAN: 150-26-6417, Special Investigators, Alcohol, Tobacco and Firearms Control Division, Internal Revenue Service (Treasury Department), Pensacola, Florida, at Eglin AFB, Florida. GOODMAN advised that based on the available information, it appears that SUBJECT is in violation of Public Law 90-618; however, he would query his headquarters in Atlanta, Georgia and Washington, D. C. in an attempt to ascertain if SUBJECT had applied for permission to import the weapons or had submitted application to register the weapons. GOODMAN added that his inquiry would be accomplished by the most expeditious means available. GOODMAN and SANDERS requested that they be present during the photographing and identification of the weapons and during all interviews of witnesses and SUBJECT during this investigation.

7. On 11 July 1969, at Eglin AFB, Florida, the weapons were photographed in the presence of the writer, SA DIXON, GOODMAN and SANDERS, by CARL (NMI) CASSULO, SSgt, FR122-14-3910, Photographic Laboratory, Eglin AFB. The weapons are further identified as follows:

It is noted that one of the above noise suppressors is marked "Sionics."

The above mentioned inventory also revealed the presence of a total of 32 ammunition magazines of various types.

Photographs of the above mentioned weapons are appended to this report as attachments.

8. On 14 July 1969, JOHN H. HOBAUGH, Colonel, 165-05-2634FR, Deputy Commander, AFATL, Eglin AFB, Florida, was interviewed at his duty station by GOODMAN and the writer. Colonel HOBAUGH advised substantially as follows: The first part of June 1969, he received a telephone call from Colonel BERKOW of the Armament Development and Test Center (ADTC), Eglin AFB. Colonel BERKOW stated that he had received a call from a Mr. BEARD (NFI) of the Advance Research Project Agency (ARPA), a DOD agency, who inquired about a box of enemy weapons that had been shipped through the transportation capabilities of ARPA to Eglin AFB, to the attention of Lt Col P. A. MARRIOTT. At this time Colonel HOBAUGH attempted to contact SUBJECT, but was unable to do so as SUBJECT was on leave; however, he left a message for SUBJECT to call him the next day. The next day SUBJECT called Colonel HOBAUGH and was instructed to telephonically contact Mr. BEARD and explain to BEARD the circumstances surrounding the shipping of the enemy weapons. At this time Colonel HOBAUGH went on leave, returning about 1 July 1969. Upon his return to duty, Colonel HOBAUGH was asked by Colonel MARTIN, Commander, AFATL, to look into the circumstances surrounding the shipment of enemy weapons and ammunition to Sionics from Eglin AFB, Florida and at the same time showing Colonel HOBAUGH a shipping document, dated 13 March 1969, requesting the shipment of two boxes of miscellaneous equipment to Sionics, 1655 Peachtree Street, NE, Atlanta, Georgia 30309, Attn: Mr. FRED BROWN, signed by SUBJECT. Colonel HOBAUGH further stated that the boxes of so called miscellaneous equipment were found to contain weapons and ammunition and were therefore repacked and shipped by the organizational logistics personnel according to their instructions from SUBJECT.

07D 18-1

Colonel HOBAUGH advised that SUBJECT made several conflicting statements concerning his knowledge of how the enemy weapons got into the U.S. from the Republic of Vietnam (RVN). SUBJECT stated that he thought the weapons were registered by Sionics; SUBJECT stated that he thought the weapons were for the museum at Eglin AFB; and SUBJECT denied any knowledge of how any of the boxes of enemy weapons were sent to Eglin AFB. SUBJECT stated to Colonel HOBAUGH that while assigned to 7th Air Force in RVN, he acted as escort officer for MITCHELL WER BELL III, Vice-President of Sionics, and during such duties introduced WER BELL to several agencies. Colonel HOBAUGH also recalled that SUBJECT had stated that WER BELL was in RVN under Air Force sponsorship and was a close friend of the Thai Chief of Staff. Colonel HOBAUGH recalled that Colonel BILL FAGAN was SUBJECT's supervisor in RVN. Colonel HOBAUGH stated that to the best of his knowledge the Air Force museum at Eglin AFB has only a few old Viet Cong weapons as the museum was appointed to display weapons of U.S. origin and the Air Force Laboratory has no test program for enemy weapons. Furthermore, no need exists for enemy weapons at Eglin AFB. Colonel HOBAUGH stated that it is not likely that SUBJECT had any authority to ship any enemy weapons from RVN, and SUBJECT unequivocally had no authority to ship any weapons to Sionics as the Air Force Laboratory at Eglin AFB presently has no contract with Sionics, nor has it ever had a contract with Sionics for any purpose. ✓

