MEMORANDUM FOR THE RECORD

SUBJECT: "American Defectors to the USSR"

1. The attached material was part of a soft file entitled "American Defectors to the USSR", which was set up by SR/6 (Support) around 1960 and maintained by various SR components until ca. 1963. The compilations were derived from a variety of sources, and contain both classified and overt data.
2. In the fall of 1966, the files were turned over to CI Staff. In most instances, basic information was then abstracted for the US Defector Machine Program. In all instances in which the material was unique, or represented a valuable collation effort, it has been incorporated into the appropriate 201 file, along with a copy of this memorandum.
3. It is suggested that any dissemination of this data should be coordinated with SB Division and with CI Staff (CI/MRO), in view of the frequently inadequate sourcing and of the fact that disseminations have already been made through the US Defector Machine Program.

LAWSON, John Howard

Why do CP press and the Congress plug Douglas for President? Why is a letter urging a concerted Douglas campaign sent out to hundreds of "liberals like Lewis Mumford, who now opposes Communism though he was once a backer and leader of CP fronts including at least one that openly proclaimed its Communist revolutionary aims?

// Part of answer is in Douglas record as a Supreme Court Justice. He has dissented when Supreme Court Justice, made anti-CP decisions upholding: (a list) Contempt citations of Hollywood screen writers John Howard Lawson and Dalton Trumbo.

John Howard LAWSON

Ref: TMM-W-1739

On 3 July 1951 the FBI forwarded a memorandum concerning subject to the Department of State, with a copy to this organization. The following excerpt from the memorandum is for your strictly confidential information in view of the possibility that subject may travel to Mexico, and the Bureau requests that no distribution be made outside the agencies to which it was addressed:

"Lawson was born September 25, in 1894 or 1895, in New York City or Long Island, New York. He has, in the past, been employed as a motion picture writer in Hollywood.

"As of 1946 Lawson was reported to have been a member of the Communist Party for twelve years. One source has advised that Lawson was sent to Hollywood from New York by the Communist Party Political Bureau to obtain employment for Communist writers. This source stated that Lawson's activities in Hollywood have been very extensive and that Lawson has, in the past, been the leader of the Communist movement in Hollywood. According to the source, one of Lawson's functions in Hollywood was to make certain that money was raised from directors and actors for Communist purposes.

"Another source, who was a member of the Cultural Group of the Communist Party in Hollywood prior to 1948 said the Communist Party was 'at its peak' in Hollywood during 1938 and 1939. Lawson was considered by this source as one of the most important persons in the movement during that time. Another source stated that he always understood that Lawson was the 'great white father' of the Communist Party movement in Hollywood and Lawson dealt directly with the National Communist Party Headquarters in New York rather than the local county office of the Communist Party.

"It is known that a Communist Party membership book was issued to Lawson in 1943. Communist Political Association cards were issued to him in 1944 and 1945. When the Communist Party, USA, was reorganized, Lawson was issued a Communist Party registration card in 1946.

"It has been established that Lawson has been quite active in numerous organizations which are known as Communist front organizations.

"Lawson was one of ten individuals who were cited for Contempt of Congress for refusal to testify before hearings of the House Committee on Un-American Activities in October, 1947. On April 19, 1948, he was found guilty of Contempt of Congress and was later sentenced to one year's imprisonment and was fined \$1000. After appeal of his case he was incarcerated and served his sentence at the Federal Correctional Institute at Ashland, Kentucky. He was released from imprisonment on April 9, 1951. He has maintained a permanent residence at 9354 Burnett Avenue, San Fernando, California.

"His wife, Sue Lawson, has also been identified as a member of the Communist Party.

"The following is a description of John Howard Lawson:

Testimony of Louis Francis Budenz, Westwood, N.J.

P.242 Encl. 1. Index

In regard to Spain, though, the question was asked as to the party's attitude on Spain, and there you may be interested to know that the moving picture Blockade was written by John Howard LAWSON under order of the political committee of the Communist party. He was the author of that production and he is one of the most noted Communists of that group of writers. So that gives the attitude on Spain, which was to employ "democratic" propoganda for the achievement of a Red Spain.
