R. STARK, A1275 45th Avel, San Francisco, Chlifornia A secret and reliable source has reported that STARK has been in touch with the Bertrand Russell Peace Foundation. The nature of his contact is uncertain but it is likely that STARK is already active in anti-Vietnam war activities in the United States.

Karl H. STELL, Δ009 Thurman Ave., W. Hyatteville, Maryland, 20783 A secret and reliable source has reported that Karl
H. STELL has been in touch with the Bertrand Russell Peace Foundation with a view to participating in its activities in the United States. STELL is a former Naval officer who retired, or van retired, in 1959 as a Lieutgnant-Commander in circumstances which appear to have left him resentful of the Government. He is said to be ready to donate his services to the Foundation as Captain of a radio ship which might, with others, be anchored in the Gulf of Mexice.

All the above items have been passed by JAGUAR to local LNERGO. Station files contain no record on any of these individuals.

2. This information results from JAGUAR's continued mail coverage on the B.R.P.F. offices. We do not know how such a coverage operates or whether - as soons to be the case it extends only this category of foreign mail. We will, of course, continue to probe for more information in the hope of getting an insight into the Foundation's more operational correspondence, but are not optimistic about succeeding.