10. On 15 July 1969, OTIS R. FRYE, WS-8, SSAN: 228-10-2575, Freight Checker, 3201st Transportation Squadron, Eglin AFB, Florida, advised at Eglin AFB, that a review of his files revealed a copy of a Government Bill of Lading (GBL) Nr Z-6,684,529, dated 19 May 1969, which reflected an incoming shipment of fire-arms weighing 183 pounds, from Chief, JUSMAG Thailand, Bangkok, Thailand, through Charleston AFB, South Carolina to Eglin AFB, Florida. The shipment was marked: USAF ARMAMENT LABORATORY (DOL-AFSC) ATTN: LTC P. A. MARRIOTT. The shipment arrived at Eglin AFB, Florida on 2 June 1969 and was receipted for by CHARLIE B. MOBLEY, SSgt, 3207th AMTS on 7 July 1969. FRYE furnished the above document to the writer. A reproduced copy of the document is appended to this report as an attachment. The copy furnished by FRYE is being retained in the files of OSI District 7 and will be released to proper authority upon request. *Copy +*

11. On 15 July 1969, S. F. REEVES, GS-8, SSAN: JFK Act 5 (g) (2) (D) Shipment Planner, 3201st Transportation Squadron, Eglin AFB, Florida, advised at Eglin AFB that a review of his files revealed a copy of a GBL, Nr F-0,648,922, dated 28 March 1969, with an attached DD Form 1149 (REQUISITION AND INVOICE/SHIPPING DOCUMENT), dated 13 March 1969, Requisition Nr FB2823 9073X100XXX, both of which he furnished to the writer. A review of these documents revealed that an outgoing shipment consisting of one box of small arms ammunition weighing 55 pounds and a box of captured enemy weapons, weighing 140 pounds, was shipped from AFATL (ATEL), Eglin AFB, Florida 32542 (Mr. COOLEY/882-2328) to Sionics, 1655 Peachtree Street N.E., Atlanta, Georgia 30309, Attn: Mr. FRED BROWN. The DD Form 1149 reflects serial numbers for the 11 weapons as follows: 4514, 1300273, 35285, 68149, 12099391, 928231, 8414320, 12047120, 411564, 700867 and 930843.

07D 18-1

A copy of the above mentioned documents are appended to this report as attachments.

12. On 15 July 1969, CLARENCE M. COOLEY, GS-9, SSAN: 505-32-7744, Logistics Officer, AFATL (ATDA-Log), was interviewed at Eglin AFB, Florida, and advised as follows: On 13 March 1969, Sgt ARNOLD of his office advised him that there were two boxes of small arms and ammunition in the logistics storage facility for SUBJECT. COOLEY stated that he advised SUBJECT that the arms and ammunition could not be shipped without authorization. SUBJECT therefore requested by letter dated 13 March 1969 that the arms and ammunition be shipped as miscellaneous equipment to Sionics, 1655 Peachtree Street, Atlanta, Georgia 30309, Attn: Mr. FRED BROWN. COOLEY therefore made the arrangements for the shipment and the DD Form 1149, Nr FB2823 9073 X100XXX was executed. A file containing the following documents was furnished to the writer by COOLEY:

a. Original letter dated 13 March 1969, signed by SUBJECT, requesting Mr. COOLEY to ship two boxes of miscellaneous equipment to Sionics.

b. Form letter dated 8 April 1969, to Sionics advising them of the shipment of weapons and ammunition to them; this letter reflects shipment received on 11 April 1969.

c. Two copies of AF Form 1149 (with air movement designator FB 5629 8325X002, 20 Nov 68) reflecting the shipment of a total of 12 captured enemy weapons, 19 magazines, 2 pouches with magazines, and 1 circular drum, from Hq 7 AF DAFSC APO 96307 to ACK 2823 Eglin AFB, FL 32542, marked: Hold for LtCol MARRIOTT.

The above mentioned DD Form 1149 further reflects that an attempt has been made to obliterate one of the serial numbers from the list of 12 weapons. The effaced serial number appears to be 9473736.

COOLEY advised that the box of weapons was opened on 13 March 1969 in the presence of SUBJECT and Sgt ARNOLD, and that they should have knowledge of the missing weapon.

The above mentioned documents are being retained in the files of OSI District 7 and are available to proper authority upon request. Copies of the documents are appended to this report as attachments.

