MEMORANDUM TO: C/PI/INT/LIAISON

FROM : C/WE-5

SUBJECT : Passage of State Department and U. S. Army information to CIA representatives in Madrid and Paris and to [French and Spanish Liaison] 11, 08

1. It is hereby requested that permission be granted to pass the confidential information from the State Department Foreign Service Despatch No. 1274 of 5 December 1960 and that from United States Army message No. C-333 (IK 70049), 25 December 1960, to both the CIA representatives in Madrid and Paris and to the [French and Spanish liaison services.] 1108

2. The material from the State Department concerns Eloy GUTIERREZ Menoyo, Spanish born Cuban national, who has recently dedicated his undivided attention to the anti-Franco movement in Cuba. He is the director in Cuba of the Spanish Liberation Army (Ejercito de Liberacion Espanol) and is currently carrying on a fund-raising campaign to "fill its officers".

3. The Army message also concerns Eloy GUTIERREZ Menoyo who, in connection with anti-Franco activity, allegedly plans to infiltrate some 4000 Cubans and persons of other nationalities into France to form a group bent on overthrowing Franco in Spain. It has been reported that approximately 1000 persons are already in France awaiting the arrival of the additional 4000, and there are arms and equipment for the entire force. All individuals leaving Cuba will carry Cuban passports regardless of their nationality.

4. In accordance with the Presidential Directive of 28 September 1958, this office certifies that passage of this information to CIA representatives in Paris and Madrid and also to the [French and Spanish services] will result in a net advantage to the interest of the United States. 11508

Several Agency sources have recently reported that May Outierrez Henoyo, the leader of the 2nd Front Excentric organization (a revolutionary group consisting of persons who fought against fascism in the Pico Turquino mountains at the same time Fidel Castro was fighting in the Sierra Maestra) has recently dedicated his undivided attention to the anti-Franco movement in Cuba. He is the director in Cuba of the Spanish Liberation Army (Ejercito de Liberacion Espanol) and is currently carrying on a fund-raising campaign to fill its coffers. On November 25 in addressing the closing session of the Habana School of Arts and Crafts' "Week of Solidarity with the Spanish Liberation Army", Henoyo declared that the army was based in Spain, that it was not an army which would attack Spain from O.S.A. The day of those in O.S.A., he said, was to send economic resources to sustain the army. Spanish resources could not give sufficient assistance, he went on, because of the economic angles they were paid (see enclosure 1).

Henoyo also took advantage of the opportunity to send a message in the name of the people of Cuba to those who were serving in the "insurrectional army of Spain".

On November 29 an article appeared in El Mundo in which Henoyo "called on the Cuban people to support Spanish youth in its decision to liberate Spain from Franco's claws by action". Henoyo asked that each factory, office and business establishment organize a committee to help the Spanish cause (see enclosure 2). SEE OFFICIAL US COPY

NOTE: CONFIDENTIAL

Comments: Henoyo's intense concern with Spanish affairs is perhaps more Byzantine than patriotic. As a result, a number of former members of the 2nd Front Excentric including its leader in O.S.A., Jose William Jorgan, have been arrested by Cuban intelligence services, or have been detected and gone into the