13. On 15 July 1969, JOHN C. LYNCH, SMSgt, FR215-22-3876, First Sergeant, AFATL, Eglin AFB, Florida, furnished to the writer the AF Forms 1072 (AUTHORIZED LONG DISTANCE TELEPHONE CALLS) for the period from 1 December 1968 to date. A review of these forms disclosed that SUBJECT placed seven long distance telephone calls to either Mr. FRED BROWN or Sionics at telephone numbers 404-873-3672, 404-873-3673, and 404-366-7120 during the period from 2 December 1968 to 9 July 1969. The documents for the pertinent periods are being retained in the files of OSI District 7, available to proper authority upon request.

14. On 15 July 1969, LIDA R. McEWEN, SSAN: JFK Act 5 (g) (2) (D) Secretary, AFATL, Eglin AFB, Florida, advised that she recalled SUBJECT personally placed a long distance telephone call to Sionics in approximately December 1968.

15. On 16 July 1969, PAUL (NMN) ARNOLD, SSgt, FR489-38-5452, Logistics Office, AFATL, Eglin AFB, Florida, was interviewed at his duty station and advised substantially as follows: On 13 March 1969, SUBJECT informed him that there were two boxes in the AFATL storage facility that had to be shipped out. ARNOLD subsequently went to the storage facility with SUBJECT and Capt JERRY McEWEN where the two boxes were opened and were found to contain weapons and ammunition. Among the weapons there was one that had apparently been damaged in combat and both SUBJECT and McEWEN expressed a great deal of interest in the weapon. ARNOLD stated that he left the storage facility to proceed to packing and crating to make arrangements for the shipment, and SUBJECT and McEWEN were left alone in the facility with the weapons. ARNOLD stated that he did not see either SUBJECT or McEWEN remove a weapon from that area, but he felt that one or the other took the weapon, therefore explaining why only 11 weapons were shipped to Sionics.

16. On 16 July 1969, JERALD B. MASSEY, Lt Col, 711-14-9602FR, Commander, 3207th AMTS, advised at Eglin AFB, Florida that in approximately February 1969, someone from SUBJECT's office called him to ask if a box of arms could be stored for a few days. He assented and the box was therefore stored in Building 1270 until seized by OSI on 9 July 1969.

17. On 16 July 1969, WARREN G. COOK, CMSgt, JFK Act 5 (g) (2) (D) 3207th AMTS, advised at Eglin AFB, Florida that on 6 July 1969, SUBJECT called and requested that a box of weapons, which was at that time in the transportation storage locker, be picked up by COOK and placed in the AMTS storage area until such time as SUBJECT could get some plaques made so that the weapons could be

07D 18-1

displayed in the AFATL museum. Sgt MOBLEY was therefore instructed by COOK to proceed to transportation and pick up the box of weapons, at which time the weapons were stored in Building 1270 and remained there until seized by OSI on 9 July 1969.

18. On 17 July 1969, SUBJECT was interviewed by GOODMAN, supra, and the writer at OSI Detachment 710, Eglin AFB, Florida. Prior to the interview SUBJECT was advised of the nature of the investigation; of his rights under the provisions of Article 31, UCMJ; of his right to remain silent; his right to have a lawyer present during the interview; and that he could obtain a civilian lawyer of his own choosing, at his own expense, or if he wished, the Air Force would appoint a military lawyer for him free of charge. SUBJECT advised that he wished to waive his rights and made the following verbal statement:

In approximately November 1968, while assigned to 7th Air Force Headquarters, RVN, as a munitions expert, he was ordered by his OIC, Colonel FAGAN, to assist and support WER BELL, the Vice-President of Sionics, to the fullest extent possible. Therefore, when WER BELL asked SUBJECT to send a box of 12 captured weapons to the U.S., SUBJECT complied by sending the weapons through official channels to Eglin AFB, Florida, as he (SUBJECT) considered Sionics, and therefore WER BELL, an official Air Force contractor. On approximately 13 March 1969, at SUBJECT's request, 11 of the 12 weapons sent to Eglin AFB by him were further sent to Sionics, after FRED BROWN, President of Sionics, assured SUBJECT that the weapons had been licensed and registered with the proper authorities. The shipment was sent to Sionics through official government transportation channels, at government expense. SUBJECT also admitted placing approximately 7 long distance telephone calls since November 1968 from his office at Eglin AFB, Florida to Sionics or FRED BROWN in Atlanta, Georgia, at government expense as he (SUBJECT) stated that Sionics is an Air Force contractor. SUBJECT further stated that he had the twelfth weapon that was sent to Eglin AFB from SEA in approximately November 1968 stored in the lock-up room at Range 22, Eglin AFB. SUBJECT also advised that during the approximate period of February to June 1969, two additional boxes of captured enemy weapons were sent to Eglin AFB, Florida (Attn: Lt Col P. A. MARRIOTT) from Bangkok, Thailand, by (to the best of SUBJECT's knowledge) WER BELL. SUBJECT then asked the appropriate personnel at Eglin AFB to store the weapons for safekeeping and SUBJECT stated that if the weapons were not sent to Sionics, he assumed the weapons would be sent to the Air Force museum at Eglin AFB. SUBJECT further stated that as the officer responsible for the Air Force museum,

he had been ordered to procure foreign weapons for the museum. SUBJECT stated that he at all times acted as an agent for the USAF, and at no time acted on his own. SUBJECT subsequently released to the writer against proper receipt, an AKA-47 Assault Rifle, S/N 9473736, one of the 12 captured enemy weapons sent by SUBJECT from RVN in approximately November 1968. It was noted that when SUBJECT removed the weapon from the lock-up area at Range 22, Eglin AFB, that it was marked with SUBJECT's name on the stock. The above mentioned weapon is being retained at OSI Detachment 710 by the evidence custodian, available to proper authority upon request.

19. On 18 July 1969, SUBJECT was reinterviewed at OSI Detachment 710 by the writer, in the presence of THOMAS F. KERN, Capt, 579-46-3076ER, Assistant Staff Judge Advocate, after SUBJECT was again advised of his rights as set forth in paragraph 18, above. SUBJECT advised that based on advice of his legal counsel, he wished to make no statement until sometime in the future. The interview was then terminated. X

20. On 18 July 1969, Internal Revenue Service Publication 627 (1-69), Gun Control Act of 1968 (Public Law 90-618), was reviewed at Eglin AFB, Florida by the writer. Pertinent portions of this document are set forth as follows:

"Sec. 5844. Importation

"No firearm shall be imported or brought into the United States or any territory under its control or jurisdiction unless the importer establishes, under regulations as may be prescribed by the Secretary or his delegate, that the firearm to be imported or brought in is:

"(1) being imported or brought in for the use of the United States or any department, independent establishment, or agency thereof or any State or possession or any political subdivision thereof; or

"(2) being imported in for scientific or research purposes;
or

"(3) being imported or brought in solely for testing or use as a model by a registered manufacturer or solely for use as a sample by a registered importer or registered dealer;

"Sec. 5845. Definitions

07D 18-1

"For the purpose of this chapter:

"(7) a muffler or a silencer for any firearm is included

"(b) Machinegun: The term machinegun means any weapon which shoots, is designed to shoot, or can be readily restored to shoot, automatically more than one shot, without manual reloading, by a single function of the trigger. The term shall also include the frame or receiver of any such weapon, any combination of parts designed and intended for use in converting a weapon into a machinegun, and any combination of parts from which a machinegun can be assembled if such parts are in the possession or under the control of a person.

"(c) Rifle: The term rifle means a weapon designed or redesigned, made or remade, and intended to be fired from the shoulder and designed or redesigned and made or remade to use the energy of the explosive in a fixed cartridge to fire only a single projectile through a rifled bore for each single pull of the trigger, and shall include any such weapon which may be readily restored to fire a fixed cartridge.

"Sec. 5861. Prohibited Acts

"It shall be unlawful for any person:

21. On 21 July 1969, WILLIAM M. FAGAN, Colonel, 533-14-6288FV, SUBJECT's former commander in RVN, was interviewed at his summer home in Destin, Florida. Colonel FAGAN executed a sworn statement, pertinent portions of which are set forth as follows:

ADT
"On or about 5 Sept 68 I was advised that a Mr. Mitchell Wer Bell of Sionics was arriving at Saigon Airport and would bring some munitions equipment (guns and suppressors) for demonstration *****

"I assigned Lt Col Marriott the task of handling all facets of Mr Wer Bell's visit which he did by meeting Mr Wer Bell at the Commercial Terminal and assisted him to get settled in a hotel. Mr Wer Bell was in RVN as a private citizen and we were aware that he had no security clearance. ***** "I departed on a Trip to CONUS at the end of Nov 68 and returned to Saigon 13 Dec 68. Mr Wer Bell was still in SEA, but I did not know where. I was aware a shipment of guns had gone to Eglin during my absence but had already arranged through the Commander of FTD W-PAFB that we should have shipped such items to FTD and they would forward them to the designated base. I did nothing to counter this Nov 68 shipment as it was going to the A.F. Armament Lab for a "museum". *****

"In early Feb 69 I found Mr Wer Bell and we concluded that he would leave RVN about 17 Feb 69 and he would give me his MACV form 6 and I would ship back only what he brought over. I was very specific about no enemy weapons being involved and if he had such for the Air Force, that I would ship them to FTD as instructed. After my return from my second CONUS trip on 23 Apr 69 I found that Wer Bell did not depart RVN. I asked around for him and heard many stories of his activities and felt I should take direct action. I called the OSI

07D 18-1

"about 1 May 69 and made a statement and asked them to investigate. About 7 May I heard Mr Wer Bell was in Bangkok at the President Hotel. I went there with a Capt Gaylord and got back the MACV form 6. On 14 May I turned it over to the OSI. I felt that I had closed out our sponsorship, but also felt his (Wer Bell's) activities in SEA warranted investigation. This is why I went to the OSI. I did not authorize or direct the shipment of any captured enemy weapons to Mr Wer Bell and/or Sionics."

The original of the above statement is being retained in the files of OSI District 7 and will be available to proper authority upon request. A reproduced copy of the statement is appended to this report as an attachment.

on or about 5 Sept 68 I was advised that a Mr. Mitchell Warburton of Saigon was arriving at Saigon Airport and would bring some munitions equipment (guns and suppressors) for distribution to air force units and other U.S. forces as we in Oct 6 of ASD (AF50) thought desirable. He gave me pieces of equipment to be demonstrated in the Service Suppressor, this matter of course came from ASD (AF50) Wing at Ft. Belton, Texas. I advised Mr. Warburton that I was not of handling all that of Mr. Warburton's unit which he did by meeting Mr. Warburton at the Commercial Terminal and advised him to get settled in a hotel. Mr. Warburton was in RVN as a private citizen and we were aware that he had no security clearance. We noted him to the effect that we obtained a Major form 6, Identification and Privilege Card, and car license at my instructions, set up a demonstration of his equipment (the Bell's) for the Army, Navy, Air Force and AFPA people on the USAF firing range. Prior to the demonstration I had received notification and did receive a lot (about 3-4) of equipment for the demonstration. The equipment was left out of Charleston and was addressed to me at 77AF (DASG).

I do hereby voluntarily and of my own free will make the following statement without having been subjected to any coercion, unlawful influence or unlawful inducement.

After several weeks of Mr W. Bell's traveling around through SEA I was becoming concerned and wanted to close ^{U.M. 21} ~~up~~ out his business and send him home. In the month of Nov 68 I located him and instructed him that I felt our business was over and he should prepare to leave - or at least we would withdraw our sponsorship of him (The only concern was that he had a MACV form 6 that showed ASD as his sponsor). I departed on a Trip to CONUS at the end of Nov 68 and returned to Saigon 13 Dec 68. Mr W. Bell was still in SEA, but I did not know where. I was aware a shipment ^{U.M. 7} of guns had gone to Eglin during my absence but had already arranged through the Commander of FTD W-PAFB that we should have shipped such items to FTD and they would ~~to~~ ^{U.M. 7} ~~ship~~ forward them to the designated base. I did nothing to counter this Nov 68 shipment as it was going to the A.7. Armament Lab for a "museum". (On a later trip to CONUS in March 69 I advised Col Wrenbrenner (FTD Commander) of the one shipment). I had no knowledge or authorized any other shipment. The Nov 68 shipment was intended for Air Force use and there was no knowledge or intent on my part that they were to be sent to Sionics.

In early Feb 69 I found Mr W. Bell and we concluded that he would leave RVN about 17 Feb 69 and he would give me his MACV form 6 and I would ship back only what he brought over. I was very specific about no enemy weapons being involved and

if he had such for the Air Force, that I would ship them to FTO as instructed. After my return from my second CONUS trip on 23 Apr 69 I found that Mr Bell did not depart RVN. I asked around for him and heard many stories of his activities and felt I should take direct action. I called the OSI about 1 May 69 and made a statement and asked them to investigate. About 7 May I heard Mr Wee Bell was in Bangkok at the President Hotel. I went there with a Capt Gaylord and got back the MACV form 6. On 14 May I turned it over to the OSI. I felt that I had closed out our sponsorship, but also felt his (Wee Bell's) activities in SEA warranted investigation. This is why I went to the OSI. I did not authorize or direct the shipment of any captured enemy weapons to Mr Wee Bell and/or Sionics.

I further state that I have read this entire statement, initialed all pages and corrections, and signed this statement, and that it is correct and true as written.
